CHEF PRODUCT, CONVERSIE & CREATIE • VTWONEN

Lives together with her two sons Kick and Beer and cat Jackson.

"Fall Winter 2026 leans into rich browns and antique brass, creating a palette that feels both grounded and luxuriously warm. A sparkling selection of decorative stars, brown and golden baubles, earthy table settings, soft pillows and sculptural coupes completes a collection made for festive, stylish living.

Our Basics are the all-time favourites — like a little black dress for the home: timeless, versatile, and always available. Whether your style leans bohemian, classic or minimal, the Basics are made to mix and match. Together with the capsule collections, they offer endless styling potential — for now and the future."

Love,
Tanja

TABLE & KITCHEN TEXTILES

- All capacity informed is full capacity;

CUTLERY

- The stainless steel part quality is 18/10, meaning it contains 18% chrome for durability and protection against corrosion and 10% nickel for lustre and resistance to high temperatures. The knife blades contain 13% chrome and no nickel, ensuring a longer lasting, sharper edge;
- 100% food safe;
- Before the first use wash in lukewarm soapy water, rinse and dry thoroughly with a soft towel;
- We advise hand wash only, to contain its black colour;
- A higher chromium content gives stainless steel knife blades the necessary sharper edge; however, this also makes them more susceptible to corrosion. Please take extra care with these implements;
- Never leave stainless steel cutlery to soak or in damp conditions as this can cause staining which will require polishing to remove;
- To restore the cutlery's shine and to remove any staining use stainless steel polish and a soft dry cloth; don't use abrasive detergents.

METAL ITEMS

- Vases, candle holders and photo frames can be cleaned by using a dry or damp cloth;
- Refresh water in metal vases every week;
- Use protection underneath metal vases when using water to protect your furniture against humidity due to temperature difference;
- All capacity informed is full capacity;
- Our metal products are handcrafted. Variations in size, finish and colour may occur.

- Carefully selected partners;
- Manufacturing done in a responsible way;
- Well-thought-out collections with continuity in quality, look and delivery;
- Trustworthy and long-term relationship with our suppliers.
