

THE X FACTOR OF MUSICAL ACCESSORIES

**Designed for exceptional stability
and incredible ease of use.**

The Amazing X Stand has a unique look that utilizes a hinged "x" format design. It's incredibly easy to setup or transport while durable enough to prevent damage to a stringed instrument like a guitar or banjo.

The top of the Amazing X Stand secures the neck of the instrument while the rubber bumpers on the contact surfaces protect the edges of the instrument and keeps it from tipping. Made from the Black Diamond MDF with color through, it has an overall sleek look to match the design with a hand rubbed oil finish.
