**"A BEACON OF FREEDOM FOR EMERGING LEADERS."**

**Mission Statement:**

The mission of James Bradley University is to be a beacon of freedom for emerging leaders. We strive to prepare scholars for career & service readiness through faith-based education, followed by teachings of disciplined discipleship & Christ-like values.

**School Motto:**

"Be devoted to one another in love. Honor one another above yourselves." ROMANS 12:10 (NIV) This scripture instills in our students the ability to be selfless servants of Christ to all those we encounter in sharing the gospel.

**What We Believe and Teach We believe in:**

- + The salvation of Jesus Christ who died for our sins
- + The divine discipleship amongst the community of missionaries
- + The confession of sin as people of God we are never perfect like Christ
- + The proclamation of the Word of God

Further, the institution expects its faculty, regents, and students to adhere to Christian ideals, a high standard of scholarship, and the New Testament concept of Christian love and brotherhood.

The institution will endeavor to educate those who enroll in its classes to cling to the faith and to spread the Gospel so that all will be saved. The courses of study are designed solely to render men and women capable servants of God. To that end, the chief emphasis of the College is on the teaching of the Bible. Related subjects are taught which help increase the efficiency of the individual in the proclamation of the Gospel.

**Affiliation:**

James Bradley University is autonomous; however, we share in the fellowship of nondenominational Christian Churches & Southern Baptist Church (independent). We are committed to the principles of the Restoration Movement. The college is primarily supported by contributions from congregations and concerned individuals.

**Location:**

James Bradley University has an administrative office located at 6844 Bardstown Rd. Louisville, KY, 40291.

**Chapel:**

Chapel is considered to be a part of a student's regular curriculum and part of the Christian Service requirement. Services are developed to meet students' needs and are intended to truly be an inspirational time. Speakers include visiting ministers, faculty members, missionaries, etc. All students are expected to be in attendance when they have a class immediately before or immediately following Chapel. Students living in college-provided housing

are required to attend all chapel services. Students are also expected to attend other special school-sponsored activities.

### **Student Life:**

The administration desires to cooperate with the students to promote a wholesome and pleasant student life and a cordial relationship between the faculty and the student body. Wise counsel and guidance will always be available to the student needing assistance of any kind. Students are expected to follow the dress, behavioral, and other guidelines as found in the Student Handbook. These may be obtained from the Dean of Academic's Office.

Various recreational items are available for the students' relaxation. Additionally, there is an outdoor basketball court for impromptu games. All students are encouraged to participate in campus life in order to establish a support group of students and faculty who may be of aid in current studies and in future ministries.

### **Special Programs:**

Special Programs such as lectureships and banquets are held annually. Experts in various areas of Christian service are selected to serve as guest speakers during these events. Alumni, former faculty, and friends of the institution all return to share in a time of fellowship, special recognition, and continuing education. All students are expected to attend these sessions. Some classes will require attendance and participation as a part of their semester assignments.

### **Alumni Association:**

The Alumni Association of James Bradley University is composed of graduates and/or former students. The association has published "Living Records", which included alumni news and the history of the College. Dues go to help finance projects for the betterment of JBU. In an effort to maintain contact with the school and each other, they meet throughout the year at such events as graduation. They feel strongly that the ties and relationships made here as a student should last a lifetime.

### **Authorization:**

James Bradley University currently operates as an In-State Religious College in the Commonwealth of Kentucky and has been verified by the Kentucky Council on Post-Secondary Education through a letter of exemption on file with them. However, the institution's greatest authority for operation is the confidence and support of the congregations of Christian Churches/Churches of Christ who continue to depend upon this institution to provide trained personnel for local church leadership, missionaries, etc.

## **DEGREES AND CERTIFICATES**

### **Requirements:**

James Bradley University grants the degrees & diplomas. The granting of all degrees or certificates is subject to the following terms and conditions:

