Person- to- Person

The May days have gone so fast that it promises to be Memorial Day—celebrated on Monday, May 29—Week-end and time for the run-off elections June 3. The University of Texas at San Antonio now has an additional graduating class with ceremonies held last week-end, a fitting Mother's Day present for many.

The Cornyval was so fast paced that total results are still being assessed. Estimates of the crowds run well ahead of last year, despite a small threat of rain that hovered over the gala days. Photos are still being developed, and doubtless will add a new dimension to memories of the Festival.

It was great to see so many former Helotes residents. Peggy Cooper was here from Beaumont and her brother and his wife arrived from Austin. Guests made the trip from all over the State and Florida and California as well as New York and Washington state were counted as represented. So the fame of the Cornyval has spread. Canada offered to send its beauty queen in one of the more popular pageants and there were visitors from Mexico. Helotes had a party that will long be recounted and rated as one of the best.

Al Siebenhor is recovering from surgery. Mrs. Annie Benham is much improved also after a hospital sojourn.

This Sunday, the Leon Springs Volunteer Fire Department promises a good time at the annual fund-raising festival being held in Raymond Russell Park with Mariachi music and Pepe Rodriguez playing for a big dance.

TEC Opens Bandera Rd. Office

The Texas Employment Commission has opened a new full-service office at 2015 Bandera Road in Park Towne Plaza to serve persons needing jobs and employers needing workers. The new Northwest office serves professional people as well as skilled and unskilled workers.

The office also is set up to take applications for unemployment payments.

The phone number is 222-8434.

HIGH SCHOOLS SET CEREMONIES

Edwards Wells Drop Slightly

Water levels in the check wells of the five-county Edwards Underground Water District continued a seasonal decline in April, but the discharge from Leona River Springs, south of Uvalde, was up slightly over March.

The only sizable decline in well water levels was in the check well at Sabinal which dropped 8.1 feet from the March reading.

Following are the readings at the end of April with water levels given in feet above sea level:

Uvalde: 879.3 feet, down 0.4 feet.

Sabinal: 790.3 feet, down 8.1 feet.

Castroville: 710.4 feet, down 1.3 feet.

Hondo: 742 feet, down 0.7 feet.

San Antonio: 677.4, down 0.2 feet.

New Braunfels: 627 feet, down 0.2 feet.

Kyle: 565.2 feet, down 0.8 feet.

Leona River Springs in Uvalde County were flowing 37 cubic feet per second, an increase of 2.1 cfs over March. Average flow there is 13.5 cfs. Comal Springs at New Braunfels were flowing 312 cfs, down five cfs, but above the average of 285 cfs. San Marcos Springs were flowing 104 cfs, down seven cfs. Average flow there is 166 cfs.

A drought as severe as the one that ended in 1956 should pose no threat to the Edwards aquifer, Col. Weinert says.

With the average annual recharge totalling 560,000 acre feet and present usage about 320,000 acre feet, there is available for additional use and discharge from springs 240,000 acre feet of water each year, he said. Meanwhile, the aquifer continues to be recharged—rain or not—with water running out of the Edwards Plateau springs and with water now filtering into the reservoir from rainfall that occurred as long as 50 or more years ago.

Camp Cookie

The San Antonio Girl Scouts' Camp Cookie on Antonio Drive in Helotes Ranch Acres will open for its summer of day camps on June 5 with a "Cookie Special" for children with learning disabilities. The "Special" will run through June 9.

The 1978 series of regular day camps will open on June 12.

'The Girl Scouts' resident camps, La Jita at Utopia and Mira Sol near Waring, will open on June 11.

Local Coed Wins Scholarship

Mary Beth Tagliarino
Senior, Texas A&M University

Mary Beth Tagliarino, daughter of Mr. and Mrs. John Tagliarino of Helotes, has been selected as a recipient of the Shell Oil Company's Foundation Scholarship for the Spring 1978. Mary Beth is a senior at Texas A&M University, and a graduate of John Marshall High

School.

She is a candidate for a bachelor of science degree in entomology and plans to graduate in August, 1978. She was chosen as the recipient of this scholarship by the faculty and staff of the A&M Entomology Department, based on her grades as well as her potential of becoming an outstanding entomologist.

Mary Beth plans to continue her education in the field of entomology and has applied to graduate schools offering advanced work.

