Parents/Guardians & Staff,

St. Mary's Academy Charter School has been notified that a staff member in Mrs. Becker's classroom has tested positive for COVID-19. In an abundance of caution, all of Mrs. Becker's second grade students and staff will be sent home until Monday, January 18, 2021. Remote instruction will begin for all Mrs. Becker's second grade students Monday, January 11, 2021.

St. Mary's Academy Charter School has been deeply sanitized. All SMACS employees and students are instructed to continue to follow CDC guidelines, recommendations and to practice social distancing.

Based on the information that we have gathered, it has been determined that the end of the 7 day incubation period for anyone possibly exposed on campus to the staff member is Monday, January 18, 2021.

We advise you to monitor your health, follow the [CDC guidelines for people who have had close contact](#) and contact your primary care physician if you develop symptoms.

SMACS is continuing to monitor this situation and will provide additional information as needed. We hope for a successful recovery.

Sincerely,

Stan Simonson
