Water Baptism

We have been created to have a relationship with our creator. When we come to a point that we understand this, we can take the first step and that is to ask for forgiveness of our sins. Once you've made a decision to follow Jesus, we believe one of the next steps of obedience is water baptism. This step allows us to show others that we have personally trusted in Jesus for salvation.

Jesus was baptized when He was on the earth, and we do it to follow His example. When Christians are baptized, they are submerged under water to identify with the death and burial of Jesus and raised out of the water to identify with His resurrection.

Baptism says:

- **You are a follower of Jesus.** No matter what, you are now following Christ in the new life. Don't let anything stand in the way of your life.
- **You are beginning a changed life in Christ.** Let your friends know of your decision. We are living in a society where people are expressing their true feelings. You also, let everyone know where you stand in Christ.
- **You are part of a new family.** Today we welcome you to the family of Christ! Today, you are my brother, you are my sister. We are family in Christ. We need to be there for each other. We can pray for one another. We are not a perfect family. But no church is, just like there is no perfect (blood) family. But God has put us together for a reason.
- **You now belong to the local Body of Christ, the local church.** We are going through a difficult time during this pandemic, but do not forsake the gathering with other Christians. Make a special effort to attend the church services whenever possible. This is how we grow. Hearing the Word, praying together, fellowshiping. Your giving to advance His Kingdom is essential. Everyone should do his/her part. Bring your tithes, give your offerings and always do it with joy. God will supply all your needs according to His riches in glory.
- **Enjoy your new life in Christ and be greatly blessed!**
