## Building Up the Body of Christ

*"And His gifts were that some should be apostles, some prophets, some evangelists, some pastors and teachers, to equip the saints for the work of ministry, for building up the Body of Christ, until we all attain to the unity of the faith and the knowledge of the Son of God..." Ephesians 4: 11 -13*

Dear Trinity Family,

In late January we had a "Parish Discernment Meeting" on a Sunday morning after the worship service. The summary of the comments from the table groups is on the next page of this newsletter.

And here is a summary of the summary:

1. Our parish members have a sense of that we are moving in the right direction with a "new vitality" and "one family" feeling.
2. Our parish members sense that we need to devote more energy and attention to "reaching out" to engage our neighbors and the wider community and to attract more people to become part of our family of faith.
3. Our parish members are "more confident that God is leading us – even if we don't know exactly where and how." (*Editorial comment: This was my favorite quote from all of the reports!*)

All of these comments are a manifestation of the biblical imperative listed above: "to equip the saints for the work of ministry, for building up the Body of Christ".

All of us are called, in one way or another, depending on the gifts that God gives us as individuals and as a unique congregation, to build up the Body of Christ.

As we begin the season of Lent, I want to invite and challenge each one of us to seek God's guidance in discerning how God wants to use each one of us to build up the Body of Christ that meets for worship at Trinity Church in Wethersfield.

Sincerely yours in Christ,

Father Tom

## Our Parish Discernment Meeting

Here is a compilation of the main themes expressed in 6 table groups of 6 to 8 people on January 20, 2020.

### *1. What seems to be going well in our parish community?*

New vitality and growing membership. Very welcoming parish. Community/family feel at coffee hour. Fun annual meetings.

Stable clergy leadership and good cooperation with lay leadership.

More variety in worship services (music, prayer, interfaith). Good sermons and more collaborative prayers of the people.

Bible studies that build stronger faith. New weekly morning prayer group on Wednesdays. Seasonal retreats.

Strong property committee. Taking good care of our physical plant.

Church community more caring: bringing Christ's love to members and outsiders. Strong sense of family.

Increasingly good financial support for parish ministry and outreach.

Mission/outreach transitioning from financial support only to more interpersonal engagement. Expansion to more local and international mission engagement.

### *2. What new opportunities should we put our energy into in the future?*

More energy into recruiting, attracting, engaging new members. Explicit prayer on Sunday for mission to our neighbors. New member welcome committee. Engagement with Welcome Wagon. Invitations to people who have recently purchased a house in Wethersfield. More events to attract community to our buildings: Sal's concerts, chili cook-off, church fair, etc.

Pray for God to help us connect with families with young children.

More engagement with wider community (including Muslims, new immigrant groups and unchurched or ex-churched people). Increase interfaith services to twice per year.

Develop community meal program to attract local residents. Better advertising of our events. Better signage. Better engagement with people who walk past our church building every day of the week.

More engagement with Racial Healing, Justice and Reconciliation.

Start new services: healing services, either on Sunday or on another week day; Marian devotions (rosary); more engagement with Evensong services of other Episcopal churches.

Develop a more organized way to minister to parish members (meals, rides to appointments and church).

## A Lenten Reflection

By Rebecca Scruton

We will soon be in the season of Lent...40 days (excluding Sundays) culminating with Easter Sunday. 40, why 40? When we look at the Bible the number "40" is mentioned in various ways 146 times. Anything used 146 times causes us to take notice. Why? What happened? What happens? We see many of the prophets called to 40 days or 40 years journeying with God to serve God and God's people. Moses, Elijah and Jesus all had their "40" experiences.

What did they experience? They experienced hardships, hunger, thirst, avoidance, struggling within and without, struggling in their relationship with God and 'their neighbors'. Ultimately they experienced a profound relationship of love and 'being' with God and sense of purpose and knowing who they were and whose they were.

They experienced their reason for living.

Lent is a time of being focused on our relationship with God and each other. We look particularly at Jesus' life and journey. He was baptized by John the Baptist at which time God declared, "This is my beloved Son in whom I am well pleased". After which Jesus was driven into the desert for 40 days to fast, pray and be tempted by the devil. He was being drawn more deeply into his relationship with God the Father, the application of scripture, and being empowered for the work that was his to do.

Lent provides for us the opportunity to spend 40 days with God (Father, Son and Holy Spirit), to experience the deep, passionate love God has for us while at the same time forming us for the 'call' God has for us personally and as the community of Trinity. Individually and together, God has us where we are for a reason, for His reason. We are called to wake up, to engage with God and each other in order to fulfill God's purpose.

Hence, Lent. A time to focus, to fast, to pray, to 'be', to worship, to serve. To be with God and to be prepared. We will experience challenges, hardships, unknowns and also tremendous love, direction and purpose as we read Scripture, pray and journey through these 40 days of Lent being open to God's call in your life and in our life together.

In what way(s) will you and I intentionally focus on deepening our relationship with God and each other? What are you and I willing to embrace and do that we really don't want to in order to love God and experience God's love? Do we have the courage to move into the invitation of Lent?

