September 2, 2021

Dear Parents/Guardians:

St. Mary's Academy Charter School would like to inform our families that, beginning on Tuesday, September 7, remote conferencing will be available for students who are unable to attend school in-person because they are in quarantine as the result of being a close contact or isolated as COVID-19 positive.

Approved by the Texas Education Agency, remote conferencing is a mechanism by which online instruction can be provided for those who are temporarily away from campus for reasons related to COVID-19. It is important to remember that this is not remote instruction online but rather a guided instruction for accessing the learning content that must be completed in order for your child (children) to be counted present and kept from falling behind in their work.

Access to remote conferencing will be given via QR code to students who qualify for access as needed. If you have any questions don't hesitate to call.

Sincerely,

Hirma Elizondo

Hirma Elizondo,
Principal

HE/ch
