## Cornival '85 Ready To Roll, May 1-5

### To Crown Successor

The weather continues spring-like —almost summer-like—favoring the continuation of one of the best wildflower displays in years attracting many visitors and photographers. Even the television cameras of PM Magazine were filming Wednesday at a bountiful stand of bluebonnets on the grounds of the Garden of Eden Nursery on Scenic Loop Road.

Eugene Koepke, incoming commander of VFW Post 7108, and Mary Carter, president of the VFW auxiliary, invite all members and their families to the installation of new officers and their families at the VFW hall on Braun Road on Saturday, May 11, beginning at 6:30 p.m. The ladies should bring a covered dish, and the post will supply ham and refreshments, and dance music by the Fleetweld Cowboys.

The public is invited to an "Around the World" program at Braun Station Elementary School on Thursday, April 26, from 8:30 to 11:30 a.m. Each class will be home base to a foreign country. The students will "fly" to four different countries, where they will hear presentations on the culture, including food and dance, of each country. Thirty-two adult presenters will work with the students. Countries included are Germany, Russia, South Africa, Mexico, Scotland, France, England, Greece and Australia.

The San Antonio alumnae chapter of Phi Mu will meet Sunday, April 21, in the home of Mrs. Bernard W. Miller, 96 Windmill Road, beginning at 2 p.m. The program will be about flower arranging. Co-hostess will be Mrs. Donald Shields.

Pat Wildman of 4714 Shady Breeze has been selected as one of the outstanding young women of America for 1984 and will be

Keri Spears, Miss Helotes '84, will complete her reign by crowning Miss Helotes '85 at the end of the Pageant Coronation to be presented Wednesday night, May 1. She and her court will ride in San Antonio's Fiesta Night Parade the Saturday before. She also will ride in the Cornival Parade on May 4. A senior at John Marshall, Keri will graduate this year.

### Two Circus Performances Added

Helotes' Cornival 1985 — the twentieth edition — will begin to unfold on Wednesday, May 1, with the coronation of the new Miss Helotes and continue through Sunday, May 5.

Don Reddout, president of the Helotes Festival Association, announced this week an extra added attraction for this year's Cornival. It is a complete one-ring European clyle circus to be presented Sunday at 3 and 7:30 p.m., and will be free. The big top will be set up behind the carnival. It is the Exotic Animal Circus from Beeville.

The 1985 Miss Helotes pageant and coronation will be held in the Community Activity Center of Our Lady of Guadalupe Church. Twenty-two girls are entered in the competition. The pageant will begin at 7 p.m., and admission will be \$1 with children under 12 free.

The celebration will move to the street in Downtown Helotes on Friday night, beginning at 6 p.m. Food and crafts booths will line both sides of the street, and at 8 p.m. two free street dances will get underway with music by the Levis and Inside Straight, plus a free dance on the Floore Country Store patio with music by Whiskey Dreamin'. Young female vocalist Bullet Cones will appear with the Levis.

Saturday will open with the annual Cornival Parade on Bandera Road between Leslie Road and Scenic Loop Road. Entertainment in the afternoon following the parade will be provided by the Bexar County Gunslingers, the Sahawe Indian Dancers, the Fleetweld Cowboys and Los Reyes Nortenos.

Two free street dances Saturday night will feature the Levis and Denim and Diamonds. On the Floore Country Store patio, Billy Mata and the South Texas Tradition will play.

On Sunday, the final day, Ray Adams' Oompa Band will play for a free street dance from 3 to 6 p.m., and the Texas Trail Dusters will

## 'Street Car' To Serve Cornyval

In the interest of safety and convenience for people attending the 20th Helotes Cornyval, a FREE street car service will be provided during the festival. A VIA "street car" will be in service between the Helotes Park shopping center and El Chaparral Restaurant during the days and hours listed below.

The street car will be picking up passengers at various pickup points along the route (State Highway 16—Bandera Road). No parking will be allowed in the median of Highway 16 during the festival this year. Anticipating a greater demand for parking places because of this development, the Helotes Festival Association is asking that all churches, civic organizations, etc., encourage their members to park in their own parking lots and ride the street car to the festival.

