

12U-17U Boys Baseball

We are committed to working with kids that are dedicated to reaching their full potential

Dear,

The Locos Express youth baseball organization provides players the opportunity to develop as young men and baseball players in pursuit of playing at the next level. As players they are expected to represent the organization with good sportsmanship and act in a first class manner, both on and off the field. The Locos Express offers the opportunity to learn from some of the best coaches from this area to help them build on their skills while having fun..

Sponsorships and donations are needed to help provide opportunities for players. All donations in any amount will go directly to a player you have designated to help reduce their player's fees, or general donations will be used to subsidize those players that may have financial hardships.
