Now offering - *Tea Party in a Box* *Rentals!*

Want to try a different kind of party but don't own the props?! We're now offering rentals of vintage style party wares that you don't even have to wash - nor even put back in your china cabinet!

Maybe it's for your little one who wants to have a Queen or King's Party? Maybe it's time for an afternoon of tea and cookies with your girlfriends?

Here's how it works - Basic package for rental for up to 10 settings
Includes mis-matched* vintage tea cups and saucers, silverware, luncheon plates, tea spoons, up to two serving towers with vintage plates, two tea pots, creamer and sugar set. The items will be delivered to you packed in a party tub sanitized and ready to use. When you are finished just make sure they are clear of food but you do not have to wash anything. You can even leave the tub outside and we won't even bother you when we pick it up! -- starting at \$89.00 for 8 to 10 settings; quotes available for more (*photo below is a sampling but matching items are also available!)

Want even more? Ask about table linens, linen napkins and the FOOD! We can arrange for the food as well and will use local restaurants to support them in these challenging times.

Many other services available for parties - contact us via email or call to connect.