Friday, May 3: 6:30 p.m. - 12:30 a.m. Saturday, May 4: 12:30 p.m. - 1:30 a.m. Sunday, May 5: 1 p.m. - 8 p.m.

If you need any further information, please contact Jim Wilson at 695-8487.

These two vehicles driven by brothers were involved in a sideswipe collision on Cross XD Trail Monday afternoon. Andy Vyverman was driving the Pontiac Trans-Am, and his brother David was driving the Chevrolet pick-up. Neither knew the other was anywhere in the area. A passenger in the Trans-

Am, Susan Miller, was slightly injured when her forehead struck the windshield. She is the daughter of Mr. and Mrs. Dick Miller of Grey Forest. The Vyverman brothers are sons of Mayor and Mrs. Matt Vyverman of Grey Forest. Susan said the accident certainly taught her to use seat belts.

## All In The Family

### Mrs. Marnock Dies At 93

Mrs. Mary Woller Marnock of Woller Road died Monday, April 15, at the age of 93 and was buried Wednesday, April 17, in San Fernando Archdiocesan Cemetery following services at Our Lady of Guadalupe Church in Helotes.

She was born on Woller Road and lived there all her life. Her parents were Mr. and Mrs. Frank Woller. Her paternal grandfather, Niklaus Woller, came to Texas from

Bavaria. She married the late Alfred Marnock, eldest son of Dr. Gabriel Marnock. (Some members of the family spell the name with a "k" and some with an "h".)

She is survived by a daughter, Mrs. Joe (Mary Lorraine) Van De Walle, Sr., two sons, Alfred A. Marnock of San Antonio and Marvin J. Marnock of Houston; a sister, Mrs. John (Annie) Igo, Sr., of Woller Road; and eight grand-

children.

Members of the Our Lady of Guadalupe Church Altar Society prayed a private rosary for Mrs. Marnock Tuesday evening, April 16. She had been a member of the Altar Society since its inception. A public rosary was said at the Angelus Funeral Chapel.

For the funeral mass Wednesday morning, the Rev. Louis Trawalter, former pastor of Our Lady of Guadalupe, returned to officiate.

Bill Widner, John Marshall senior, recently returned from the Vocational Industrial Club of America state conference with the top award in air conditioning and refrigeration. He will advance to the national competition in Phoenix, Arizona, June 25-28. Along with a plaque and medal, Bill also received air conditioning tools and \$5,000 scholarship to the Universal Technical Institute.

### FLY-IN BREAKFAST

The Hill Country Chapter 747 of the Experimental Aircraft Association will be presenting their "almost" second annual Fly-In Breakfast, Saturday, May 4.

The event will be held at the Fredericksburg (Gillespie County) Airport beginning at 7:30 and continuing until 10:30 a.m.

A pancake and sausage breakfast will be available for \$3.00 and according to Chapter officials, contests have been scheduled and prizes will be given throughout the morning.

City Council. In the April 6 city election she defeated Guy Murray, a write-in candidate, by 177 votes to 131.

Also sworn in were Verna Thompson, Reudy Loeffler and James Brigman, council members who ran unopposed for re-election. Mrs. Thompson and Brigman each received 223 votes, and Loeffler received 227, the highest number for any one candidate. A total of 323 votes were cast including 39 absentee votes.

The terms of the other two council members, Leonard Hill and Niels Jensen, have another year to run.

The new mayor and elected council members were sworn in by the outgoing mayor, Frank Thompson.

Mayor Hultz issued two proclamations-one declaring the week of April 29 - May 5 to be Helotes Festival Week, and the other saluting the Northside District's Parenting Fair being held Friday, April 18. The next council meeting will be May 9 (instead of May 2).

In the election in Grey Forest, three candidates ran for the Grey Forest City Council unopposed. They are Beverly Boudreau, Donald Zook and Cynthia North. The only contest was between David Galvan and Clifford Noll for Place 2 on the council, and Noll won.

In Leon Valley, the winners of the three council posts open were Darby Riley, C. Weisenberger and Ken Ward.

In the Northside District, the winners for the two board member posts open were Nancy Collins and Harry Cunningham.

In the race for members of the board of directors of the Bexar County Water Control and Improvement District No. 17, three unopposed candidates were Norris Henry, Jim Armstrong and Harry Sherblom.

