## A New Hope Words From Pastor Sam

The Queen of England, this week, when she addressed the nation, reassured the nation that **“coronavirus will not overcome us”**. And she adds, **“Easter is not cancelled but new hope and fresh purpose of the festival (Easter) was needed more than ever.”**

On that first Easter, the followers of Jesus Christ had lost all hope because on Friday their Lord had been crucified. The pain was unbearable. There was now confusion, doubt and even misery. What would happen now? Where would they go? Was this really happening? It is a sad thing when you lose all hope.

Satan thought: “I have won the battle! I have destroyed the One person who could save humanity.” There is always an invisible enemy who tries hard to defeat us. The Word of God says (John 10:10) “the thief (Satan) has come to steal, kill and destroy; I have come that they may have life, and have it to the full.”

Our own President Donald Trump asked the American nation to pray in the fight against “the invisible enemy.” Preachers and Pastors across the globe are saying through social media, “It’s time to repent!”. It seems like God has literally taken the church out of the four walls and is saying to us, **“This coronavirus will not defeat you – you will overcome!”** This Easter there is New Hope! Hope in Jesus Christ! He wants us to truly celebrate a NEW HOPE. Put Him back in your life. Put Him FIRST in your life. It’s called FIRST LOVE. No matter what we go through, you can count on Jesus. As dark as death can be— especially to those suffering with grief, life in Jesus Christ is greater. Please take time to reflect our relationship with family, friends and especially with God. Please,... mend broken relationships. Tomorrow is not promised. But today...**God is giving us all, a new hope.**

Please include in your prayers all those who have been affected by the coronavirus, their families, all first responders, health care givers, our President, and all who are working around-the-clock to try and stop this virus. Let's cry out to God in repentance, asking our Lord to forgive our nation and heal our land.

## A Historical Day

## Neustria's Condolencias.....

Pedimos las oraciones por la familia Muñiz. Gregorio Muñiz, Jr. hermano de Johnny Muñiz, Josie Luna y Anita Pérez, paso para estar con el Señor el día Viernes (Abril 10). Nunca es fácil perder un ser querido, pero especialmente en estos días que no puede haber mas de 10 personas en un lugar, esto lo hace mas difícil. Oremos por toda la familia.

## Gracias por sus Donaciones

Con todo lo que esta pasando y la suspension de servicios, todas las Iglesias estamos sintiendo la crisis. Es mas, algunos de nuestros miembros han quedado sin trabajo y no sabemos por cuanto tiempo. La Iglesia necesitamos orar. Es importante no perder la fe. Saldremos de esta crisis como hemos salido de otras. Lo importante es mantener nuestra confianza en el Señor. El Señor también nos prueba. Seamos fiel en nuestros diezmos y ofrendas. Esto es una parte muy importante en nuestro caminar en el Señor. Puede pasar por la oficina y dejar sus ofrendas y diezmos. O lo puede enviar por correo, o bien lo puede dar por el internet.

## Thank You For Your Donations

It really seems like a long time since we've met for a service as a congregation on a Sunday, even though this is the second Sunday we are not together as a congregation. It has been difficult for some. Standing in line at stores just to go in, having to stay at home, some not having a job, others worried about their bills, etc. The answer? TRUST IN GOD. He has not failed us and never will. But in the mist of it all, be faithful to Him. We are stewards of His blessings. "Bring ye all the tithes into the storehouse.....and prove me, ...if I will not open the windows of heaven, and pour you a blessing, there shall not be room enough to receive it." (Malachi 3:10) More than ever, let's be faithful unto our Lord. Thank you for all your support and prayers.