*"Almighty God, whose blessed Son was led by the Spirit to be tempted by Satan: Come quickly to help us who are assaulted by many temptations; and, as you know the weaknesses of each of us, let each one find you mighty to save; through Jesus Christ your Son our Lord, who lives and reigns with you and the Holy Spirit, one God, now and for ever. Amen."*

## Outreach to Local, Regional and Worldwide Communities

### Lenten Project: Sewing Machines for Nana

After Nana Dogo, Bishop Marcus' wife, spoke to us last year about the work she heads up in Kafanchan Diocese, Nigeria, several people asked how we could help her. The project we chose is providing funds so that she can purchase sewing machines for young, mostly widowed mothers of young children. If you would like to do "something more" for Lent, please place a check in *any amount* in the collection plate payable to Trinity Parish with "sewing machines" on the memo line. At the end of Lent, we will forward money to Nana so she can purchase sewing machines.

Kafanchan Diocese is rural with 16,000 members, of which over 2,000 are widows. Under Mrs. Dogo's leadership, a Women's Center has been built where women are trained in various skills so that they can be self-sufficient and independent. Numerous skills are taught, such as sewing, weaving, and leatherwork. After their two weeks of training, the graduates return to their villages with a "starter kit" for their particular skill; a women who has chosen sewing for example, goes home with a kit that includes a sewing machine, fabric, and thread. The Women's Center has a shop where the items made by graduates of the training courses are sold. Their most important project is making uniforms for the diocesan schools; the Diocese pays the women for making the uniforms.

### South Park Inn

Winter will soon be winding down and the needs at South Park will change. Soon we will have a new shopping list for them. Trinity provides consistent and steady support for the needs of homeless individuals at South Park Inn and they are always deeply appreciative. We are truly the hands of Christ as we provide for these simplest needs of our neighbors.

### Wethersfield Food Bank

Your response to our requests has been amazing. Thank you for your generosity. Please continue to bring canned chicken and tuna in water, jelly (plastic containers), pasta, rice, peanut butter, cans of fruit in 100% juice, low sodium soups, pasta sauce, no-salt-added canned vegetables, and cereal.

### Our Syrian American Family

Thank you for the items you regularly donate. We will continue to provide paper towels, toilet paper, washing machine detergent, dish detergent, liquid hand soap, shampoo, no-tears shampoo, juice boxes, basmati rice, vegetable oil and olive oil.

## Outreach to Local, Regional and Worldwide Communities

### Backpack Program

We continue to support Wethersfield Social Services by providing snacks to over 60 school children who take home backpacks full of healthy, kid-friendly items to keep them going over the weekend. Healthy snacks like granola bars, protein bars, low sugar breakfast bars, peanut butter and cheese cracker packages, and juice boxes are needed. These go to lower income families in Wethersfield.

### Community Meals at the Cathedral

Thanks to everyone who has been supporting these dinners and making them successful endeavors. Our next community meal at the Cathedral will be March 23. We need about eight individuals to help prepare and serve the dinners. It takes approximately 2½ hours to cook, serve a meal and clean up. Your food contributions and/or cash donations help us make the evening work, too. We have placed the sign-up sheet for the March 23 dinner at the back of the church. If anyone has any questions, please feel free to give Lynda or Warren Blessing a call at 860-742-3253.

### Lunch in the Park

We are scheduled to prepare and serve lunches in Bushnell Park on March 7, May 23, August 1, and November 7. Our commitment is to prepare 50-75 bagged lunches to hand out after the Church by the Pond where Father Tom usually serves as celebrant. If you'd like to learn more about this ministry, speak to Leslie Jones or Clark Tomlinson.

## All Are Welcome At Vestry Meetings

The vestry is the legal representative of the parish. Vestry members are elected at the annual parish meeting. The basic responsibilities of the vestry are to help define and articulate the mission of the congregation; to support the church's mission by word and deed, to select the rector, to ensure effective organization and planning, and to manage resources and finances.

Vestry meetings are held on the 4th Thursday of each month. All parishioners are welcome to attend regular sessions.

### *3. How do you perceive God leading us at this time in our parish?*

God is leading us through what we are becoming: a welcoming and loving community open to new challenges and opportunities. Personal enrichment from increasing positive energy in our parish. Unselfish leadership among our members. A sense of belonging to one family of faith. Strengthened through hard times, embracing a new future.

Increasing belief that God is working through us as individuals. More outreach to attract new members. Encouraging members to attract new members.

We are more confident that God is leading us – even if we don't know exactly where and how.

## A Prayer for Parish Mission

---

Dear and Gracious God,

Please send us the people we need in order to become the church You want us to be, and please send us the people who need us in order to become the people You want them to be. Help us to respond with love to those You send, making room for them at our table and in our hearts so that together we can share Your love with our neighbors in need both locally and around the world. We ask this in the name of Jesus, who met people where they were, loved and cared for them, and invited them into a deeper relationship with You.

Amen
