REDS

ALICANTE | CALIFORNIA FORMATS — 20 L • 23 L

BODY — 1 ALCOHOL — 11.6% AROMA — EARTHY, FRUITY, SPICY
This varietal has roots in the southeast of Spain and is also cultivated in North Africa and California. On a stand-alone basis, the organoleptic qualities of this Californian grape are not spectacular, but it is mainly used to increase the intensity of color and body in other grape varieties.

AMOROSSO | ITALY FORMATS — 20 L • 23 L

BODY — 5 ALCOHOL — 13.7% AROMA — FLORAL, FRUITY, SPICY
Amore di Rosso. Italian for "Love for Red". This deep, dark tannic full-bodied red wine will envelop the senses with a plethora of scents including floral, fruity and spicy aromas. Great potential for aging, which will reward the most patient winemaker.

BARBERA | CALIFORNIA FORMATS — 20 L • 23 L

BODY — 5 ALCOHOL — 12.3% AROMA — FRUITY, SPICY, WOODY
Native of Northern Italy, it is cultivated today in the San Joaquin Valley in California. Recognized for its intensity of color and good structure of tannin and acid, it presents nuances of gooseberries and a smoky peppery bouquet.

CABERNET SAUVIGNON | CALIFORNIA FORMATS — 20 L • 23 L

BODY — 5 ALCOHOL — 13% AROMA — FRUITY, SPICY
Cabernet Sauvignon presents a fresh cherry bouquet rounded off with peppery highlights and delicate spices. You'll notice an initial attack with a lot of body and hearty tannins, but this well-balanced wine holds true to its character as a delightful wine that can be enjoyed under any condition.

CARRIGNANE | CALIFORNIA FORMAT — 20 L

BODY — 2 ALCOHOL — 11.6% AROMA — FRUITY, SPICY
Its high tannins, alcohol and deep purple color produce a spicy and fruity wine. It is often used in conjunction with softer grapes and to increase the color intensity of a blend.

CASTEL DEL PAPA | ITALY FORMAT — 23 L

BODY — 4 ALCOHOL — 12.6% AROMA — FLORAL, FRUITY, SPICY
This wine exudes admiration. Highlighted by its ruby color with flashes of ripe blackberry purple, you will surely be charmed by its ripe fruit, lavender and spice aromas. Moreover, its medium level acidity supports a firm tannic structure along with a high level of alcohol that augments its distinguished fullness of flavor on the palate.

GRANBARILE | ITALY FORMATS — 20 L • 23 L

BODY — 5 ALCOHOL — 13% AROMA — SPICY
A dry, full-bodied and spicy red with a nose that is as complex as they get. A refreshing acidity, pronounced tannins and velvety texture make this wine a classic Italian red.

IL TOSCANO | ITALY FORMATS — 20 L • 23 L

BODY — 3 ALCOHOL — 12.6% AROMA — FLORAL, FRUITY
This dry medium-bodied red wine will transport you to the picturesque rolling vineyards in one of the greatest winemaking regions in the World: Tuscany. Floral and fruity, this wine is practically unmatched in flavor and potential.

LAMBRUSCO | ITALY FORMATS — 20 L • 23 L

BODY — 3 ALCOHOL — 12.3% AROMA — FRUITY
This wine is ruby in color with aromas of strawberries and cherries. It has a clean and smooth attack with great length and structure. It is a pleasant drinking red wine with exquisite red berry flavors that make it very enjoyable.

MERLOT | ITALY FORMATS — 20 L • 23 L

BODY — 5 ALCOHOL — 12.6% AROMA — FLORAL, FRUITY, HERBACEOUS
This popular variety presents a subtle black currant nose along with a floral touch and a hint of assorted peppers. Its mellow tannins and soft finish present a pleasant initial attack with remarkable staying power.

MONTEPULCIANO | ITALY FORMATS — 20 L • 23 L

BODY — 5 ALCOHOL — 12.8% AROMA — FRUITY, HERBACEOUS
This deep ruby wine with violet reflections provides a distinct aroma of raspberry with a hint of herbs. It is a full-bodied wine that holds a strong potential for ageing yet it is surprisingly pleasant and smooth when drunk young. This wine is truly fruity and well structured leaving a wonderful impression for all connoisseurs.

