## **Bernese Mountain Dog Club of America Draft Test Purpose**

The Bernese Mountain Dog Club of America Draft Tests are a series of exercises designed to develop and demonstrate the natural abilities of purebred Bernese Mountain Dogs in a working capacity involving hauling. The Bernese Mountain Dog has historically functioned as a draft dog in various capacities, and performance of these exercises is intended to demonstrate skills resulting from both inherent ability and training which are applicable to realistic work situations. Efficiency in accomplishment of tasks is essential. It is also desirable that the dog evidence willingness and enjoyment of his work in a combination of controlled teamwork with his handler and natural independence.

- There will be a limit of 22 entries for each Draft Test.
- Entry fees - \$35 for each single dog team \$55 for a brace team
- A separate entry form must be filled out for each dog of a brace team and then stapled together. Even though two entry forms are required for each brace team, each brace team will be counted as one entry in the Draft Test entry limit.

1. Untitled BMD's
2. Titled BMD's
3. Untitled other dogs

- A random draw will be held for each group in the list including and following the one that causes a total entry in excess of the Test limit.
- Teams entered in a class in which they have already earned the advanced level title will be drawn after teams without the advanced level title in that class.
- Entrants must notify the Draft Test Secretary if a dog has earned a title in the entered class, including if the title is earned after the entry has been submitted.
