Adam Lester

Drenched in sunrise hues of pink and orange, this limited edition BLUNT Metro captures the spirit of coastal living, from morning beach walks and sunset surfs to fresh seafood and native flora and fauna. Australian artist Adam Lester, known for his playful sense of place and leisure, brings his hand-painted visual language to life through a richly layered canopy design.

Influenced by pop culture, travel and everyday moments, Lester's work balances humour, curiosity and optimism, transforming the umbrella into a moving canvas. His multidisciplinary practice has included collaborations with Alemas, Green Beacon Brewery and Print Room Editions, alongside mural commissions across Australia and Europe.

Summer 26/27 Collection

This summer, BLUNT delivers a refined capsule designed for sun-soaked days and coastal escapes. The collection features three BLUNT Beach Umbrellas in Sea, Red Coral and Seagrass, each bringing a distinctive summer mood. Sea pairs classic navy with crisp white for effortless, timeless appeal. Red Coral is a deep terracotta red, inspired by Mediterranean heat and sun-warmed coastlines. Seagrass offers a tonal sage green, fresh and calming, reminiscent of swaying shoreline grasses.

For days beyond the sand, the BLUNT Metro UV ensures you're covered rain or shine. Blocking 99% of UV rays with 50+ UPF protection and featuring a cooling lining beneath the canopy, it delivers dependable performance from the hot sun to sudden showers.

This summer, BLUNT brings you a complete ocean-inspired capsule collection with everything you need for warm weather days.

Dinosaur Designs Strawberry & Cappuccino

BLUNT and Dinosaur Designs have come together in a limited-edition collaboration featuring two limited-edition BLUNT Metro umbrellas - Cappuccino and Strawberry. A playful take on watercolour paintings, this collection combines Dinosaur Designs' unmistakable use of colour and sculptural tactility with BLUNT's award-winning canopy design. Each umbrella is finished with a handmade Dinosaur Designs resin bead, designed to hang from the end of the wrist strap.

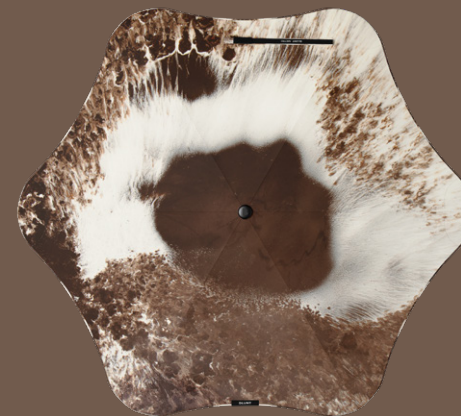

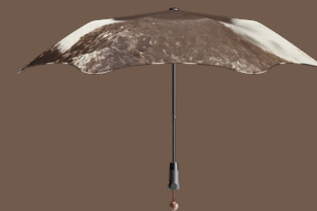

Crafted in Dinosaur Designs' Sydney studio, every bead is individually hand-poured, set and finished, making each piece beautifully unique. No two resin beads are exactly alike. The collaboration reflects a shared belief in timeless design, curiosity and bringing joy to everyday moments. BLUNT's intelligent engineering meets Dinosaur Designs' artful approach to resin, creating an exclusive collectors piece umbrella that is both functional and expressive.