## Bexar Eligible For Disaster Loans

Bexar County Judge Tom Vickers has announced that Bexar County farmers and ranchers may be eligible for emergency loans from the Farmers Home Administration based on losses incurred during the 1984 drought and the freeze of December, 1983.

Vickers was notified this week that Governor Mark White's request to the Department of Agriculture for declaration of five Texas counties as natural disaster areas has been

approved. The request was based on damages and losses to crops and livestock due to the severe freeze Dec. 18-31, 1983, and the major drought during all of 1984.

In addition to Bexar, other counties eligible for emergency loan assistance because of the drought are Gonzales, Reeves, Wilbarger and Young. Bexar and Gonzales counties both received an additional disaster declaration due to the freeze.

## UTSA Receives Diaries Of Frontier Texas Family

The triumphs and tragedies of a Central Texas frontier ranch family are chronicled in a set of diaries recently donated to the Special Collections of The University of Texas at San Antonio Library by Mr. and Mrs. W. C. Coleman of Fowlerton.

The six handwritten volumes of the Redford diaries record nearly 50 years of weather conditions, plantings, harvests and community activities in Blanco County from 1877 until 1923. They were begun by James Redford, Sr., a Scottish

immigrant to Canada, who recorded the first entry on Jan. 1, 1875, in Stratford, Ontario. In 1877, Redford moved his sizable family to Sandy, Texas, two miles north and seven miles west of Johnson City, where they established themselves on 640 acres and worked as farmers and ranchers. The first Texas entry is February 7, 1877.

Redford maintained a faithful chronicle until June 17, 1907, when his son Alexander took over the task until 1923. The father of the donor, Coleman, cared for the

The bank was established in 1982 and recently announced deposits of more than \$23,000,000. Dale Parker is president.

younger Redford in his declining years until his death in 1953 and was given the diaries.

"Apparently, there is a seventh volume that is unaccounted for," explained UTSA professor of archaeology and climatologist Dr. Joel Gunn, who became aware of the diaries through the Colemans'

friend, San Antonio radio news and weathercaster Bill McReynolds. "Nevertheless, what we have is quite a significant and unique find and offers a plethora of information about weather, building fences and schools, planting and harvesting and temperature changes. It is an excellent resource for those scholars studying climatology because we have very few records of this type from the last century." The diaries

are expected to be available to scholars, in a transcribed version, by the fall of 1985.

Commenting on the Colemans' gift, Dr. Michael Kelly, director of the UTSA Library, said, "This donation is one of the fortuitous events that serves to develop great libraries. We are pleased and honored to have them in our Special Collections."

## Barbara Galland To Head Auxiliary

Helotes Municipal Court Judge Barbara Galland is the new president of the Helotes Firefighters Auxiliary. Other officers are Nancy Smith, vice president; Johanna Reynolds, secretary; Judy Reichardt, treasurer; and Rose Belto, goodwill chairperson.

The Auxiliary supports the Helotes Area Volunteer Fire Department with donations of money, equipment, EMS supplies and food and water during major fires. They also pay for the fire-

fighters' workman's compensation insurance.

The men and women of the Auxiliary are gearing up for their major fund-raising event—the annual sports wagon to be awarded during the Helotes Cornyval. Area businesses have donated \$500 worth of merchandise.

Other fund-raisers include the benefit dance in September at Floore Country Store and bake sales and rummage sales.

## Northside Plans Summer School

In 1985 Northside District Summer Schools will be held at John Marshall High (for grades 9-12) and at Rudder Middle School (for grades 6-8). Classes will begin on June 10. Pre-registration for Northside students will be at their home campuses and other students will register on June 7. The Summer Schools are open to any student from any school district.

Tuition will be \$105 for Northside students and \$120 for non-Northside students for one high school unit. Middle School tuition is the same as the high school tuition but for either one or two courses. Students should contact their school counselors for more information or call the Summer School Principal, Donald Pinson, at 681-3060.

Transportation will be offered to the Marshall and the Rudder campuses from Jay, Holmes and Clark High Schools. Fee will be \$10 for 20 rides. Classes will begin at 8 a.m.

