## ICC Membership Process

Thank you for your interest in becoming a member. We hope this brief explanation of the process will give you an idea of what to expect.

All those wishing to join are encouraged to join one of our Discover Ilion Community Church Classes.

Upon completion, potential members will meet with the Pastor for an interview. The candidate will be asked to sign a membership signature page indicating that they have read and agree to the governing documents, church covenant, and statement of faith.

Candidates will then attend a meeting with the Pastor and members of the church and be asked to give a credible testimony of their faith before all who are present.

Those members will then vote to accept the candidates into membership. If a person wishing to join has not been baptized by immersion after salvation, they must be willing to submit to baptism in accordance with the commands of Scripture.

Scripture verses concerning membership include Matthew 28:18-20, Acts 2:36-38, 41, 8:36-38, 16:33, and 18:8.
