

Your Time Counts. Don't Waste It Chasing Invoices

When We Do Our Thing, **You Can Do Yours.**

Automate A/R Busywork

Invoices, late payment reminders, and thank-you emails are sent automatically. With the Genie in your corner, you'll have more time to invent and create.

Deliver a WOW Experience

Your clients can log-in, view history, set-up auto pay, and make payments from anywhere 24/7. Your branded customer portal makes self-service a breeze.

Save Time & Hassle

Multiple payment options and secure processing make accepting payments easy and reconciliation a breeze!

Integrate. Automate. Accelerate.

Your time is as valuable as your bottom line. Wasting it on invoice-chasing and reconciliation not only pains you, it costs you. At Biller Genie, we get it. And we're here to automate your A/R busy work so you can spend your time and talent where it counts: inventing, creating, collaborating, and growing. All without putting a dent in your bottom line.

Create an invoice in your accounting software just like you always have, and let Biller Genie do the rest.

Automatic invoices go out exactly when you want, on your letterhead.

Late payment & follow-up reminders are sent on your schedule. Automatically.

Clients can log-in, make payments, view history, set-up auto pay, from anywhere – 24/7.

Integration saves you time by eliminating duplicate work and making reconciliation easy.
