

TO: ALL Brain Injury Association of New Hampshire Support Group Facilitators

FROM: Steve Wade, Executive Director
Brain Injury Association of New Hampshire

In an effort to help prevent the potential spread of **Corona Virus (COVID-19)** in our communities and after careful consideration, effective immediately, all Brain Injury Association of New Hampshire support group meetings will be suspended until further notice. Ellen Edgerly will be in contact with you when we believe it is appropriate to restart support groups.

Please contact Ellen at 603.834.9570 for help in disseminating this information to support group attendees and/or if you have any questions.

Thank you.
