Dying to Sin Romans 6:1-11

A person saved by grace has victory over sin's power through Jesus Christ.

Lessons for Us

Christians are not to willfully live in sin and ignore holy living. (vv.1-2; 1 Pet. 1:13-16)

Christians have died to sin as the master over our lives. (v.2; 1 John 3:9; Col. 3:1-9)

God truly wants us to know and understand this changed life. (vv. 3,6,9)

o God makes a person new at salvation. God justifies and sanctifies us. (Phill. 1:6)

A saved person is identified and united with Christ. (vv. 3-4; 1 Cor. 10:2, 6:15,17)

o Christians are dead to sin's mastery, our unsaved life is buried, and we are now a new person to grow in Christ.

Saved people go forward in a new, changed life. (vv. 5-7)

o We are now united with Him. We view sin as something "saved from" and something we now cannot "hold to".

o We rest in His power. We are no longer under the penalty or the power of sin.

o Our personal behavior is different. We repent, are broken about sin, and turn away from sin.

o We are set free from sin for eternity, but God also wants us walk freely each day in victory over sin.

Our nature is not controlled by sin. (vv. 8-10)

o The eternal condemnation of sin and death are defeated. Rest in that power!!

You are dead to sin for eternity, dying to sinful acts each day, and are to live in Christ in victory each day. (vv.10-11)

My Response

Each person must examine themselves and see if there is a changed life in Christ. (2 Cor. 13:5)

We must not accept mediocrity, realize our life in him, and reject sin.

We must completely rest in Him and rejoice in the victory we have in Christ.
