October 23, 2020

Dear Parents or Guardians:

Thank you for your ongoing support in following daily procedures and routine during our first nine weeks period. Your patience in the students' arrival and dismissal process has made their safety a priority. With your support, our students have also adapted to wearing masks and following new safety procedures during these times. All staff at St. Mary's Academy Charter School appreciate you!

As a reminder heading into the next 9 weeks period, please continue daily health checks with your child at home. If your child has a temperature, please keep them home for the safety of other students. Also, ensure that your child wears a mask upon arrival at school. Gates will close at 8 a.m., and any student arriving after 8 a.m. must report to the front office for a temperature check. No outside food allowed. All remote students must stay engaged. Parents of remote students only, if you have not completed the Remote Learner's Survey online, via Facebook or Remind, please complete the survey by the end of this week.

Once again, thank you for your diligent effort in following our daily procedures. If you have any questions or concerns please feel free to contact me at your convenience.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Hirma Elizondo', written in a cursive style.

Hirma Elizondo,
Principal

HE/ch