NEBBIOLO | ITALY FORMATS — 20 L • 23 L

BODY — 5 ALCOHOL — 12.5% AROMA — FLORAL
Originating in the Piedmont region in northeastern Italy, the Nebbiolo grape has a reputation like no other. It makes wines with characteristics that individually are not always considered desirable, but brings them together magically. The nose develops an aroma of tar and a floral touch of violets. On the palate, the acidity and tannins are ever present making this a wine that really comes into its own when paired with food.

NERO D'AVOLA | ITALY **FORMATS — 20 L • 23 L**

BODY — 5 ALCOHOL — 12.3% AROMA — EARTHY, FRUITY
Native to Sicily, it has become one of the island's best-known red varieties. Nero D'Avola is capable of producing wines of great distinction with complexity, richness and texture that are capable of aging for many years. The predominant bouquet is of ripe black cherries with a hint of underbrush and an ever so slight ripe banana nuance. Has great potential for oak aging.

PINOT NOIR | CALIFORNIA **FORMATS — 20 L • 23 L**

BODY — 2 ALCOHOL — 12.6% AROMA — FRUITY, HERBACEOUS
The Pinot Noir is of an intense ruby red color presented with a solid acidity. Providing the palate with a blend of ripe cherry flavors and herb notes, this wine expresses itself with elegance as its smooth attack ensures a long lingering finish.

RUBY CABERNET | CALIFORNIA **FORMATS — 20 L • 23 L**

BODY — 1 ALCOHOL — 12% AROMA — FRUITY, HERBACEOUS
A cross between Carignan and Cabernet Sauvignon, it was developed in the Central Valley of California to give a high yield wine in hot climatic conditions. The must can be used to increase the color intensity in blends or it can be used to produce a light table wine.

SANGIOVESE | ITALY **FORMATS — 20 L • 23 L**

BODY — 2 ALCOHOL — 12% AROMA — FRUITY, WOODY
Sangiovese's translated name means "blood of Jove" (Jupiter) and it currently ranks second (in importance) in Italy after their Nebbiolo. Holding a bright ruby-red color, you will notice a clean attack with soft tannins as the presence of fruity ripe berries and a hint of underbrush overwhelm your taste buds.

SHIRAZ | CALIFORNIA **FORMATS — 20 L • 23 L**

BODY — 5 ALCOHOL — 11.5%
AROMA — FRUITY, HERBACEOUS, WOODY
A brand name when it comes to today's wines. Its purple-ruby flashes and violet rim along with the complexity of its bouquet brings together notes of eucalyptus and black currants. Its good acidity and rich velvety tannins provides a firm freshness. The intense red berries and black fruit matched with a smoky tint warms the palate as it follows the direction of the menthol aromas presented.

ZINFANDEL | CALIFORNIA **FORMATS — 20 L • 23 L**

BODY — 5 ALCOHOL — 12.6% AROMA — FRUITY, SPICY
Zinfandel is a varietal with an unprecedented reputation for producing dry red wines of international recognition. Flavors of spice & dark fruits add to the jammy mouthfeel of this magnificently bold wine. Can be consumed fairly young or aged in American oak for several months to amplify its smoky component.

WHITES

BLANC DES CHATEAUX | CALIFORNIA **FORMATS — 20 L • 23 L**

BODY — 3 ALCOHOL — 11.6% AROMA — FLORAL, FRUITY
This white wine presents itself as a yellow wine with golden reflections, exuding apple, orange peel, and flower aromas. A blend of peaches, citrus fruits and figs distinguish this wine, imparting a clean flavor and persistence in the mouth. Soft acidity and good alcohol levels, though not overly done, makes it a sumptuous, well-constituted wine.

CHENIN BLANC | CALIFORNIA **FORMATS — 20 L • 23 L**

BODY — 2 ALCOHOL — 12% AROMA — FLORAL, FRUITY
Cultivated in the cooler regions of South America, Australia, New Zealand and to a lesser extent in California. It has pleasant aromas of flowers, lemon and even melon. Chenin blanc is sometimes blended with other wines that have less of an organoleptic profile and that benefit from its high acidity, which make it a fresh, crisp wine. A good wine to cellar.

GEWÜRZTRAMINER | NEW YORK **FORMATS — 20 L • 23 L**

BODY — 3 ALCOHOL — 12% AROMA — FLORAL, FRUITY, SPICY
Having a pale yellow with straw-colored highlights, this wine holds a perfume of delicate spicy floral fruit, namely grapefruit. You will notice a lasting appeal on your taste buds as the citrus hints add for a well-balanced tasting wine.