Among other scholastic honors received recently, Miss Tagliarino was named by her fellow classmates as A&M's 1978 Outstanding Undergraduate Entomologist. She was the first female student ever to be chosen for this honor.

Before entering summer school classes, Mary Beth has been visiting her family who lives in McNeel Park, and her friends here.

UTSA Sets Registration

Registration for all three terms of UTSA's summer session will be June 1 and 2, in the Convocation Center, from 1 p.m. to 5:30 p.m. Exact student times will be by number.

Graduate students, seniors, juniors and sophomores may register June 1. Freshmen, special students and transient students may register June 2.

The first summer term is from June 5 to July 7 and the

second term is from July 11 to Aug. 15. Students wishing to attend only the second term may also register July 10.

Running concurrently with the shorter sessions will be a 10-week term which will be from June 5 to Aug. 15.

Only students who have been admitted to the University may register. For admissions information, phone the Office of Admissions and Registrar, 691-4530.

Marshall Will Graduate May 30

The 1978 John Marshall graduation will be held Tuesday, May 30, beginning at 7:30 p.m. in Northside Memorial Stadium. Admission will be by ticket only.

The John Marshall graduating class, numbering 719, will be the largest of the three Northside high schools this year.

The Holmes and Jay High School classes will graduate in the Paul Taylor Field House, Holmes on May 31 and Jay on June 1. Holmes will graduate 602 seniors and Jay 630.

The three graduating classes voted earlier in the year whether to have the graduation exercises in the stadium, as in the past, or to move them to the new field house. Marshall's seniors voted to stay in the stadium, and the seniors at Holmes and Jay voted to move.

The field house will be specially decorated for the graduation exercises. Formally-attired ushers will lead guests down carpeted runways to their seats.

Valedictorians of the three schools are Patricia Campbell, Marshall; Charjean Hears, Holmes; and Tammy Richards, Jay.

Salutatorians are Paul Doucette, Marshall; Jack Ort, Holmes; and James Misener, Jay.

Presiding at all three commencements will be Dr. Carl F. Raba, Jr., president of the Northside board of trustees.

Showdeo Winners Named For 1978

Robin Keith, shown with the winning horse she rode, displays her trophy awarded at the Coke Stevenson Showdeo recently, as All Around Cowgirl.

Showdeo time in Helotes—a popular middle school event in the Northside District—

produced many ribbon winners as well as the top boy and girl champions for 1978.

Scott Algueseva, mounted on Red, carried off the trophy as All Around Cowboy for 1978.

Judges awarded the trophy and title of All-Around Cowgirl

Mr. Moss served on the first Grey Forest City Council and was active in the incorporation and founding of the City of Grey Forest in 1962. The area previously was known as the Scenic Loop Playground and Mr. Moss also remained active in the Scenic Loop Playground

Club which controls the parks and recreation program of the area.

He was a member of the Oak Hills Church of Christ of San Antonio.

Mr. Moss, accompanied by his wife, Ann, and small son, Jason, were visiting his brother in Waco following a trip to Dallas. He was assisting his brother and a friend who served on the Board of Directors of a Campfire Day Camp in saddling mounts for the opening day

Mr. Moss was famed for his ability to train and ride horses. He was a founder of the Saddle Tramps Club here which numbered many riders over a period of years.

Mr. Moss was born in Live Oak County, Texas. He grew up around George West and Three Rivers and served in the United States Customs patrol on the border before moving in 1953 to Helotes, where he followed a sales career in insurance. He owned a pest control business and was a sales representative for Shaklee at the time of his death.

Several years ago he appeared in the John Wayne movie of "The Alamo" as a mounted soldier. His riding skills were so versatile that he was given roles on both sides of the battle.

Mr. Moss is survived by his wife, Mrs. Ann Rousseau Moss, whom he married in 1967.

He leaves three grown sons and a daughter by a previous marriage, and a four-year-old son. His daughter is Mrs.

Valeria Ann Bryant, and his sons are Robert (Robbie) Lloyd Moss, Walter Jackson Moss, David Rocky Moss and Jason Moss.

Mrs. Barbara Schulze of San Antonio.

Funeral services were held at the Simmons Community Church in Simmons, Texas. Burial was at Three Rivers Cemetery, Three Rivers, Texas. Many of his sorrowing friends and neighbors attended the services.

Mr. Moss was a leader in civic affairs and numbered countless friends in the community and throughout the State of Texas. Sympathy is extended to his loved ones in their great loss.

