*AWARE is working to reduce the euthanasia rate of adoptable animals in North Carolina.*

Adoption is not the complete answer. AWARE's spay-neuter programs **have prevented the births of THOUSANDS of kittens and puppies** to address the heart of the problem.

*Our goals:*

- Provide spay/neuter vouchers for residents of Chowan, Gates and Perquimans counties
- Increase save rates at the Tri-County Animal Shelter in Tyner, NC
