Welcome!

Thank you for coming to support Dream Big Productions, the amazing stars, and the arts! Every opportunity to perform & experience live theater is so special. It's been an absolute joy working on Shrek KIDS with each of these stars. I've learned from all of them, & I am so thankful you've entrusted them to me. They are hardworking, passionate, "ogre the moon" talented & wonderfully kind little human beings!

Notes from the Director

Special thanks to Holy Cross Prep for allowing Dream Big Productions to rent this wonderful space. Thanks to TJ Maderia for being the one to organize & make it all happen, Anastasia Korbal & HCPA Theater Department for sharing their space, the HCPA maintenance team & all the amazing others at HCPA for helping allow Dream Big Productions perform here... Here's to many more shows to come! Thanks to Krista (Mrs K's one and only Hook!), Luke Perkins and his music leadership, the amazing counselors for volunteering their time, Starlite for helping us be heard, and Jack Saady Photography for his photo skills. Thank you to my husband Steve, 2 littles (Hunter & Hannah) and mom Debbie for helping with what proves to be an insane schedule, AND... Thank you to you, the amazing Parents, for bringing your stars to rehearsal each day & reminding them MUSIC & THEATER IS ALWAYS IMPORTANT IN THIS WORLD! It takes a village to raise children, and definitely to put up a show, and I am so thankful for mine!

Theater is so much more than a show... It is a language of its own, a place to come & be magically transported to a world separate from real life. A place to be entertained, relax, laugh, cry & so much more. While performers create a show, it is *you* the audience who finalizes it. It is *you*, the audience, who energizes these dynamic performers on stage. There is no energy comparable to a live audience. So, sit back, relax, and enjoy what these incredible performers put together for you all. Please feel free to cheer as loud as you want... the louder the better!

Always **DREAM BIG!!!**

All my love, thanks & admiration...

A stage set with black curtains, a central photo of a girl, and stage lights. The scene is set on a stage with a grey floor and a white backdrop. Two black curtains are pulled back to reveal the central area. In the center, a black and white photograph of a young girl with long hair is framed by a border of small white lights. Below the photo, two stage lights are positioned on the floor, one on the left and one on the right. The overall theme is a celebratory stage performance.

Shrek KIDS top ad seller is... Ria Gupta!!!

Ria started with Dream Big Productions in Aladdin KIDS, then Nemo KIDS (pictured above) and now Shrek KIDS. She has grown to become such a valued part of the Dream Big Productions Family, and I couldn't be happier she decided to join Dream Big Productions! Her smile is contagious both on and off stage, and she is a shining STAR for sure! We're so lucky to have her! Don't be fooled by her age, her dedication to performance & work ethic has shown throughout the years, and she is a joy to work with!

I can't wait to see Ria grow more in the years to come!
