**Wednesday
August 9, 2023**

**THE OAKS GOLF COURSE
100 Hide-Away Place
Somersworth, NH**

SPONSORSHIP BOOKLET

TITLE SPONSOR

Northeast Rehabilitation Hospital Network

HOST SPONSOR

Robin Hill Farm

On behalf of the Northeast Rehabilitation Hospital Network, we wish to extend an invitation for you to partner with us in supporting the 40th Annual Charity Golf Tournament of the Brain Injury Association of New Hampshire.

This tournament provides support for brain-injured veterans and their families, helping veterans to access brain injury services in the civilian system of care to expand upon the services provided by the Veterans Administration. When our military come home, they face challenges. Unfortunately, many of those challenges spread into other parts of their lives. We work to provide assistance for veterans and their families in all areas of their lives. This support for our American heroes helps them and their families get back on course.

The Tournament also supports the NH THINKFIRST program. This brain injury prevention program features young individuals who are living with a brain injury. The speakers tell their stories at middle and high schools, focusing on how one poor decision can change a life forever.

The Defense and Veterans Brain Injury Center (DVBIC) reported nearly 414,000 traumatic brain injuries among U.S. service members worldwide between 2000 and late 2019. More than 185,000 Veterans who use VA for their health care have been diagnosed with at least one TBI. Thousands of veterans are now living with the life-long effects of traumatic brain injury.
