Humble Prayers for Healing America

• Compiled & Edited by Crosswalk Editorial Staff

America is hurting. Pandemics, racial inequalities, job loss, and political division have caused great suffering. We are called to be salt and light on the earth. As Christians, we can begin healing our land through prayer and action. Let us come together not just by words but a faith that produces works. The love and grace of God can begin turning the tide of America.

We look to You and to You, only, Lord. Help us make wise decisions that move our country in the right direction. Help us to do our part in praying and in staying with what we know is right according to the truth of Your Word. Teach us to make our actions count and our words matter, and line them both up to Your sense of rightness, not ours. Guide us with Your eye; grip us with Your strong arm; teach us what we need to know to make our lives - and our nation - count for you.

God, We Need You

As a nation, God, help us to desire righteousness more than rights, and to mirror sacrifice more than selfishness. You know us well, and You understand our flaws. Turn those weaknesses into strengths; bathe us with Your grace and mercy, though none of us deserve it. Fill us with the boldness to choose the kind of freedom that will benefit all, rather than a few. Open our eyes to see others as You do—with godly potential and value. But help us, too, to recognize our own pride in trying to elevate ourselves and others above You and Your purpose for our lives.

We need, You, God. Oh, how we need You! You have exercised nothing but faithfulness and fairness in Your treatment of our country, even when we've turned our back on You and forgotten Your goodness to us. Your discipline at times is hard, but You are just. Your purpose is always to draw us close to You, to bless us, and to make us a great nation who honors You. You are a good, good, Father—and Your love for us has a proven track record. - [Rebecca Barlow Jordan](#)
