Advent Christian Women  
Organized for Service

# WHFMS

An organization to encourage, equip and empower women for personal and group development and effective service in ministries and missions at home and abroad.

## Meeting the needs of women by providing encouragement in:

- Christian spiritual growth
- Fellowship
- Outreach
- Service
- Leadership development
- Mentoring

Woman's Home and Foreign Mission Society was founded by Sarah K. Taylor in Friendship, Maine in July 1897.

# Women's Ministry Services

## Annual Program Kit

Devotional programs and supplementary materials with a timely theme for each year available online to download for free.

## Bread of Life

A feeding program for many of our poorest mission fields who struggle with financial resources to purchase food for people, mostly children. This nutritious food is provided while they are hearing about the true Bread of Life, Jesus. Seventy dollars will provide a healthy meal for as many as 100 people.

## Christmas in October

A fund-raising project to provide Christmas gifts for international and national missionaries and to help fund other missionaries' benefits.

## Human Trafficking Awareness Initiative

We are raising awareness and encouraging our ministries to get involved in the fight against human trafficking. Bringing light to this issue will make it more difficult for traffickers to hide what they are doing. The more we work together, the greater the impact we will make.