Summer School courses include (High School) English I, II, III, and

IV; World and American History; American Government; Advanced Social Studies Problems; Pre-Algebra and Consumer Math; Algebra I and II; Geometry; Physical Science; Biology and Chemistry I; Health; Typing and Personal Typing; Reading Improvement and AFJROTC. Middle School courses are English, Social Studies, Math and Science (all levels 6, 7, and 8); Typing and Corrective and Enrichment Reading.

## UTSA Plans

### Coin Week Exhibition

To celebrate National Coin Week's theme, "Open the Door with Books," The University of Texas at San Antonio Library will present an exhibition emphasizing the educational aspect of numismatics April 21-27.

On display in the UTSA Library foyer will be a cross-section of rare coins, including both the old and the foreign examples as well as print and proof sets, augmented by books from the UTSA Library and the American Numismatic Association.

Coin collectors can view the display during regular library hours: Sunday, 1 to 9:30 p.m.; Monday-Thursday, 8 a.m. to 10:30 p.m.; Friday, 8 a.m. to 5 p.m.; and Saturday, 9 a.m. to 5 p.m.

## Barbie Dolls Better Investment Than Apple Computers?

Barbie Dolls, her friends, and their accessories are the hottest investments, even better than Apple Computer stock. According to Alan Crittenden, editor of "The Almanac of Investments, any Barbie doll over ten years old is valuable. Those in excellent condition vary in resale from \$30 to \$1,000. "That's a lot of money for what used to be a toy" says Crittenden.

Prices for Barbie accessories have also risen at doll auctions around the country. \$1,100 was paid for Tutti's bedroom set. \$800 bought Barbie's

mid-'60s stewardess outfits.

Barbie's gift sets, complete outfits bought separately, are hot items. Sears and Roebuck's Miss Barbie with Lawn Swing which sold for \$3 when new, now sells for \$500 to \$600. It was available on the market for only two years.

Barbie collectors find a wide range of Barbie siblings to horde. Barbie's younger sister, Midge, which was made with teeth for only one year, now sells for \$500. Black Francie should bring in at least that much at auction.

There's bad news for the men, though. Barbie's sweetheart, Ken, sells for only \$100. In fact his business suit is worth more than he is, selling for \$150. And who says that clothes don't make the man?

A poll by the Gallup organization shows gardening ranks as the number one outdoor leisure activity for all U.S. households, topping golf, jogging, biking, tennis and swimming.

# Fiesta San Antonio To Run April 19-28

Where else can one find an array of 50,000 volunteer workers quietly and effectively doing their thing to prepare and present over 150 scheduled events in the ten days from April 19-28 in 1985? Nowhere else but San Antonio, Texas. The FIESTA SAN ANTONIO will be presented in April to the delight of over four million attendees. These colorful events during FIESTA SAN ANTONIO feature eight parades on land, water and at military installations around the City. Ninety-three participating member organizations muster this army of volunteers in their individual presentations during Fiesta.

It all began in 1891 with one organization soon to be known as the Battle of Flowers Association presenting a modest parade of carriages decorated with flowers which circled Alamo Plaza to honor a visiting President of the United States. The joining of the 92 other organizations since that time have built Fiesta into the most diverse, colorful, and gastronomically satisfying festival in the United States.

On a something for everyone's philosophy, the schedule of events truly presents more food, fun, color, and entertainment for the most diverse tastes. From Southwest Craft Center's Fiesta Arts Fair to the Cactus and Xerophyte's exhibition of spiny flora, there's surely something in between to tickle your fancy. Other Fiesta features include sports such as bicycling, soccer, lacrosse, equestrian, Mexican horsemanship,

These are the Dimensions in Blue, the U.S. Air Force Band of the West's specialty group of jazz musicians, who will perform at the Fiesta Jazz Concert in the Sunken Garden Theater on Friday, April 26. Headlining the concert will be Dizzy Gillespie, famous king of jazz. The program will begin at 5 p.m.

runs and walks, marksmanship, rugby and bowling.

Foods featured at Fiesta include Mexican, Tex-Mex, German, Irish, French, Jewish, seafood, English, and good old American standards like hot dogs, cotton candy, and popcorn.

