EXPERIENCE

Precise Assessment Services (PAS2050) was founded in 2026 by Elaine Watson following over 30 years managing and owning highly successfully businesses in the energy efficiency business industry.

STAFF

We have four full-time staff making Precise Assessment Services a well-oiled machine with quick turnaround times and excellent attention to detail.

WHAT WE DO

Through our network of canvassers, surveyors, co-ordinators, DEAs, RFAs and RCs, Precise Assessment Services generates qualified leads, surveys, retrofit assessments and EPCs for accredited installation partners and social housing providers across the UK. We support private and public sector energy efficiency schemes, including Warm Homes: Local Grant, managing the customer journey from initial enquiry through to a completed home assessment and installation-ready project. By preparing projects thoroughly, we enable our installation partners to focus on delivering high-quality installations and excellent customer experiences. Our work helps reduce energy consumption, carbon emissions and household energy costs, while supporting the transition away from finite fuels. Plus, we offer specialist damp and mould assessments.

TECHNICAL EXPERTISE

- ENERGY ASSESSMENTS COVERING FLOOR PLANS, CONDITION, OCCUPANCY & IMPROVEMENT OPTIONS
- SAP, EPC, ENERGY & THERMAL MODELLING FOR DESIGN AND AS-BUILT STAGES
- FABRIC-FIRST, MOISTURE & VENTILATION STRATEGIES, WITH ROBUST COMPLIANCE CHECKS

DESIGN & ASSURANCE

- DETAILED DESIGN PACKS, SITE MONITORING & TECHNICAL ASSURANCE THROUGHOUT DELIVERY
- COMPREHENSIVE PAS 2035 & RETROFIT COMPLIANCE DOCUMENTATION

RETROFIT DELIVERY

- LARGE-SCALE, MULTI-HOME RETROFIT PROGRAMMES DELIVERING IMPROVED EPC RATINGS & LOWER ENERGY CONSUMPTION
- SUPPORTING WARM HOMES: LOCAL GRANT & WARM HOMES: SOCIAL HOUSING FUND

PARTNERSHIPS

- COLLABORATING WITH INSTALLERS, LOCAL AUTHORITIES, SOCIAL HOUSING PROVIDERS & MANUFACTURERS
- PROVIDING TECHNICAL EXPERTISE TO DELIVER PROJECTS EFFICIENTLY, COMPLIANTLY & AT SCALE

WHITE-LABEL SERVICES

- WHITE-LABEL ENERGY ASSESSMENT SERVICES ENABLING ORGANISATIONS TO EXPAND THEIR OFFERING WITHOUT ADDITIONAL IN-HOUSE EXPERTISE.

INDEPENDENT HOME ENERGY ASSESSMENTS YOU CAN TRUST

NETWORK

Our wider team includes RICS, CIOB and CIAT-accredited professionals, supported by a network of over 40 self-employed surveyors, co-ordinators, canvassers, RFAs and DEAs. Together, we provide the specialist expertise and capacity to deliver projects in line with PAS 2035 and the required retrofit standards.

MISSION STATEMENT

Precise Assessment Services aims to be the leading provider of quality energy efficiency leads, surveys and related services within the industry, measured by customer satisfaction. We achieve this with the highest standards of workmanship and customer care whilst having the capacity to provide consistent good value.

WHY PARTNER WITH US

- OPPORTUNITIES FOR BOTH FUNDED AND SELF-FUNDED PROJECTS
- REDUCED SURVEYING AND ADMINISTRATION TIME
- A STREAMLINED ROUTE FROM ASSESSMENT TO INSTALLATION
- PROFESSIONALLY COMPLETED HOME ASSESSMENTS
- QUALIFIED CUSTOMERS READY TO PROCEED
- RECOMMENDATIONS TAILORED TO THE PROPERTY
- OPPORTUNITIES FOR BOTH FUNDED AND SELF-FUNDED PROJECTS

TRAINING & EXPERTISE

Every Precise Assessment Services associate undergoes extensive training in the application and effectiveness of energy efficient upgrades. All are subject to independent training from recognised assessors and verifiers.
