## SONG FOR UKRAINE

### “PUTIN’S WAR”

Washington, D.C.

The studio band “Paulius & Friends”, recorded at Dynamic Recording Studio in Rochester, NY, announces the release of “Putin’s War” today. Download this song at [dynrec.com/putinswar/](http://dynrec.com/putinswar/). I urge all Americans to contact your local radio station and ask them to play “Putin’s War”.

Paulius Klimas is a Lithuanian American activist and songwriter/lyricist. The KGB arrested Klimas’ father during WWII and deported his paternal grandparents to Siberia. He has a personal message for Vladimir Putin: “Go Home Now!”. For more information about Klimas see [pauliusklimas.com](http://pauliusklimas.com)

Klimas is using music and the written word to combat Russian propaganda. His book, *Yellow Green Red: A Story of Faith* details how faith enabled him to publicize the plight of then Soviet occupied Lithuania in the 1980s and 1990s.

Today, the time for dialogue is over. Ukraine is fighting for its very existence. We must act now! NATO and the United States must engage Putin’s aggression before it reaches Poland or the Baltic States. Appeasement failed in Europe before, and it will again. If Putin is not stopped now, he will continue his vile crusade to rebuild the Soviet Union.