Music covers the gamut from Sousa Marches to pop presentations to jazz to Spanish to Mexican to square and round dance tunes to blue grass to salsa to gospel to mariachi to country-western to conjunto bands, to chorus and quartet. Miscellaneous events feature a gigantic carnival, art shows around the city, balls of all sorts, receptions, dinners, drill

meets, art fairs, tours, the solemn Pilgrimage to the Alamo, A Night in Old San Antonio, coronations, pomp and ceremony of military events and displays of period San Antonio architecture.

Not one, not four, but eight

parades grace Fiesta's celebration beginning with the Paseo del Rey Feo (Parade of the Ugly King) on Saturday, April 20; on Sunday, April 21 the traditional Quadrangle Ceremony at Fort Sam Houston showcases a retreat review. On

Monday afternoon of Fiesta at 4:00 p.m., the Pilgrimage to the Alamo winds its way silently through the streets of San Antonio, reminding all of why it all began, which was to honor Texas heroes at the Alamo. On Monday evening, the parade is on the water where the floats really float in the Fiesta River Parade. Forty brightly decorated, illuminated barges featuring live music make their way around the River Bend. On Wednesday, April 24, the Review of Troops takes place at Lackland Air Force Base.

It's free, it's exciting, it's open to the public. On Thursday, the United Army Health Services Command presents their "Medics on Parade." Friday, April 26 showcases the 96th annual Battle of Flowers Parade. At 1:40 p.m. hundreds of colorful entries comprise this founding Fiesta event and hundreds of thousands watch it along the street as well as on television. Saturday, April 27 finds yet another gigantic street parade where the Fiesta Night Parade, America's greatest evening parade makes its sparkling, illuminated way down the traditional street parade route.

## Hermann Sons To bring Back 'Happiness'

Advance ticket sales are now under way for Hermann's Happiness, Fiesta San Antonio event sponsored by the San Antonio Presidents' Council of the Order of the Sons of Hermann in Texas.

Returning for its seventh annual production, Hermann's Happiness

will be presented Wednesday, Thursday and Friday—April 24, 25 and 26—of Fiesta Week on the Hermann Sons grounds at 525 S. St. Mary's St. The good time event opens at 6 p.m. each of the three days.

Again this year, admission to Hermann's Happiness will be a donation of \$2 at the gate, with children under 12 admitted free. However, tickets are available in

advance for only \$1 at San Antonio Hermann Sons lodges and at the Convention Center in the centralized ticket area arranged by the Fiesta San Antonio Commission.

Hermann's Happiness is expanding this year with nearly two dozen food and beverage booths located about the Hermann Sons property bordering the San Antonio River, Lillian Gavlick, general chairman, has announced.

## Fiesta Arts Fair

### To Be Held In Old Convent

One of San Antonio's most unusual historic settings, the Southwest Craft Center, will give Fiesta '85 a spirited sendoff on opening weekend.

The 12th annual Fiesta Arts Fair...a lively mix of art and entertainment, food and family-oriented activity...will sprawl all over the art school's five-acre campus on the San Antonio River, from noon to 6 p.m. Saturday and Sunday, April 20 and 21.

Built in 1851 to house the old Ursuline Convent, the Craft Center today is a picturesque downtown enclave ringed by modern skyscrapers...a tranquil, rambling complex of old stone buildings and ancient anagua trees. Its original design, carefully restored, is the city's only remaining authentic French architecture.

Blue-shuttered buildings with broad verandas are surrounded by courtyards and gardens, the original convent groto and a large gazebo on the riverbank.

The Arts Fair reflects the new role of the city's earliest girls' school. The former convent has come to life again as studios, galleries and classrooms for one of this area's most complete art and craft teaching facilities.

During the Fair the grounds will be dotted with artists' booths and food stalls, entertainment and craft project areas, including:

... Original art and fine hand-crafts for sale in every medium, representing top regional and Southwest talents, plus artists from all over the country.

... A wide variety of food specialties, reflecting the City's multi-ethnic heritage, available throughout the grounds, at reasonable prices.

... The Craft Experience Courtyard will offer informal learning sessions in variety of craft techniques, with trained volunteers to guide participants. Children and adults will work side-by-side to experience weaving, ceramics, easel painting, puppet making, leather tooling and more.

... Continuous entertainment will feature music and dance groups performing in the River Garden gazebo, on the bandstand and in the Frost Garden (set up as a sidewalk caféserving pizza and beverages).

