OUR MISSION

The Brain Injury Association of New Hampshire's mission is to create a better future through brain injury prevention, education, advocacy, and support.

DID YOU KNOW....

Brain injury is the number one cause of death, disability, and hospitalizations for New Hampshire children, teens, and young adults.

(NH CDC Hospital discharge data)

PREVENTION IS THE ONLY CURE!

HOW YOU CAN HELP!

Come join our Walk by the Sea along Hampton Beach State Park-South Beach. It is the one time during the year when the whole brain injury community comes together to celebrate our accomplishments and share a fun day at the shore. This annual event helps us to continue our efforts to create more public awareness about the "silent epidemic" and ultimately fulfill our mission.

If you are unable to attend, you may show your support by pledging to a friend or sending a donation to BIANH.

**100% OF YOUR PLEDGE DOLLARS

*Please help us walk, run, roll, or
bike our way to success!*

FORMING A TEAM

Organizing a team is an easy and fun way to participate. Your team can be as few as 3 and can include family, friends, neighbors, and co-workers.

PARTICIPANTS/FAMILIES: Please register each participant at \$20.00/person.

PROVIDERS/BUSINESSES: Team captains of providers/businesses should register at a minimum of \$300. After the team captain registers the team and has paid the \$300 fee, all members of that team may register free of charge. Donations to the team are encouraged.

Be creative! There are prizes for the team that shows the most team spirit, has the most original name, the most walkers, and for raising the most money.

Prizes will be awarded only to pre-registered teams and will be based upon only money collected and turned in by the day of the walk.

Share your fundraising information on social media!
