

September 2026

**September is our month in the
Hannaford Helps Reusable
Bag Program!**

Every \$2.50 Community Bag bought
at the Concord Hannaford store will
send us a \$1 donation.

Get yours today!

Starting **September 1** and for the entire month, when you purchase a \$2.50 Hannaford Community Bag at the Hannaford located at

Hannaford, 73 Fort Eddy Road, Concord, NH,

\$1 is donated to the Brain Injury Association of New Hampshire

When you purchase a shopping bag designated for the Brain Injury Association of New Hampshire, your purchase is used towards our supports and services to help individuals living with a brain injury and their families. Brain injury is the leading cause of death and disability for children and young adults in New Hampshire – more than all other causes – and injury prevention is the only cure. We strongly encourage you to share this news with family and friends as well. The Hannaford Community Bags are located on displays around the store and at the checkout. For more information about the program, please visit hannaford@bags4mycause.com

Thank you for your support,

Steven D. Wade
Executive Director
Brain Injury Association of New Hampshire
