

Vanilla Cream Soda

Syrup:

2c water

2c Sugar

3-4T vanilla extract

Place water and sugar in a saucepan, bring to boil and simmer for 3 minutes. Remove from heat and stir in vanilla extract. Store at room temperature or in fridge.

Soda:

1oz Cream (Heavy cream, 1/2&1/2 or desired milk)

1oz syrup

5oz carbonated water.

Combine, taste and add more cream, syrup or water to taste.