... Exhibitions include the Greater San Antonio Quilt Guild show and sale in the former Chapel; a show to two-dimensional fiber sculptures in the Emily Edwards Room; works by artists from across the country, for sale in the Ursuline Gallery; faculty artists exhibiting their works and demonstrating

techniques in the studios; a children's art exhibit on the balconies overlooking the Craft Experience Courtyard.

Admission to the Fair is \$2.50 for adults, free for children under 12.

## Summer Day Camp To Open

The "Sunshine Express" Day Camp, a program of special summer activities for children, is offered by Oak Hills Presbyterian Church on Tuesdays and Thursdays, 10 a.m. until 3 p.m., throughout the

summer.

Children from kindergarten through fifth grade may register for "World Traveler Tuesdays" and/or "Backyard Scientist Thursdays".

The cost for each five-week session is \$50 for either Tuesdays or Thursdays, or \$100 to attend both days. For further information, call Lynn Downs, director, at 342 4302.

## Cornval Float at Poteet

The new float of the Helotes Festival Association had its first outing at the Poteet Strawberry Festival last weekend. It is shown with the 1984 Miss Helotes Court on the float and the incoming mayor of Helotes, Mrs. Vivian Hultz. The float and the 1984 court also will be in the Fiesta Flambeau Parade of the San Antonio Fiesta. The 1985 court of Miss Helotes will ride on it in the Cornval Parade on Saturday, May 4.

## John Marshall Council Gets Top Rating

The John Marshall Student Council recently returned from District Convention where they earned recognition for the out-

standing accomplishments they achieved this year. Marshall was one of only five schools out of 72 in the Alamo Association of Student

Councils to achieve this recognition.

To attain this award, councils must meet specific criteria set by the Texas Association of Student Councils. Those criteria include: special projects, correct meeting procedures and participation in district, state and national activities.

Marshall Council's next big project is at the State Meeting in Austin April 26 through 28, where they will be running for State Parliamentarian.

Governor Mark White has designated this week of April 22-28 as Student Council Week in Texas.

## Stop-Smoking

### Classes Due

San Antonians who want to "kick the cigarette habit" are invited to attend one of two free introductory meetings for SMOKELESS, a nationally acclaimed stop-smoking program to be offered at Methodist Hospital, April 22 and 23.

These preliminary sessions will begin at 6 p.m. both days in the hospital's new fifth floor conference center located in the just-finished north wing addition.

Sandy Colina, of Methodist's education department staff, is coordinator for the SMOKELESS program. It is being offered not only to the general public, but also to physicians, their patients and Methodist employees.

## Naval ROTC At Marshall Rates Best In Region

The John Marshall High School Naval ROTC Unit captured top honors at the annual Naval Junior ROTC Area VIII All-Navy Drill Meet held in Corpus Christi.

In winning their third consecutive All-Navy Drill competition, the Northside students were also awarded the Admiral Cossell Trophy as the Four-State Area Top NJROTC Unit for the 1984-85 school year. The Marshall unit also won the top honors in 1981-82 and 1982-83.

Cadet Commander Eric Buenviaje, commanding officer of the Marshall Corps of Cadets, and Cadet Alex Lozano, accepted the First Place Trophy from Capt. Edward Wollan of the United States Navy.

Unit Team Commanders winning awards at the Drill Meet include Buenviaje, armed drill team; Lt.

Linda Hernandez, unarmed drill team; Lt. Deborah Kelley, female color guard; MCPO Craig Mathews, male color guard; Lozano, orienteering team; Ensign Kelly Martin, rifle team; Lt. Scott Junge, academic team; Lt. James Coombs, pistol team; and Lt. Chris Walding, physical fitness team.

## UTSA Names Head Coach For Women

Bill MacLeay, who guided the Lady Roadrunner basketball team to a successful 18-10 record this past season, has been named full-time women's head coach at UT San Antonio.

MacLeay joined the UT San Antonio program as interim coach in September, 1984. He guided the Lady Roadrunners and let UTSA into the Oil Country Athletic Conference championship game

against West Texas State.

A former scholar-athlete at Trinity University, MacLeay won three basketball letters and was graduated summa cum laude in May, 1980, with a 4.0 grade point average in mathematics. He previously served as junior varsity basketball and baseball coach at MacArthur High School before coming to UTSA as a volunteer assistant coach with the men's basketball program in 1983.

