PROCLAMATION & SONG FOR UKRAINE

Rockville, MD. The Mayor of Rockville will issue a proclamation to support Ukraine on Monday May 16 at 7:00 pm at 111 Maryland Ave. A group of Ukrainians and a local Lithuanian activist, Paulius Klimas, will meet with the mayor at City Hall.

Before the proclamation, Paulius Klimas, will sing the song he wrote entitled *Putin's War*. Klimas urges NATO and President Biden to use military force to stop Putin now. A cancer is spreading in Europe and must be eradicated immediately. Lithuania and other nations are in danger; appeasement failed once before thus action is the key now!

The KGB arrested Klimas' father during WWII and deported his paternal grandparents to Siberia. In 1988, Klimas walked 500 miles alone from Rochester's Liberty Pole to a meeting at the White House. His actions helped free a Lithuanian dissident from a Soviet prison. In 1991 Klimas walked across the Baltic States to promote Baltic Independence.

Putin's War is available for download at stayfreeukraine.org. Klimas has a message for Vladimir Putin: „Go Home Now! “ Klimas' book *Yellow Green Red* details how faith helped him publicize Lithuania. (For more information about Klimas see pauliusklimas.com.)
