

*Helotes was designated a historic settlement and a Texas Historic Landmark  
by the Texas Historical Commission in 1992.*

## OLD TOWN HELOTES HISTORIC BUILDINGS

---

Properties that are at least 50 years old and have historical significance in Helotes history, by virtue of one or more of the following characteristics: 1) Association with significant events in history; 2) Association with the lives of people significant to the past; 3) Embodiment of distinctive characteristics, construction techniques, or other factors that make them unique structures with historical value; and 4) Provision of important information about a certain era.

The numbers correlate with locations on the *Old Town Helotes Historic Walking Tour Map*.