Riding in a convertible in the Strawberry Festival parade are Mayor Frank N. Thompson, center, his wife Freda, left, and Mayor-elect Vivian Hultz, right. Driving is Mayor Thompson's brother along with his wife. The latter are residents of Poteet.

The first king and queen to be televised were King George VI and Queen Elizabeth of England when they visited the New York World's Fair in June, 1939.

### Mouthguards: Protection For Young Athletes

In 1961, 50 percent of all high school football injuries involved the mouth. Today, the incidence of oral injuries in high school football is less than .5 percent.

What made the difference? A 1962 ruling by the National Football Alliance mandating that all high school football players wear mouthguards.

## Connell Gets Ten More Peace Officers

Commissioner Andy Casias and Constable Jerry Connell.

ATTORNEY AT LAW  
6336 Bandera Road  
San Antonio, TX 78238

I AM IN GENERAL PRACTICE, NOT A SPECIALIST AS  
CERTIFIED BY THE TEXAS BOARD OF LEGAL SPECIALIZATION.

New deputies being sworn in recently by Precinct 2 Constable Jerry Connell are: front row left to right, David B. Poole, Jack J. Ammann, Jr., Edward L. Jones, James S. Hageman, and back row, Gerald J. Connell, Jr., Kurt W. Johnson, Robert D. Nalbach and Thomas T. Fenley. Not pictured are Richard C. Davis and John H. Small. At right is Precinct 2 County Commissioner Andy Casias, who secured the authorization for the ten new deputies. (Staff photo)

Ten non-paid peace officers will be added to the personnel assigned to the staff of Precinct 2 Constable, Jerry Connell. The commissions were confirmed and approved during a recent meeting of Commissioners Court.

"These officers are a very neces-

sary addition to the peace-keeping personnel in Precinct 2 and require more extensive training than reserve officers," said Andy Casias, County Commissioner of Precinct 2, who placed the request for the ten additional peace officers before the Court.

"Precinct 2 has experienced a tremendous growth in population in recent years and additional personnel for the Constable's office are a must in order for Constable Connell and his officers to perform their duties efficiently and to the greatest benefit of the County's taxpayers," said Commissioner Casias.

This growth, especially in the unincorporated areas, has increased the demand for law enforcement services, especially in the area of delivering warrants, eviction and other papers."

Last year, the Precinct 2 Constable's office served more than 18,000 papers, including 1,200 Forcible Entry and Detainer orders for evictions.

The ten commissioned peace officers who will be contributing a minimum of 20 hours per month to the Bexar County taxpayers under

the supervision of the Constable are: Jack J. Ammann, Jr., Richard C. Davis, James S. Hageman, Edward L. Jones, David B. Poole, Gerald J. Connell, Jr., Thomas T. Fenley, Kurt W. Johnson, Robert D. Nalbach, and John H. Small.

All have completed training as required by the Texas Commission on Law Enforcement Officer Standards and Education.

The Precinct 2 Constable's office also will soon have access to national, regional, and local criminal information systems via a new computer link that has been approved by Bexar County Commissioners Court.

Precinct 2 Constable Connell gave personal testimony on the need for the access to the criminal information systems a necessary weapon in his crime-fighting arsenal, especially as an alert to his personnel about dangerous criminals who might create a life-threatening situation.

The computer link, which utilizes the County/City/City Water Board system, will only have a minimal running cost. It is expected to be in place by the end of April.

## Frontier Trip Set For June

Re-live the days of cowboys and cavalry with Dr. Bill Green, associate curator of History at the Witte Museum in San Antonio. Dr. Green will lead a 4-day trip to the Texas frontier Thursday, June 27, to Sunday, June 30. Among forts and historical sites to be visited is Presidio San Saba, an 18th century frontier fort established to protect a nearby mission, and Fort Concho, established in 1867 at San Angelo, a pivotal military post in a line of posts that ran along the Texas frontier and west protecting the road to California.

Visits to museums will include the Museum of Texas Tech University in Lubbock and its Ranch and Heritage Center, a collection of buildings moved from old ranches and restored to show the history of ranching, and the Panhandle Plains Historical Museum in Canyon, one of the major museums in Texas, which specializes in art, history, natural history and geology.