Prize-Winning Booths Told

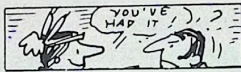

Five ribbons were awarded on Saturday afternoon, May 6, during the Cornyval '78 to organizations or individuals having best-of-the-booths.

For the first time in the history of the Helotes Spring Festival, street booths and related Cornyval units were judged for attractiveness and conformity to the theme, which was "Frontiers, Past and Present," this year.

Taking first place blue ribbon was the food booth of Kappa Psi chapter of Epsilon Sigma Alpha. Second place went to Xi Rho Nu - Beta Sigma Phi.

A third place was awarded to a festive Lone Star Truck. Honorable mentions went to the Menudo booth entered by El Chaparral Mexican Restaurant, and to the German Cultural Club for its food and crafts booth.

Many other attractive units displayed the corn theme of Helotes. The Festival Association officials said that even more emphasis will be put on booth appearance next year. Food and art were well received and booths attracted thousands of customers throughout the Cornyval's run.

French legend has it that a red man appeared to Napoleon and foretold his downfall.

Social Security Updates Checks

"The 1977 amendments to the Social Security Act provide that when the payment delivery date for social security or supplemental security income checks falls on a Saturday, Sunday, or legal holiday, the checks will be delivered on the first workday preceding the normal delivery day," Gilbert G. Gonzalez, social security district manager in San Antonio, has announced.

"A check which is subject to early payment under this amendment, which is later determined to be incorrect, will not have to be repaid as long as the event which caused the benefit to be incorrect occurred after the payment was made," Mr. Gonzalez added.

Checks for the many social security beneficiaries in Bexar County will be dated other than the 3rd in 1978, as follows: June 2, September 1 and December 1. Supplemental security income recipients in the county will get their checks on the 1st of each month except that the July 1 check will come on June 30 and the October 1 check on September 29.

Boerne Plans Flea Market

On both days, a German sausage dinner with sauerkraut, potato salad and homemade pies, cakes and streudel will be served by the ladies auxiliary.

An auction will be held from 2 to 4 p.m. both days.

Festival Visitor Suffers Heart Attack

A festival guest—a 75-year-old resident of Hollywood Park—suffered a heart attack during the Cornyval parade as she and a woman friend were watching.

Walter Schuh, who was nearby, kept her from falling and summoned the local Fire Station's first aid unit. Mrs. Della Garrison, trained in first aid, administered oxygen and kept her breathing until an EMS unit could take her to a hospital. The victim reported to the attendants that she had suffered a heart condition. Word was received here that she died the following day in the hospital. She had been preceded in death by her husband, who was a retired lieutenant colonel.

Verde Creek Dam Completed

Verde Creek Dam, a recharge project of the Edwards Underground Water District north of Hondo in Medina County, has been completed and will be dedicated Wednesday, May 24, at 10 a.m., William Spice, Jr., chairman of the board, announced following the bi-monthly meeting of the directors in San Antonio.

This is the second recharge project to be undertaken by the EUWD. The first was on Parker

Creek, and a third, on Seco Creek, is pending approval.

Col. McDonald D. Weinert, general manager, reported that the Army Corps of Engineers in Fort Worth should advise EUWD in about 30 days whether the district can proceed with the controversial Seco Creek Dam. The time given environmentalists to appeal the Texas Water Commission's decision approving the project has expired.

District Names New Principals

Several new area principals have been announced for next year.

Northside Trustees named Fred Dyas, Adams Hills 4th grade instructor, as Valley-Hi Elementary principal, replacing retiring Milton Spaulding. Dyas received his bachelor's and master's degree from Stephen F. Austin University, Nacogdoches. He is a graduate of Northside's AIM Program, which develops future administrators from staff currently employed by Northside.

Trustees named also, Lewis Patton, principal of Boone Elementary. Currently an administrative aide at Anson Jones Middle School, he received his bachelor's degree from The University of Texas, Austin, and master's from Our Lady of the Lake University. The former instructor is also a graduate of the AIM Program.

Juanita Lawtum, current Boone principal, will remain with Northside School District in another capacity.

Heading Carlos Coon Elementary, scheduled for Fall opening, will be longtime Northside educator, and Meadow Village principal Robert Coyle. Replacing Coyle at Meadow Village is Forest Hills principal Louis Williams. A replacement for Williams' position will be named later.

