

Updated: JANUARY 6, 2026

Dear Customer,

Mil Potrero Mutual Water Company's Rules, Regulations and Rates provide for the company to maintain water service up to and including the water meter.

We cannot assume the liability that may arise should our service persons attempt repairs on your household plumbing; therefore, they are not authorized to perform such repairs.

If our service person has determined, to the best of his or her ability, that the problem with your water supplies is beyond our limit or responsibility, you may wish to contact a plumber. Below is a partial list of people or companies that have performed plumbing repairs in the community to aid you locating assistance with your plumbing problem. Mil Potrero Mutual Water Company does not recommend or affiliate itself with any or those listed below. Names, phone numbers and license numbers are as follows...
