To All OPP-policed Municipalities

Re: Distribution of Police Record Check Revenue to Municipalities

In June 2022, the Ontario Provincial Police (OPP) centralized the police record check process by transferring the responsibility for the process from detachment staff to an Online Police Record Check Unit (OPRCU). The centralization of the police record check process eliminates the need for detachment staff to perform duties associated with the police record checks, with the exception of fingerprinting. This OPRCU has been staffed by reinvesting numerous administrative detachment positions from across the province. The change in staffing at OPP detachment locations will be captured in the overall municipal policing cost-recovery in accordance with the terms set out in *Police Services Act*, Ontario Regulation 267/14.

Historically, the revenue generated from detachment staff completing record checks for municipal residents has been credited back to the applicable municipalities. With the reassignment of the police record check workload to the OPRCU, there will be a gradual reduction of the revenue provided to municipalities, except for the revenue for fingerprinting. Fingerprinting remains a detachment responsibility and, therefore, the revenue for conducting fingerprint services at the detachments will continue to be allocated to municipalities. The gradual reduction of police record check revenue (not related to fingerprinting) will be accompanied by the introduction of some cost savings for municipalities resulting from the impact of reinvesting some detachment positions into the OPRCU. This will provide municipalities with an extended period of time to make appropriate adjustments to any impacted financial plans.

OPP-policed municipalities will continue to receive police record check revenue in 2023 and 2024. Commencing in 2025, the revenue will be reduced by 25% per year. In 2028, OPP-policed municipalities will cease to receive police record check revenue associated with police record checks processed by the OPRCU. Municipalities will continue to receive revenue for fingerprinting services provided at the detachment.

The OPP will continue to deliver adequate and effective policing services while focusing on meeting the municipalities' unique policing needs.

ANNUAL REPORT 2025

PART 1

The Ontario Community Safety, and Policing Act (CPSA) was passed in 2019 and came into effect on April 1, 2024. Under this legislation, The West Parry Sound OPP Detachment Board was formed and is composed of one member from each of the following municipalities and First Nations: Henvey Inlet First Nation, the Township of Carling, the Municipality of McDougall, the Township of McKellar, the Township of Seguin, the Township of the Archipelago, the Municipality of Whitestone and the Town of Parry Sound. Two additional members are jointly appointed by the above municipalities and the First Nation. These individuals must not be members of a municipal or band council, nor employees of any of the participating municipalities or the First Nation. The final two members are appointed by the Provincial Minister.

Section 68 of the CSPA sets out the rules, responsibilities and governance structure of the board. Among these responsibilities is the requirement to submit an annual report to the participating municipalities and band council by June 30 of each year. As this board was only established in October 2024 it is still in the early stages of development. The following report outlines the progress and activities of the board from October 16, 2024, to May 2025.

LEXICON:

CSPA - Community, Safety and Policing Act

DB – Detachment Board

DC -Detachment Commander

TOC – Township of Carling

WPSOPPDB – West Parry Sound Ontario Provincial Police Detachment Board

OPC – Ontario Police College

APSB - Association of Police Service Boards

RAP – Rules and Procedures.

BOARD STRUCTURE

The Ontario regulation 135/24 under the CSPA outlines the composition of the new detachment board for the West Parry Sound OPP detachment area. This board is to be comprised of seven municipal representatives, and one representative from Henvey Inlet First Nation, two appointed community representatives and two Provincial appointed representatives. At present, there are vacancies for both the community appointed representatives and provincial appointed representatives. Eligible applicants have submitted applications for the two community representative positions which are currently under review. In addition, the provincial appointments have not occurred.

Initially it was agreed by the Board that the Municipality of McDougall would provide the administration for the board however, in April 2025 there was a transition to the Township of Carling.

The DB's administrative functions are supported by the Chief Administrative Officer – Municipal Clerk / Treasurer who serves as the Board Secretary and Treasurer, as well as a Recording Secretary who assists with meeting documentation and coordination.

Attached to the report is the role and responsibilities of the board.

ADMINISTRATION AND INFORMATION TECHNOLOGY

We plan to develop a record management and retention policy long with and organized filing system to ensure the proper storage and accessibility of DB records.

BOARDS MEETINGS

The appointments to the DB have been made in accordance with the eligibility criteria set out in the CSPA. The appointed board members were required to undergo a criminal record check which was filed in the DB records. Additionally, the appointed members have successfully completed all the mandatory training provided by the OPC.

All appointed members have taken the oath/affirmation of office and prescribed code of conduct. The signed documents have been filed in the DBs official records.

As previously stated, the rules and procedures established under section 46 of the CSPA outline the operational framework of the board. A copy of these procedures is attached to this report. Once approved by the Board, the annual report will be filed on the Municipality of McDougall's website. We are intending to create a specific DB website in the future to enhance accessibility and transparency. As stated earlier, the board is still in the early stages of development and is working towards meeting all the requirements set out in the CSPA.

