

Volunteer Tutor Registration New Waverly Public Library

Tutorials are a free service of the New Waverly Public Library provided by volunteer tutors. Students will be matched with an available tutor, based on the subject area. Library staff will coordinate scheduling with the parent and the tutor. Tutorials are held at the library during regular library hours.

Students are asked to bring textbooks, notes, or other materials needed for the tutorial. Wi-Fi is available in the library if the student needs to use a district-issued laptop or tablet.
