Electronic payroll delivery service that helps reduce payroll administration costs.

### Clover Capital

Leverage your future credit card sales into working capital.

### Clover App Market

Access to hundreds of apps that will help you handle business like a pro.

## Clover App Market

Turn your Clover into a well-oiled multitasking machine so that you can do more for your business than you ever imagined.

### Apps for Every Business

No matter your industry, these apps will help you tackle even the trickiest tasks associated with running a business.

#### Time Clock

Track employee hours and build schedules. Share shifts online, view and swap shifts.

#### Gusto Payroll Integration

Integrates payroll, benefits and HR for small to mid-size businesses.

#### DAVO Sales Tax

Collect, file and pay your sales tax automatically.

#### Feedback

Hear directly from your customers about what they think about your business.

#### Ping Me If

Receive email or text alerts when specific events happen in your store.

#### Commerce Sync

Automate accounting using QuickBooks Online, QuickBooks Desktop or Xero.

#### Cash Track

Track cash at the beginning of a shift. Count, reconcile and record cash and tips at the end.

### Online/Digital Strategy

Clover offers best-in-class apps that will help you get in front of your customers and watch your business thrive.

#### Clover Online Listings

Help ensure your business is accurately represented in a network of over 70 maps, apps, search engines, social networks and directories.

#### Pointy

Bring in new customers by displaying your products in search engine results.

#### MailChimp

Connect in-store purchases with your email marketing campaigns.

### Connect Clover to other POS

Clover can integrate into other POS solutions, serving as your secured EMV payment acceptance device.

#### Booker

Provides real-time appointment booking options online, on social and mobile.

#### Springboard Retail

Place actionable real-time data in the hands of every person who needs it.

#### MiPoint

Easily add an EMV-capable Clover device to your POS system and accept a full suite of payment types.

### Restaurants

#### Viva Spot Wifi

Provide your customers with FREE Wi-Fi through a personalized login page.

#### Tables

Manage tables, servers, orders grouped by guest and more.

#### ChefTab KDS

This industry-leading kitchen display system offers both touchscreen and bump bar functionality for the most hostile environments.

#### Menu Boards

Upload, schedule and manage your digital signage deployment.

#### Weigh & Pay PRO

Create containers for and allow purchase of your various weight-based items.

#### SimpleOrder

Online inventory and purchasing platform that reduces inventory levels for each dish you sell streamlining stock replenishment.

#### Waitlist Me

Send text and phone call notifications to alert customers when it's their turn.

### Retail

#### Shopventory

Premium inventory management system for Clover.

#### Easy Labels Pro

Print a product's UPC-A, EAN-13 or EAN-8 barcode, price, unit and name on labels.

#### Stock

Track available product quantity, purchase orders, expiration date and sales history.

### Liquor Store

#### Alcohol Market Insights

Discover the top-selling products you aren't stocking and keep up with your competition.

#### Age Verification

Limit access by age to various item categories or labeled items in your inventory.

#### Alcohol E-commerce by Drizly, Inc.

Drizly connects to your Clover POS and powers online sales for licensed alcohol retailers.

### Appointment Business and Professional Services

#### Booker

Provides real-time appointment booking options online, on social and mobile.

#### InvoiceASAP

Manage customers, generate reports and get invoicing that syncs with accounting.
