**Concerned Citizens in Arvada Mobilizing to Stop Construction of the Tollway**  
**Join us and help to support your neighbors throughout the northwest quadrant**

## **REASONS TO OPPOSE THE TOLLWAY:**

- Will **NOT** complete the Metro Beltway; **NO CONNECTION** to C470 or Northwest Parkway.
- **ADDS** traffic signals, delays and reduced speeds on Highways 93, 128 and Indiana Street.
- **LIMITED ACCESS** for Arvada residents vs. free public roads now available.
- Increased **SAFETY RISKS** to residents - hundreds of homes dangerously close to the Tollway. Speeds over 70mph put children, property and pets at risk of brush fires, rocks, debris and even vehicles landing in their back yards.
- Real purpose—**ACCELERATE** business development @ Candelas & Rocky Mtn. Airport.
- Creates increased **NOISE, LIGHT & AIR POLLUTION**. Mitigation efforts will be limited, if any.
- Risks release of **PLUTONIUM CONTAMINATION** during construction in the Rocky Flats right-of-way that was never cleaned during de-contamination. Studies show plutonium readings measure hundreds of times the allowable radiation background levels along Indiana.
- Has already used **MILLIONS OF ARVADA TAX DOLLARS** to fund annual Tollway operations with no guarantee of repayment.

***STOP THE FUNDING STOP THE PROJECT!***

**Arvada and Broomfield have not yet approved 2019 budget to fund the Jefferson Parkway Highway Authority**

## **HOW CAN I HELP STOP THE JEFFERSON PARKWAY?**

1. **Contact Arvada & Broomfield City Council members NOW** in person/telephone/e-mail. Tell them to **VOTE NO** on the funding. Voting will be in April. See our website for contact information.
2. **JOIN US** at **Arvada City Council Meeting: VOTE IS APRIL 1**. **Sign up to make public comment**. Contact **Movement to Stop the Parkway** leadership via our website to get advice on this process and to coordinate efforts.
3. **Talk to your neighbors and friends across Arvada; ask for their support**. We will provide you with flyers and petitions.
