### Kindergarten

Kindergarten will be celebrating our veterans this month. We are excitedly learning our sight words and reading short stories. Our numbers are growing larger in Math, as we learn our numbers 11-20. We are grateful for our school family and would like to wish everyone a blessed Thanksgiving!!

### 1st Grade

Happy Fall from First Grade! In class the kids are learning Addition and Subtraction for the 0,1,2 Families. We'd really appreciate you practicing these at home each day for 5 minutes. In Social Studies we will be discussing Thanksgiving Traditions— please discuss YOUR traditions so your child can join the classroom discussions. "Where do you go, Who do you celebrate with, What are your favorite foods, etc....?"

### 2nd Grade

During the month of November, 2nd graders are focusing on Reading - Learning Author's Purpose, Math - Identify and Naming Fractions, Science - Forms of Energy and Social Studies - North American Indians.

### 3rd Grade

Third Grade Teachers are planning conferences and assigning the second quarter project that will be due on Dec. 1st. In addition to those major items, we will focus on different cultures and how they are represented in the upcoming holidays. Lastly, we would like to ask that parents please be on the look out for Remind messages from the homeroom teachers as we begin to prepare the Entrepreneur Day. Thank you for all you do!

### 4th Grade

In November, Mrs. Amador will be reading "Indian in the Cupboard" and the students will be doing a research project on Native Americans of Texas. Mrs. Shay will be working on multiplying 2,3, and 4 digit numbers, plus starting on fractions! Ms. Nancy will be having students study the background of the cornucopia plus continuing activities, lessons about life cycles and how structures and behaviors help with survival. She will also be continuing with the projects at The Coffee Barrel on Sustainability on Tuesday's and Thursday's. Currently they are working on making pressed herbs into parchment cards to present to Veteran's!

### SMACS CAFETERIA RECOGNIZATION

SMACS Cafeteria would like to recognize one of their child nutrition staff, Imelda Moreno. Imelda has been with SMACS Cafeteria for one year. She is hard working and dedicates herself to doing her best. We are very lucky to have her working with us.

### 5th & 6th Grade

We are going to the Majestic Theater for the live performance of the, "Lion King". In Science, our focus is on energy and energy transformations. In Math, we are practicing dividing and dividing with decimals. In Social Studies, we are working on a tribute to our Veteran's.

### ARTIST OF THE MONTH- Benjamin Cano 4<sup>th</sup> Grade

Benjamin is a student who puts every possible effort in the assignment he completes. Since Kinder, he has been a true artist by showing his unique skills and approach to all artwork. He is someone that can be trusted in the art classroom, as well as his other 4th Grade Teachers.
