

## About Our Non-Profit

A Brighter Education for Dyslexia is a parent-led support group for those that have children affected by dyslexia. This grassroots nonprofit was founded in 2014 and has been serving families in the North Houston area for over eight years.

## Our Parent Support Group Provides:

### Monthly Events

BED brings in community experts to educate and inform families on how to navigate a successful journey with dyslexia and how to help our struggling readers.

### Free Consulting

BED provides free individualized consultations for families for ARD/504 meetings and other related topics.

### Community

BED provides a community of families that collaboratively work together to help each of our students.
