

PICK & PLAY YOUR WAY

A versatile option for guitarists in the studio or on the stage.

The Studio G Stand brings comfort and durability to guitarists which is a fitting option for both stage and studio work. The quality elements of the Studio G Stand include a comfortable seat, durable structure and a unique edgy look. It fosters proper posture for the performer without compromising comfort.

Made from Black Diamond MDF, it has felt trim along the edges to protect your instrument on the contact surfaces. It's easy to set up and there's no hardware required for assembly and its completely transportable. The Studio G Stand offers a fashionable look with comfort and functionality that RC Williams brings to each of its products.

For use with guitar or banjo

- Comfortable seat while playing
- Easy to assemble; no hardware needed
- Designed to foster proper posture while playing
- Height from floor to top of seat: 20 in. (50.80 cm)

Conserving players and their instruments for years to come.