Heading north to Palo Duro Canyon, the trip will come to a close with a performance of the popular historical pageant, "Texas," a colorful musical drama about the settlement of the Texas Panhandle.

The trip is limited to 35 participants. The fee of \$229 includes round-trip transportation from San Antonio, hotels and one dinner. A deposit of \$50, due by April 27, should be mailed to Sara Kerr, San Antonio Museum Association, P.O. Box 2601, San Antonio, Texas 78299-2601. For further information on this or other Witte Museum-sponsored trips, call 226-5544, ext. 248. The Witte Museum is located at 3801 Broadway, San Antonio.

## Camp Cookie To Offer Two Summer Sessions

Two day camps will be offered at Camp Cookie in Helotes by the San Antonio Area Council of Girl Scouts.

The first session will be from June 17 through 20 and June 24 through 27.

Another session will be from July 8 through 11 and July 15 through 18. Both will be held from 9 a.m. to 3 p.m.

Day camps are open to all girls entering first through 12th grades in the fall.

Fees for either eight-day session will be \$12 for registered Girl Scouts or \$15 for others.

For registration forms or more information, call the Girl Scout office, 349-2404.

## Engagement Announced

J.R. Davenport and Kathryn Ann Opsahl

Dr. and Mrs. Paul D. Opsahl of Houston have announced the engagement of their daughter, Kathryn Ann, to J. R. Davenport, son of Mr. and Mrs. Coleman Davenport of University Hills. They will be married May 18 in Memorial Drive Lutheran Church, Houston.

Miss Opsahl is a graduate of the University of Texas at Austin and is

employed by St. Luke's Hospital in San Antonio. J. R. is a graduate of Clark High School and a 1985 candidate for graduation from the University of Texas at San Antonio.

J. R.'s paternal grandparents are Mr. and Mrs. Louis Davenport of Uvalde, and his maternal grandmother is Mrs. R. F. Sandlin of Harlingen.

### College Fair To Aid Students

The San Antonio Convention Center will be the site of the 1985 San Antonio National College Fair, Monday and Tuesday, April 29 and 30. More than 7,000 high school students and parents will meet with college and university admissions

counselors during the two days in preparation for the transition into high education.

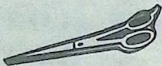

The Fair is free to high school students, parents and anyone else interested in higher education.

Between 75 and 100 colleges, universities and technical schools will be represented at the Fair. Students can meet with admissions counselors at their booths to discuss entrance requirements, campus life, application deadlines and majors.

Turkeys were the only birds domesticated by pre-Columbian Indians.

Is inclement weather wreaking havoc on your electricity? Whether it's hail, winds or heavy rain, power outages often go hand in hand with severe weather. A power outage can be an excuse for a romantic candlelight dinner, but it can also be expensive (if a freezer of food goes bad) or even traumatic for some.

"A power generator is ideal to have around the house when the electricity goes out," says Terry Mulligan of American Honda Power Equipment Division. Honda offers small portable generators that can easily power a television, lights or small appliances for up to five hours. Larger generators are ideal for refrigerators, freezers and electric water heaters.

According to Mulligan, there are several key points to keep in mind when using a generator:

- Always store a generator with gasoline in the tank in a cool, well ventilated space and never operate the generator indoors, since fumes could be dangerous.

- Check the oil level after each usage so it will be ready when you need it again. The Oil Alert™ system will automatically shut off the engine if the oil level gets too low.

- Always check the wattage requirements for the item you're powering to make sure it's compatible with the generator.

## "Fire Mites" May Be Answer For Fire Ants

A south Texas businessman has discovered a new method for battling current fire ant problems in Texas, according to an article in the April 7 edition of the Abilene Reporter-News.

According to the article, Buddy Maedgen of Mathis is already marketing what he calls "Fire

Mites" for about \$1 per cup that are dumped on the ant mound and taken into the den by the ants.

Though the mites do the job of destroying the ants after several applications, there are some problems included. Testing is being scheduled in Bandera as well as other sites in the state to determine

the effectiveness and safety of this form of control.

One of the problems, according to the article, is that the mites, with a life cycle of four days to a week, are not particular about what they hitch rides with.