In accordance with legislative requirements a Chair and Vice Chair have been elected or acclaimed for the 2024 and 2025 term.

Board meetings are held quarterly on the fourth Thursday of the month. As of April 2025, public meetings are now being held at the Township of Carling

Council Chambers, beginning at 7:00 P.M. Special meetings may be called at the request of the chair as needed.

Distance and availability of members were factors in the board's decision to hold hybrid meetings. One meeting was held in 2024 and three meetings were held in 2025 to support the timely completion of the annual report and the review of the draft 2025 budget in accordance with legislative requirements.

The DC has been in attendance for all board meetings and has provided statistical reports for the West Parry Sound area, engaging in meetings and offering updates on current policing initiatives. The strategic plan currently in place spans from 2023 through the end of 2025.

COMMUNICATIONS

The meeting agendas and minutes are posted on the Municipality of McDougall's webpage until a specific DB website is established.

The Board has expressed strong support for the Crisis Mobile Response Team (CMRT) initiative which is a newer program that the local detachment is operating in the area. This initiative pairs a mental health worker with a police officer to respond to individuals in crisis, ensuring timely, compassionate and appropriate support. The team provides ongoing referrals and support as needed. A joint deputation was presented to the Board outlining the program's objectives and outcomes. CMRT members are currently in the process of providing deputations to the municipal councils and Henvey Inlet First Nation explaining the program. This program appears to be making a positive impact in helping to reduce crime rates, lowering calls for service and contributing to the overall safety and well-being of the community.

FINANCE

All member municipalities have agreed to equally share the financial cost associated with operating the Detachment Board.

The 2025 budget was reviewed by the board and approved in principle; however, it is still pending formal approval from the municipal councils and the Henvey Inlet First Nation.

The Board has reviewed liability insurance and has selected a provider to ensure appropriate coverage for board members.

Council board members and First nation representatives do not receive additional compensation for their participation on the board.

FUTURE PLANS

There is still significant work ahead as the board continues to build its foundation. The process to develop a new strategic plan will begin in the near future.

The board intends to review and establish appropriate remuneration for the provincial and community representatives on the board. In addition, ongoing effort will focus on enhancing administrative processes, information technology systems and the development of local policies to support effective governance. A key priority will be to ensure clear and consistent communication about the Board's operation, roles, and responsibilities while maintaining a transparent and accountable budgeting process.

Message from the Detachment Commander

I am pleased to present the West Parry Sound Detachment – 2024 OPP Detachment Board Annual Report. This report includes crime, traffic enforcement and community well-being data, and highlights initiatives and successes from the past year. 2024 represents the midway point of the West Parry Sound Detachment 2023-2025 Action Plan and this report provides updates on our progress in meeting our Action Plan commitments.

I am proud of the work undertaken by our detachment. In 2024,

- The OPP saw an increase in illicit drug activity and responded by enhancing targeted enforcement initiatives, increasing patrols in high-risk areas and collaborating with specialized units to disrupt trafficking networks
- We maintained our commitment to traffic safety by prioritizing enforcement efforts, targeting dangerous and impaired driving. As a result, we observed a 50% decrease in related incidents.
- We saw an increase in drug charges and responded by conducting targeted enforcement initiatives, increasing patrol presence in high-risk areas and strengthening partnerships with specialized units. These actions helped disrupt local trafficking activity and enhanced community safety.
- We maintained our commitment to traffic safety and prioritized impaired driving and aggressive driving enforcement. This resulted in a notable increase in charges laid and proactive stops, reinforcing our dedication to safer roads throughout the detachment area.
- Based on concerns from community members, we increased community patrols in the Parry Sound downtown. This resulted in greater police visibility, a reduction in calls for service and improved community engagement and trust.
- In response to repeated concerns regarding loitering, drug activity, we intensified proactive patrols in the downtown area of Parry Sound. As a result, officers were able to identify and address recurring problems more effectively.
- We continued to leverage technology, including In-Car Cameras, ALPR, to support the collection of evidence, increase transparency and enhance public and officer safety.
- We worked alongside our policing partners, including municipal, regional and First Nations police services, to support cross-jurisdictional initiatives, such as joint traffic enforcement blitzes, coordinated drug investigations and shared intelligence efforts targeting organized crime.
- We partnered with community-based organization Canadian Mental Health Association (CMHA), to develop/implement co-response models that enhanced our ability to respond to mental health-related calls.
- The Offender Management Program offered several key benefits for the West Parry Sound detachment. Its primary goal is to reduce reoffending and enhance community safety through proactive supervision, intervention and support. We had the ability to target individuals at high risk of reoffending, using evidence-based strategies to reduce their likelihood of committing further crimes.

