

APRIL, 2023

NEWSLETTER

Hi Guys

It's been along time since the last letter was published. Vic Thiessen has done such a great job of keeping you informed as to things that are happening at the shed, that I haven't been prodded to submit any updates. However, we had a board meeting yesterday and you might say I've been prodded or swift kicked you know where!

So—coming up on April 4th is a tour to the firefighters museum. The tour starts at 1.30 @56 Maple Street. If you would like to carpool, we can meet at the church, but be ready to leave before 1.00. Spouses are welcome.

ART lessons will continue until the end of MAY!

On Wednesday, April 25 @ 1.30 Kate Ferris and Fred Casey will be giving us a musical presentation. There will be Ukulele tips and sing along, and other wonderful surprises to entertain us. All Welcome!

On May 2nd , Brian McMillan will be making an “Aging in Place” presentation in the music room. Open to members and guests.

As you can see by the attached photo, Mensheds was recognized for their work at building 12 Garden boxes for Deer Lodge Community Center. The work was spearheaded by Adrien Sala, who is the MLA for that area. Our guys were involved in the design and planning of the boxes. There were about 12 guys who helped in building the boxes. The teamwork and camaraderie was exceptional. We got the work done in less than the two days allotted for the job. Thanks Guys, the plaque that Robert is holding will be hung up in the church building for everyone to see. Adrien and deer Lodge CC will be holding a Grand Opening and Dedication in the spring (to be announced). The WSO will be playing for the crowd. Perhaps there will be a lunch?

On June 29, the WSO (Woodhaven Sympathy Orchestra) will be playing for the Life Lease behind the Charleswood Legion.

Our Shed is doing quite well. We now have 53 members! More are welcome! Welcome to our newest members: Russ Mutcher, Murray Smith, Rick Somerville, and Gordon Henrickson. We are sorry to announce the passing of our long time member Dennis Cale in January.

Our AGM will be held on May 10th. We will start off with a congregate lunch. We are still in the process of planning the menu.

We will be having an election for three positions on the board. They are

- 1) Chairman.
- 2) Membership officer
- 3) Out reach person

If any one would like to volunteer to run for any of these positions, please let Vic T. or me know soon or someone else may “volunteer” you. Please join the board and help us to become a great club.

Thankyou to the members who are stepping away for the work and spirit you have contributed to this group. It is because of you that we have become successful in meeting the needs of Senior Men in our community. Many men have benefitted. I’m sure their significant others would strongly agree!

C U @ the Shed
