

## **IMPORTANT INFORMATION ABOUT YOUR DRINKING WATER**

Este informe contiene información muy importante sobre su agua potable.  
Tradúzcalo o hable con alguien que lo entienda bien.

### **DRINKING WATER PROBLEM CORRECTED** **Mil Potrero Mutual Water Company (MPMWC)**

Customers of Mil Potrero Mutual Water Company **located Upper Glacier Drive and all of Yellowstone Drive to Mil Potrero Highway** and were advised to boil water used for drinking or food preparation, during necessary water repairs to B Tank located at the top of Glacier Drive. We are pleased to report that we completed the repairs. After disinfecting and flushing the impacted area, MPMWC collected four bacteriological samples on November 25, 2024, from the impacted area, and all four samples have tested negative for total coliform bacteria. **This notice is to inform you that it is no longer necessary to boil your water.** We apologize for any inconvenience and thank you for your patience.

As always, you may contact MPWMC's Office at 661-242-3230 or P.O. Box "W" with any comments or questions. You may also contact the State Water Resources Control Board, Division of Drinking Water Office at (661) 335-7315.

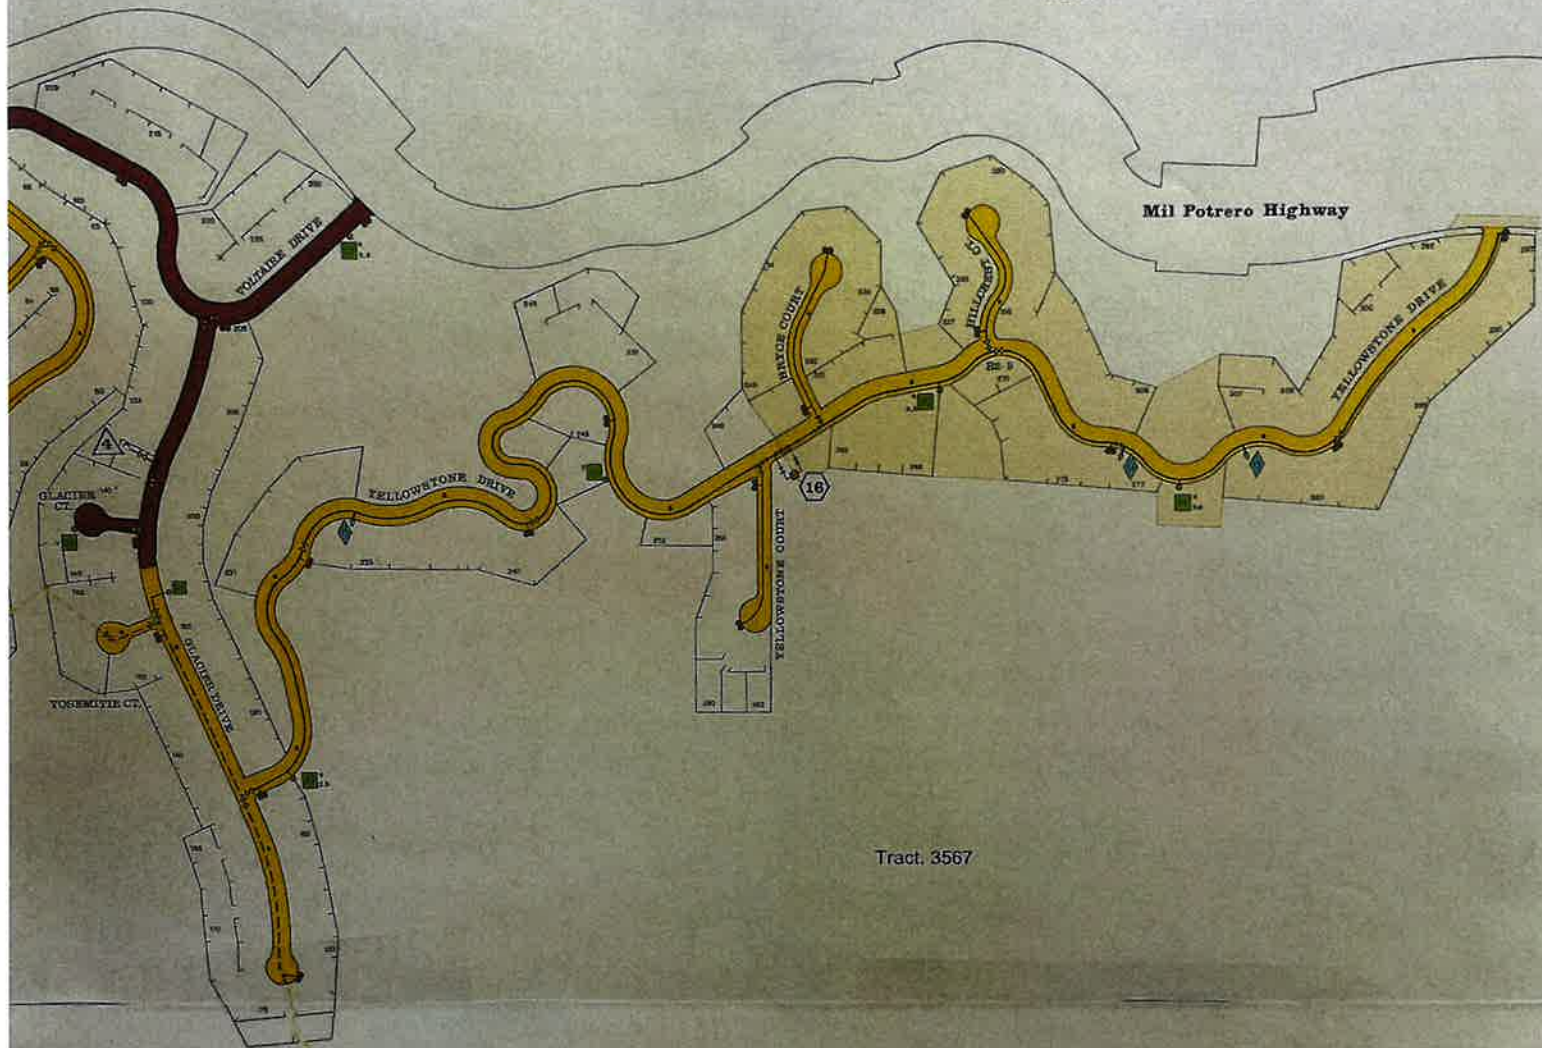

Please share this information with all the individuals who drink this water, especially those who may not have received this notice directly (for example, people in apartments, nursing homes, schools, and businesses). You can do this by posting this public notice in a public place or distributing copies by hand or mail.

This notice is being sent to you by Mil Potrero Mutual Water Company.
