## **Financial Reporting Specialist – Brooklyn, New York**

Numbers are the lifeblood of any business. This is even more so when there are multiple businesses, or divisions, under single ownership. Imagine one company, with various business, each utilizing a different accounting software. How will it be possible to accurately know the health of the company especially if there are errors in entries?

If this sounds like a situation that gets your creative juices flowing, if you love numbers and how the knowledge of numbers contributes to the success of a business, then this job is for you.

My client, a dynamic corporation which, for the past nine years has been providing clients with services to consolidate their financial statements across multiple platforms, is looking to hire a Financial Reporting Specialist who will be responsible for onboarding and training customers in their proprietary software, as well as generating, validating, and maintaining the customers' financial reports.

Candidates must have:

- a minimum of 3 years' financial reporting experience;
- strong knowledge of accounting principles;
- an understanding of business financial reporting, including financial reconciliation;
- very strong knowledge of Microsoft Excel, including PowerPivot;
- strong knowledge of Power BI or equivalent BI software;
- the ability to analyze and find discrepancies in company financials;
- strong verbal and written communication skills;
- strong people skills; and
- the ability to cultivate and maintain customer relationships;
- experiencing making sales presentations is a plus; and
- knowledge of QuickBooks is a plus.

The compensation package includes a base salary range of between \$70,000 and \$100,000, depending on qualifications, along with \$6,000 towards health insurance. All employees receive National and Jewish Holidays in addition to 10 vacation days.

*NOTE: To be considered for this position you must be authorized to work in the United States, and live within a reasonable commuting distance of Brooklyn.*

**To submit your candidacy, send a cover letter, along with your resume, to Bruce Hurwitz at [bh@hsstaffing.com](mailto:bh@hsstaffing.com). Qualified candidates will be contacted within 2 business days. No phone calls please.**
