National organizations for vision rehabilitation education and information for patients and providers:

- 1. American Academy of Ophthalmology (AAO)**
Association of eye physicians and surgeons.
www.aao.org
- 2. American Optometric Association (AOA)**
Professional organization for doctors of optometry.
www.aoa.org
- 3. American Foundation for the Blind (AFB)**
Advocacy and education for blindness and low vision.
www.afb.org
- 4. National Eye Institute (NEI)**
Part of the U.S. National Institute of Health. NEI supports vision research and provides education for family and providers on common vision conditions.
www.nei.nih.gov

Locate a provider:

- 1. Academy of Certification in Vision Rehabilitation and Education Professionals (ACVREP)**
Private organization that certifies vision rehabilitation providers. Locate a certified provider on their website.
www.acvrep.org
- 2. College of Optometrists in Vision Development (COVD)**
Optometrists trained in vision rehabilitation across the lifespan. This training is in addition to the OD degree. COVD's often work with clients post neurological injury. Locate a certified provider on their website.
www.covd.org
- 3. Neuro-optometric Rehabilitation Association (NORA)**
Professional association for providers of neurological visual impairments. Locate a member on their website.
www.noravisionrehab.org

Reputable sources for vision rehabilitation continuing education:

1. AOTA Foundation Badges

Continuing education courses to earn a "digital badge" upon completion.

<https://www.aota.org/career/continuing-education/foundations-badges>

2. MEDBRIDGE

Multiple courses by Dr. Mary Warren

<https://www.medbridge.com/educate/instructors/mary-warren-occupational-therapy-vision-rehabilitation>

3. Lighthouse Guild

Low vision courses and printable information for patients.

<https://lighthouseguild.org/technology-and-resources/low-vision-resources/>

4. Envision organization

Annual conferences and education opportunities.
