

BLUNT x Adam Lester

Limited Edition Collaboration

BLUNT x ADAM LESTER

Collaboration Summary

Drenched in sunrise hues of pink and orange, this limited edition BLUNT Metro captures the spirit of coastal living, from morning beach walks and sunset surfs to fresh seafood and native flora and fauna. Australian artist Adam Lester, known for his playful sense of place and leisure, brings his hand-painted visual language to life through a richly layered canopy design.

Influenced by pop culture, travel and everyday moments, Lester's work balances humour, curiosity and optimism, transforming the umbrella into a moving canvas. His multidisciplinary practice has included collaborations with Alematis, Green Beacon Brewery and Print Room Editions, alongside mural commissions across Australia and Europe.

Created using acrylic paint and ink on traditional canvas, the artwork was later cut and

reconfigured across our BLUNT umbrella six panels, allowing each angle to reveal a different part of the story. Rather than a single fixed composition, the canopy unfolds as a montage of figurative and symbolic imagery, celebrating Australia's natural beauty and culture of leisure through Lester's bold, expressive style.

For Lester, the collaboration was an opportunity to re-contextualise his work into an entirely new format. Inspired by the movement and spontaneity of everyday life, the design reflects the freedom of travel, outdoor living and creative exploration. Vibrant, immersive and full of personality, this collectible collaboration brings together art, storytelling and engineered design in one distinctive everyday essential.
