*“So God CREATED mankind in his own image,
in the IMAGE OF GOD he created them;
male and female he created them.”*

– Genesis 1:27

The value of life is under attack. We are working to build a culture that understands and defends the precious gift of Life. The divine worth of each life is rooted in the Creator and what He says about mankind. We have the truth of God’s word to build a solid foundation for those who are struggling to see the plan for their own life or that of their unborn child.

Each building block in our ministry is centered around one idea. Life matters. Our ultrasound service lets them see the undeniable evidence of life being knit together in the womb. Our abortion recovery program helps to heal deep wounds through grace and forgiveness. Our education and support programs provide physical and practical help in difficult times. Our men’s ministry programs help new and expectant dads become effective fathers.

How many blocks will you place?

- \$48 provides a pregnancy test and counseling for two clients.
- \$215 provides an ultrasound for one client.
- \$349 insures our doors are open for one day.
- \$488 provides one week of reaching clients on social media.

Just pick up a bottle. Fill it with change, bills or checks and bring it back by the collection date.