In 2025, we will be working with the West Parry Sound OPP Detachment Board to form the 2026-2029 West Parry Sound Detachment Action Plan. This work will include engaging with community members to ensure the needs of the communities we serve will be reflected in the commitments we make. Development of the 2026-2029 West Parry Sound Detachment Action Plan will coincide with the creation of the 2026-2029 OPP Strategic Plan to ensure organizational alignment and support.

The West Parry Sound Detachment – 2024 OPP Detachment Board Annual Report begins to bridge the gap between *Police Services Act* (PSA) and *Community Safety and Policing Act* (CSPA) reporting requirements. In collaboration with relevant OPP program areas, working groups and West Parry Sound OPP Detachment Board, this report will continue to develop in the years to come to include content from the OPP Detachment Board Chair(s) and additional data and updates from the OPP.

From detachment administrative staff to frontline uniform members to specialty units to supervisors, our members continue to serve with pride, professionalism and honour. As we anticipate future challenges and opportunities for policing and community safety, we remain dedicated to our mission of serving our communities by protecting citizens, upholding the law and preserving public safety.

West Parry Sound OPP continues to explore co-response strategies to address non-police-related service demands that impact frontline resourcing. Initiatives such as online reporting, the Mobile Crisis Response Team (MCRT) program and the SAFECAM initiative are key examples aimed at ensuring appropriate responses, while enhancing overall community safety and service efficiency

Other Community Updates

- In response to current crime trends and community concerns, the West Parry Sound Detachment prioritized crime prevention initiatives with a focus on fraud prevention. We collaborated with community partners, including the Canadian Anti-Fraud Centre, to enhance public awareness and education—particularly around issues such as elder abuse.
- In response to concerns from community members, the West Parry Sound Detachment increased patrols in designated Community Safety Zones. This proactive approach led to an increase in charges, a reduction in calls for service and positive feedback from residents and local businesses who reported feeling safer.
- West Parry Sound Detachment Emergency Response Team (ERT) members from West Parry Sound and across the Region recently led Grade 11 and 12 students through the ERT Task-Specific Standard fitness test. This popular annual event, held once or twice a year, is always well received by the students. The primary focus is on building strong interpersonal relationships, while promoting physical fitness and encouraging teamwork.
- West Parry Sound Detachment ERT members, the Crime Unit and the Administrative Sergeant from West Parry Sound attended a gathering on the WPSHC grounds focused on strengthening relationships with local First Nations communities. This meaningful event was part of our ongoing journey toward reconciliation and building trust through open dialogue and collaboration.
- West Parry Sound Detachment members visited Henvey Inlet First Nation to deliver a fraud awareness presentation to community members. The session was held in preparation for the upcoming distribution of the Robinson Treaty Funds, with the goal of empowering residents to recognize and prevent financial scams.
- Recognizing the growing need for mental health supports, the West Parry Sound Mobile Crisis Response Team (MCRT) officer and clinician partnered with the CEO to attend various community events, including Seniors' and Health Awareness Day. These engagements provided an opportunity to connect with residents, raise awareness and promote available mental health resources.
- The West Parry Sound OPP actively participates in the Parry Sound Downtown Experience Committee meetings. These meetings focus on addressing community concerns related to minor theft, the rise in illicit drug use and overall public safety. By working collaboratively with local partners, we aim to develop effective strategies to enhance the safety and well-being of our citizens.

Policing Hours

The OPP has developed a Service Delivery Model (SDM) in response to several reviews and audit recommendations. The SDM is designed to:

- Promote officer wellness through balanced workloads
- Determine adequate staffing levels at each detachment
- Ensure the continued delivery of adequate and effective policing services in accordance with the Community Safety and Policing Act (CSPA).

To implement the SDM, the OPP has submitted a seven-year staffing strategy to address required increases in detachment personnel. This model supports the OPP’s ability to:

- Respond rapidly to increasing calls for service
- Maintain safe communities through proactive patrols and community engagement
- Address municipal concerns about reduced police visibility

To monitor progress and guide detachment-level planning, the OPP has established time allocation targets for provincial constables (figure 1). These targets reflect how time should ideally be distributed by the end of the seven-year strategy.

The targets are based on a provincial average and variations are expected between detachments due to differences in geography, operational structure, recruitment and other absences.

In the short term, detachments may face challenges in achieving these targets. Continued improvements in scheduling tools, data integrity, and strategic deployment will support progress toward these goals.

Do not use this system if this is an emergency! If it is, call 9-1-1.

9-1-1 is for police, fire or medical emergencies only.

Accidental, hang-up or abuse of 9-1-1 calls tie up emergency lines, communicators and officers which could result in the slower response to a real emergency, risking the safety of people who need urgent help.

#KnowWhenToCall

If you've dialed 9-1-1 in error, stay on the line. Your call will be connected to police. Answer all questions asked by the communicator. This eliminates a lengthy follow up process that may lead to officers attending your location to ensure your safety.
