

THE AMAZING DBL BASS BUGGIE™ MAKES LIFE EASIER

Transport Your Double Bass with Ease

Two wheels are better than one when it comes to safely and easily transporting your double bass. The dbl Bass Buggie™ is compact with a lightweight design that fits any sized bass that not only helps protect your instrument while transporting it, but also protects your back from strain.

The only regret you'll have about investing in your dbl Bass Buggie™ is that you didn't do it years ago.

- Weight: 3 lbs.
- Use with or without instrument bag
- Moves over indoor and outdoor terrain
- Fits any sized bass from 1/10 to 4/4
- An original RC Williams innovation
- Crafted in the U.S.A

Conserving players and their
instruments for years to come.
