- I do not wish for my child to eat the snacks that Destiny Learning Center provides. I will provide my child's snacks weekly.

\*Note: Parents will provide a packed lunch, formula, anything given in a bottle, or baby food for their child. Please do not send items that have to be heated, as teachers are not permitted to warm up your child's food. If you forget your child's lunch, lunch will be provided from Bob Evans at cost of \$5.25 or on Fridays Pizza L'Appetito at a cost of \$3.00, which will be added to your tuition bill for the following week. Filtered water is given to each child throughout the day. By signing this, you give Destiny Learning Center permission to feed your child any snacks listed and release Destiny Learning Center from any responsibility for allergic reactions that may be caused from snack foods listed.