MOSCATO | CALIFORNIA **FORMATS — 20 L • 23 L**

BODY — 1 ALCOHOL — 11.8% AROMA — FRUITY, NUTTY
The grape is cultivated in temperate regions of Greece, Spain, Australia and California. Regardless of its origin, the Moscato's unique smell and taste are easily recognized. It is distinct because of its concentration of aromas of musk and peach and apricot. It can also be made as a desert wine...a sensation!

PALOMINO | CALIFORNIA **FORMAT — 20 L**

BODY — 2 ALCOHOL — 12.3% AROMA — FRUITY, NUTTY
This is the grape that is used in Spain to make the famous Sherreries. As a table wine, the Palomino does not have very distinctive organoleptic qualities, but when used to produce Sherry, the result can be very special.

PINOT CHARDONNAY | CALIFORNIA **FORMATS — 20 L • 23 L**

BODY — 5 ALCOHOL — 12.6% AROMA — FRUITY
This is one of the world's most full bodied white wines and has hints of tropical fruits, both in the bouquet and in the rich mouth feel. This wine responds very well to oak aging.

PINOT GRIGIO | ITALY **FORMATS — 20 L • 23 L**

BODY — 3 ALCOHOL — 12.6% AROMA — FRUITY, SPICY, WOODY
This Italian favorite that holds a yellow straw color with a tint of green has a refreshing feel whose medium body provides a slightly spicy and smoky perfume to be enjoyed by all. On the palate, you will experience a rich, complex and refined citrus flavor that is accompanied with a hint of nuts. Chill for more excitement and enjoyment.

RIESLING | NEW YORK **FORMATS — 20 L • 23 L**

BODY — 1 ALCOHOL — 12% AROMA — FRUITY
A nice bright yellow with slight green highlights can only be found within a true Riesling. It is crisp and fresh with aromas of apples and apple blossoms with a lime/lemon hint. This wine has a fresh attack along with a lively finish. Savoring it ice cold is truly perfect on a warm summer night.

SAUVIGNON BLANC | CALIFORNIA **FORMATS — 20 L • 23 L**

BODY — 2 ALCOHOL — 12.4% AROMA — FLORAL, HERBACEOUS
Straw yellow in color with emerald highlights, this wine unveils a herbaceous nose accompanied by flowery undertones. You'll experience a lively wine that is crisp, light, and clean, the only characteristics that are truly important in any white wine.

THOMPSON MIX | CALIFORNIA **FORMAT — 20 L**

BODY — 1 ALCOHOL — 11.3% AROMA — FRUITY
A Sultana varietal, introduced into California by William Thompson. It has a relatively neutral organoleptic profile without any particularly redeeming features, which makes it especially useful as a blending must.

TREBBIANO | ITALY **FORMATS — 20 L • 23 L**

BODY — 1 ALCOHOL — 12.3% AROMA — FRUITY
Being light amber in color with reflections bordering on golden, its fruity character holds great acidity. It is extremely fresh and exuberant, while holding good alcohol levels. Suited for many occasions, you will fall in love with its lively and fresh character.

ROSÉS

GRENACHE | CALIFORNIA **FORMATS — 20 L • 23 L**

BODY — 1 ALCOHOL — 11.8% AROMA — FRUITY, SPICY
Originating from Spain, North Africa, Australia and California. Although often used in blends with darker reds the Grenache is a light well structured wine with low tannins.

MISSION | CALIFORNIA **FORMAT — 20 L**

BODY — 3 ALCOHOL — 12.3% AROMA — FRUITY
The Franciscans planted Mission vines in California as they migrated north from Mexico. This varietal gives a rosé-style wine with a good alcohol level and medium body. Quite unpretentious, it is generally blended with other varieties.

ZINFANDEL BLUSH | CALIFORNIA **FORMATS — 20 L • 23 L**

BODY — 1 ALCOHOL — 12.6%
AROMA — CARAMELIZED, FRUITY, SPICY
A light wine with a delicate pink hue with a light cherry flavor, it is a California wine made from the red grape, Zinfandel that is given minimal skin contact. The skins are removed from the juice soon after pressing to avoid color transfer and the resulting wine is very low in tannin and consumable when quite young.