Some say it's good luck for a firefly to fly into the house.

DID YOU KNOW that Hardberger received 80% of his campaign contributions from out-of-town trial lawyers? **DID YOU KNOW** Hardberger employs the same public relations firm from Austin that attempted to distort Nelson Wolff's and Congressman Krueger's voting records? **DID YOU KNOW** Hardberger moved into Dist. 26 less than 11 months ago and had never taken an interest in our affairs before that time?

ON THE OTHER HAND —

BOB VALE has lived in Dist. 26 for over 28 years. BOB VALE receives his campaign contributions from a wide range of people and groups—and is supported by CONGRESSMAN BOB KRUEGER and many other Bexar County leaders. Charros Booster Club Invites You To Join

The San Antonio Charros Booster Club is planning a bus trip to Austin to attend the second season's opening game for the Charros against the Austin Texans.

Dudley Falgoust, vice president in charge of promotions for the Booster Club, has announced that interested persons may contact him after 5:30 p.m. at 681-2164.

The Charros were last year's champions of the American Football Association with five of their players making the first team in All-Minor League Football, picked by the Pro-Football Weekly from about 200 minor league teams.

The Charros home stadium this year is Harlandale Memorial Stadium. All games will be played on Saturdays starting at 8 p.m. The team will play 10 regular season games with five at home and five away. They will meet six teams in the Southern Division including also Austin, Wichita Falls, Oklahoma City, Houston, and Shreveport. They will then meet the champion team of an eight-team Western Division which consists of B Teams in a Playoff Game.

Season tickets are being sold now by the Booster Club and those wishing them may call 681-2164 or 695-3243. Reserve seats for the five home games will be \$25 and general admission is \$20. All season ticket holders will be entitled to a reserved parking spot at the Stadium, also, and this year's season ticket holders will have the option to buy the same or similar seats next year. The games will probably be played in the Alamo Stadium next season following construction work there, Falgoust said.

"The Charro Booster Club also invites anyone interested in Professional Football in San Antonio to come to our meetings as our guest. We would also welcome you to join our Club," Falgoust added.

Dues, he said, were as follows: Single membership \$5, with \$9 per couple; Single junior membership, \$2 up to age 18; Family plan, \$12 for entire family.

The Booster Club sponsors the "Most Valuable Player"

Library To Show Hill Country

Reflections of the Hill Country, a watercolor show by local artist Jackie Anne Juarez, will be featured at the Westfall Library during the month of June.

Ms. Juarez has studied with Warren Hunter and Nick Jaros, and had workshops with Clay McGuaghy, John Pike, Millard Sheets and a score of others.

This exhibit will be a feature of the fifteenth anniversary of the Westfall Branch Library, which will be celebrated on June 2, as well as the seventy-fifth anniversary of the San Antonio Library System.

Westfall Branch Library is at 6111 Rosedale Court, to the Vance-Jackson. The library is open through Friday, 9 a.m. to 6 p.m., and Saturday 9 a.m. to 6 p.m.

awards at the end of the season with trophies awarded based on the vote of the players themselves. The club also attends parties given by the Team owners, where members may personally meet the players. The players and coaches also talk at some meetings. The club meets regularly on Wednesday nights at 8 p.m. at the Pizza Inn No. 4 at 7830 Louis Pasteur Drive, Falgoust said.

for the second year to 14-year-old Robin Keith, daughter of Mr. and Mrs. B.J. Keith of Scenic Loop Road. Named All-Around Cowboy in the 1978 competition was Scott Alguiseva, son of Robert Alguiseva of Helotes.

They were awarded the trophies after performing in the Coke Stevenson Third Annual Showdeo held recently at Brauchle's Arena on Braun Road. Participants competed in 23 featured events, and Robin and Scott were typical of the

trained champions among the boys and girls who spent hours preparing for the Showdeo.

Scott, an eighth grader at Coke Stevenson, spends his spare time working cattle on his horse, Red, and he would like to follow his brother Robert, Jr., in graduating at John Marshall, where he wants to major in agriculture. He then plans to

enter professional rodeo events.

Robin also wants to follow her sister Billie's example in excelling in high school rodeo events at Marshall. Billie is continuing at T.S.T.A. in Waco, and plans to enter Texas A&M University. Robin was last year's winner and she took this event with a horse trained by Bob Moss.