- 1) All entrance requirements must be submitted before the student's acceptance. These requirements include: a high school transcript or its equivalent, a completed application, application fee, references, a current photograph, college transcripts when applicable, etc. The student must be officially accepted before starting a second semester. (Exceptions to these rules may be made only by the Academic Committee.)
- 2) Certificates and degrees will be granted upon the completion of required semester hours of work per the class requirements as outlined in sections 3, 5, and 6 below.
- 3) An overall grade point average of 2.00 or above ("C" or above) is required for graduation. A minimum of 32 semester hours (one year) of work must be taken in residence at James Bradley University. (For one or two-year undergraduate programs, 16 semester hours of work from JBU are required. For graduate programs, 18 hours are required from JBU.)
- 4) The Master of Sacred Literature degree program is open to all college baccalaureate graduates; however, it is best suited to Bible college graduates. Liberal arts and university graduates may take this degree by fulfilling prerequisites. The M.S.L. will be awarded after the completion of 30 additional hours and an acceptable thesis in most areas of concentration or 36 hours of additional work. The student may opt to work on the thesis after discussion with the Academic Office.
- 5) The thesis for the Master of Sacred Literature degree, worth six credit hours, is written in the student's concentration area under the guidance of his or her faculty supervisor. The thesis is typically 100- 200 pages in length and conforms to the Chicago Manual of Style. It addresses a limited subject in a thorough and organized manner, thereby demonstrating the student's research and writing skills as well as the subject's application for ministry. The thesis is read and graded by the student's faculty supervisor and a second faculty member. The student generally enrolls in GEN 510 Thesis Research during the semester in which he or she completes the thesis; however, the student may enroll for two semesters of Thesis Research. This is primarily to spread the cost of the tuition over two semesters. If a student enrolls for two semesters of Thesis Research, he or she will be given a grade of Satisfactory (S) or Unsatisfactory (U) for the first semester while being charged for three (3) hours of tuition. The second-semester grade will reflect all six hours of credit, but the student will again be charged for three (3) hours of tuition. Specific guidelines for researching and writing a thesis are available from the Academic Office.

All classes must be taken for graduate credit. Each M.S.L. student will be expected to complete more class work than the non-graduates if taking the same class. Arrangements for this work will be handled by the Professor and student. For more details, contact the Academic Office.

- 6) Any student enrolled in a degree program and/or all on-campus students will be expected to serve in some form of Christian Service during each semester of their college careers. Failure to fulfill this requirement may result in the student being placed on Behavioral Probation or expelled. The Board of Regents of James Bradley University may refuse to grant a degree to anyone who fails to satisfactorily complete this requirement.
- 7) Electives in any year of study may be selected from courses suited to the student's stage of advancement and are subject to the approval of the President, Academic Dean, and/or Registrar.
- 8) Candidates for degrees must possess good Christian character and must uphold the spiritual standard and purpose of James Bradley University. The Board of Regents of James Bradley University may refuse to grant a degree to anyone who does not comply with these Christian principles.
- 9) All financial obligations to the College must be met before a degree will be granted or a transcript issued.
- 10) Students are required to fulfill their degree requirements of the current catalog in a 6-year period. If a student fails to complete it in the necessary time, their credits will be applied to the degrees of the current school year catalog. An appeal can be made to the Academic Committee.
- 11) Students must attend graduation exercises to receive degrees or certificates. Under extreme extenuating circumstances, some students may be granted degrees in absentia; however, requests must be made in writing to the Academic Office no later than four weeks before the date of graduation. The Board of Regents must grant final approval.

### **Financial Policy**

In order to be good stewards in God’s service, James Bradley University has adopted a financial policy, which will keep us financially solvent while providing a quality education at an affordable price. Upon registration for class(es), a student may pay all or part of the total cost of taking classes. This includes registration fees, technology fees, tuition, and any other fees, that pertain to the student’s matriculation and graduation. Students who only partially pay will be billed monthly for the remaining amount due. A student may register for one (1) additional semester of classes with an outstanding balance from the previous semester. All outstanding student debts are to be paid in full within one (1) school year of the time the debt was assumed (i.e. a fall semester debt must be paid before registering for the next fall semester; a spring semester debt must be paid before registering for the next spring semester). Students may apply for scholarships to help pay their student accounts. Students who indicate a church is paying for the student account must provide JBU with a verifiable contact person through whom JBU may work regarding the student account. Until such contact is provided by the student and confirmed by JBU, JBU will bill the student directly, and the debt remains upon the student. All student debts must be paid before graduation.

### **Tuition and Expenses**

A one-time application for an admission fee of \$35.00 is required and is nonrefundable. A semester registration fee is required of all students, both for credit and audit students, who are taking classes on campus or online at the time that they register for classes. This fee is a one-time per semester charge regardless of the amount of classes that are taken. Outreach students are not required to pay this fee. This registration fee is non-refundable and is payable as follows:
