Person- to- Person

On this Eve of Hallowe'en, the fortune tellers are promising that the great All Hallows Eve celebrations in town will get all mixed up with a lavish overdose of politics. Word O' Mouth has it that more than 60 absentee votes will have been cast by 7 p.m. this Eve and from then on out, it's countdown to the big election day, Nov. 3. Amendments may occupy the State's voters, but here in Helotes it's the Mayor and his Council that count.

Word O' Mouth has it that the witches and clowns and Hallowe'en Trick or Treaters will be out. But then the big party at the Lions Club for the elementary children and the big event at Our Lady of Guadalupe Church CCD Building for middle schoolers should cut down on the bell-ringers and provide safe fun Tomorrow Hallowe'en.

The Leon Valley Historical Society recently toured Gallagher Ranch with its historic setting and early Helotes history still growing. Mrs. McNeel, daughter of Mrs. McNutt, present owner, told much of the history of the Ranch. The Leon Valley group, of which Mrs. Gloria Anderson is president, also visited the Old Clifton School, and Howard Schott of Schott Ranch and Walter Haby of Haby's ranch recalled school days there. Mr. Schott attended the following historical meeting to allow for additional information. The Helotes Historical Society, which meets regularly on the fourth Tuesdays, received an invitation as well from the Leon Valley Historical Society.

First City Election Brings Out Feverish Campaigning Activity

Political campaigning has reached an unexpected high pitch as Helotes goes into the last weekend before the first municipal election on Tuesday, Nov. 3.

The three mayor candidates, Tom Beatty, Pete Cantu and Bennie Lyon, particularly have been releasing a barrage of signs, circulars, advertisements, and telephone campaigns full of charges and counter-charges. Each is confident of victory, although almost nobody else in Helotes is willing to call the election.

"It could be a landslide in either of three directions, or it could be a toss-up with the three splitting the votes rather evenly," said one political observer. "No doubt about it, they are all three campaigning like veteran politicians."

The victory will go to the candidate with the biggest number of votes. There will be no run-off. In this election the victor will be determined by a simple plurality of the votes.

"The only problem would be if two of them tied for the highest number of votes," said Election Judge Barbara Galland. "Then some way would have to be decided to determine the winner. The law is vague on this point, but of course it is a remote possibility that two would tie for the most votes."

Mrs. Galland reported that 56 absentee ballots had been cast through Thursday, Oct. 29, with one more day of absentee voting to go. It is

This is Helotes, officially a city since Aug. 8, when residents approved incorporation. New Helotes will get a city government in the election to be held next Tuesday. The city extends from just beyond Toepperwein's and the new Helotes Bank on the right, to just beyond El Chapparral in the upper left. It widens out to include the older units of Helotes Ranch Acres, Downtown Helotes, and Helotes Park Estates. A 500-ft. corridor also runs along Galm Road to widen out and include the new units of Helotes Ranch Acres in the lower left. The city limits go north along Scenic Loop Road to the Echo office.

Continued from Page 1

being conducted in the PARC building at the Helotes Hills United Methodist Church and has been going on since Oct. 14. The absentee voting station will be open from 8 a.m. to 5 p.m. Friday.

The regular voting on Tuesday will be conducted in the kitchen of the Helotes Hills United Methodist Church -- not in the PARC building. The polls will be open from 7 a.m. to 7 p.m., with all registered voters living within the new city limits eligible to cast a ballot.

The campaigning of the thirteen candidates for the five aldermen posts to be filled by Tuesday's election

has varied from no activity to spasmodic activity to a sustained campaign.

The alderman candidates, in alphabetical order, are: Guy Burnett, Pete Crow, Henry Daughtry, Jr., Leonard Hill, Mike Krisak, Chuck Lee, Rudy Loeffler, Chester McCarter, Moon Mullins, Harry Olson, Jim Perry, Verna Thompson, Pat Wootton. Mrs. Thompson is the only woman candidate for alderman.

No date has been set for the swearing in of the victorious mayor and five aldermen, and no site has been selected for the temporary Helotes City Hall.

Voters Tuesday also will be asked to cast votes for or

against seven proposed amendments to the Texas Constitution and to pick between two candidates for District Clerk of Bexar County. All registered voters

in the greater Helotes area may vote on the amendments and the District Clerk candidates whether the voter lives in the City of Helotes or not.

Helotes grew corn in fields now covered by Highway 16 behind Floore Country Store. This is a recent stand grown just outside the new City limits. 'Helotes' is an Indian word signifying 'green corn' or 'corn on the cob'!

Mogens Bernitt, of Copenhagen, Denmark, stopped over at the Burger Hut in Helotes Park Shopping Center, and at the Helotes Bicycle Shop on his cross-country bicycle tour of the United States. He started at Washington, D.C. and will arrive in San Francisco in mid-December for the holidays. He camps along the roads and travels as much as 60 to

70 miles a day on his Fuji bike. He has toured Africa, South America, France, Italy and Switzerland. His next goal was Bandera and after that, Carlsbad Caverns.

Next Friday is a holiday for the schools as Nov. 6 is the Texas State Teachers Assn. convention, so the teachers will be busy.

PAT WOOTTON ALDERMAN FOR HELOTES

I sincerely hope that our First City Council will be comprised of responsible individuals who are willing to work together in the best interest of all the citizens of Helotes. The regulations and ordinances established by this first governing body will be the basis for the style of life in Helotes for years to come. The critical nature of the first council will place great demands upon its members. The qualifications and motivation of each candidate should be closely examined in this context. I feel that I could make a valuable contribution during this formative period for the following reasons:

1. MASTER DEGREE IN PUBLIC ADMINISTRATION — My background in this area will provide useful knowledge in channeling our efforts toward simple, yet effective City Government.

2. My training in Law Enforcement Administration, and prior service as a Police Officer, will lend valuable experience to the Council's initial organization.

3. My sole motivation to serve as Alderman is based upon an honest desire to see Helotes prosper without changing the character of the community. I have NO personal or business ties which could constitute a conflict of interest.

4. My family and I plan to remain in Helotes and to continue to enjoy its quiet charm for many years to come.

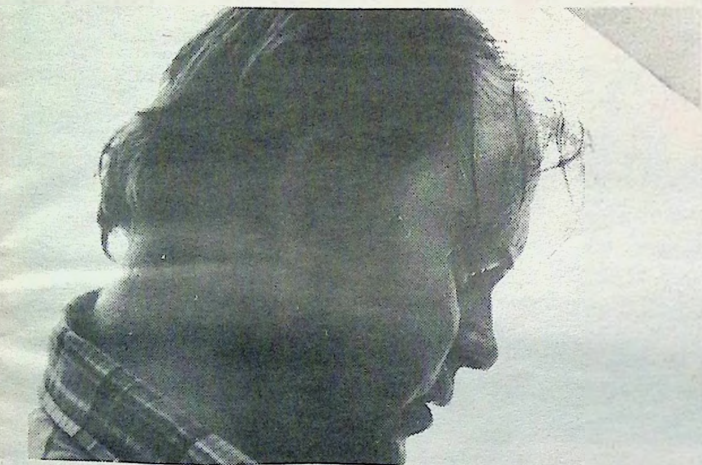

The City Council should use a "Common Sense" approach to governing our community. We must concentrate our financial resources on providing basic services. We must maintain our streets, provide police protection, continue EMS ambulance service and support the Helotes Volunteer Fire Department as needed. Our City Government can be run from a storefront office with only a part-time clerk available for citizen contact. Council meetings can be held at any one of several locations free of charge. I feel that all elected officials should serve without monetary compensation. By limiting our efforts to these basic areas, we can insure the well being of our community without an excessive tax burden.

We can further insure the quality of life in Helotes through the establishment of appropriate zoning regulations. We need not permit heavy commercial or industrial growth nor need we permit unsightly conditions to exist within our community.

I am willing to donate my time and efforts to protect the future of Helotes. I sincerely ask for your support on November 3, 1981.

**Thank you,
PAT WOOTTON**

Paid political announcement, Susan Wootton, Treasurer, Helotes, Texas 78023.

HOW DID HE DO IT?

It wasn't easy! Pilot Frank Ingram here concentrates on getting the landing gear down manually of his rented Rockwell Commander 114 recently when the hydraulic system, which usually accomplishes this routinely, failed. (See Oct. 23 Echo for details.)

This shot of Frank, taken by Rick Lee just after Frank admitted they were in trouble shows the concentration that paid off. Rick then gave the camera to the other passengers, Debbie Ingram and Geri Lee, and settled down to await the outcome. Fortunately, it was a happy ending, for all concerned. But they weren't sure until they touched down in a nearly perfect landing.

"Hallowe'en has traditionally been a candy oriented holiday, which should cause concern for those parents who care about the dental health of their children," said Capt. (Dr.) Thomas R. Watkins, a staff dentist at

Where the Helotes Beef Barn now faces Old Bandera Road, cattle going up the Chism Trail were driven past in the late 19th and early 20th Century. A horse tied up bears testimonial to the refreshments served inside to dusty cowboys.

Hallowe'en Treats

the MacKown Dental Clinic, Wilford Hall USAF Medical Center.

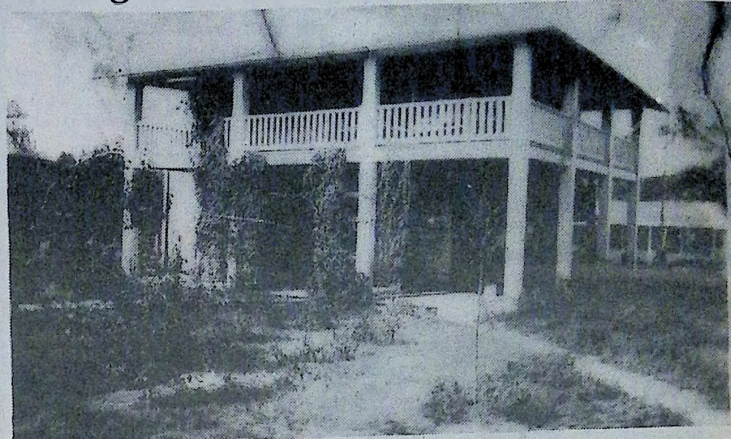

Captain Watkins explained that is a proven fact that sugary candies play a significant role in the promotion

of tooth decay. In order to help prevent tooth decay in the trick or treaters that come to the door, it is recommended that sugarless treats such as sugarfree bubble gum or mints be

substituted for sugary candies.

Save the sugary candies to eat as dessert with meals and let the sugarless treats be the Hallowe'en night snacks. But remember they should brush and floss thoroughly after they finish.

Helotes Has A Long History ...

This downtown Helotes landmark built about 1881 has served as a Post Office, a home, and a stop for travelers on the way to Bandera. It is on land originally part of the Monarch Ranch, settled by the Marnochs of Scotland before the 1850's. This photo dates to the turn-of-the-century.

Dear Neighbors & Helotes Residents

AS WE CONCLUDE the first Municipal election campaign, I must say that it has been a most interesting experience. The candidates have been electioneering with a lot of enthusiasm. . . My opponents certainly believe in conserving the natural beauty of Helotes; they've knocked down all my signs. They believe in the Golden Rule: do unto others before they do it unto you. . . More than ever, I have been deeply inspired by my neighbors in Helotes, by their dedication to the quiet life that we take for granted here in Helotes — I'm always impressed by the open-mindedness and friendliness of our Helotes Citizens. I want to thank all the wonderful residents of Helotes for their patience in listening to our campaign rhetoric.

Before you vote, learn all you can about the candidate. Cast your vote prudently. The people you elect will affect the future of our community for many years to come.

For The Following Alderman
Candidates:**

★ **HENRY DAUGHTRY, SR.**

Former Mayor of Leon Valley — 12 Years. Experience in Municipal Government. A serious and conservative independent Businessman.

★ **GUY BURNETT**

Urban Planner — Architect — Experienced in Planning & Zoning Procedures — A qualified and serious person.

★ **PAT WOOTTON**

A conservative family man — with a common sense approach to City Government.

Pete Cantu. 30 years as an independent, professional businessman. 25 years as a civic community leader. 10 years as a Helotes citizen.

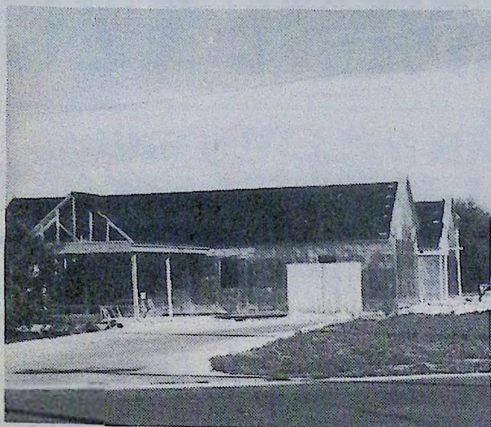

FOR HELOTES' FIRST ELECTED MAYOR

I ASK FOR YOUR SUPPORT AND VOTE!
I, PETE CANTU, promise you a conservative, serious, and prudent open City Government responsible to all the residents of our new Helotes. I am for Low Taxes and Small Municipal Government. I am against deficit spending. We do not need a City Hall now. Helotes has existed for over 100 years without any municipal bureaucracy and I am against spending funds we do not have.

...And A Bright Future

Nearing completion next to Helotes Park Plaza is the modern Gill Savings building which has an architecture planned to blend with the Helotes pioneer rock buildings. A temporary building nearby serves as local headquarters for the Hondo-based financial institution.

A new building which will serve as an education center and community building at Our Lady of Guadalupe Catholic Church on Riggs Road nears completion. Due to open next month, it will cost \$460,000.

PROMISES, PROMISES, PROMISES...

That's just about all I can hear and how certain people put us into a city which the silent majority did not want in the first place. The street maintenance, E.M.S., police protection and other features that we had already paid to the city of San Antonio will now have to be paid to the City of Helotes. San Antonio is not going to do any refunding, so we will be out double money for the same conveniences.

I think a candidate that gets elected will be like getting married. Do you really know him or her until they are in office? No. You never find out until his or her deeds begin to show. Picking a candidate is like hunting Easter eggs; every time you find one you hope that it is not rotten. I don't believe you can tell until they are elected. Years ago you could believe in a handshake and a person's word. Now you have to believe in deeds they achieve.

To do my best to get the better ones, I'm suggesting that you vote for the six men that I have listed. They are known to be honest and stick to their word. No deceiving, no misleading, just plain people who are already dedicated to you to help and get our city that we now have to rolling smoothly, cut out friction, eliminate excessive taxation. Pay for what we get and no more. Get no more than we can afford and actually need.

Sometimes candidates over-stress all of their background. I believe in performance from now forward to achieve our goals.

Does everyone have to have a college degree to know how to do anything? I disagree. I believe that knowing how to achieve things takes motivation and good sound common sense with labor in mind and knowledge of finances.

Always,

CHESTER McCARTER

CANDIDATE FOR ALDERMAN

P.S. One other thing I would like to see and that is friendship to prevail with all the candidates after the election to help insure a smooth operating city. I personally will strive to keep together every citizen after the election whether they win or lose.

Miss San Antonio 1982 Candidates to Apply Now

Most young girls dreams of becoming Miss America, and the young lady selected as the 1982 Miss San Antonio could be the next Miss America.

Now is the time for any young woman in the San Antonio area to decide, Greg Stevens, pageant executive director, said in calling for candidates to enter the pageant.

To qualify, a young woman must be between the ages of 17 and 26 on the Labor Day holiday 1982, must be a high school graduate by Labor Day 1982 and must never have been married.

Talent will be considered in the judging and each contestant should possess some quality of talent, either trained or potential. In discussing the talent qualification, Stevens stressed that the range is varied and that no young woman must necessarily be trained in any specific field.

Stevens also pointed out that many entrants in previous pageants did not realize that they possessed a quality of talent until they considered entering the contest.

Personality, poise, and talent are the major requirements. Each contestant will be judged in private interview, evening gown, swimsuit, and in the presentation of her talent.

Applications can be obtained at all San Antonio public high schools, colleges and universities, in the counselors offices.

Preliminary judging will be held Nov. 27-28 at San Antonio Little Theatre.

VOTE NOV. 3-BENNIE LYON

CHUCK LEE FOR ALDERMAN

Dear Fellow Citizens of Helotes:

It is quite evident by the enthusiasm and spirit you have demonstrated during the past few weeks that you share my concern over the upcoming elections. It is also clear that "Simplicity in Government" is the direction you want to follow.

To me "Simplicity in Government" means a cost conscious, but realistic budget, one that will provide the necessary services to the people of Helotes at the most economical cost, and one that will keep pace with progress but maintain tradition to preserve our unspoiled simple lifestyle.

I am asking for your vote for alderman on November 3rd. Most importantly, I want to represent ALL the citizens of Helotes. We all have our reasons for choosing Helotes as our home and I would strongly oppose any action that would encroach on our reasons, our rights and our privileges.

Election Day is only a few days away and we must exercise our right to VOTE. The future of our new city is about to be decided. Let us not have any regrets on November 4th.

Let us also pledge ourselves to unity and support our officials after election. UNITED WE STAND.

CHARLES "CHUCK" LEE
Candidate for Alderman Place II

JIM PERRY FOR ALDERMAN

- CONSERVATISM
- LOW TAXES
- LOW PROFILE GOVERNMENT

Political ad paid for by Perry for Alderman Committee, Kay Kennedy, Treasurer.

PETE CROW FOR ALDERMAN

Mr. Lyon considers himself to be extremely fortunate to have become associated with such a person as Mr. Pete Crow, candidate for Alderman in the Nov. 3 municipal election.

An 18-year resident of this area, a local businessman (masonry contractor), Mr. Crow has long resided here because he "loves and wishes the best for our community." He does not want sidewalks, street lights, and a cop in a car in every block. He does not want a \$38,000 piece of land for a future city hall costing \$200,000 or more.

Mr. Crow is the first one whom we heard to say: "KEEP IT SIMPLE."

MOON MULLINS FOR ALDERMAN

Mr. Moon Mullins, Helotes businessman and resident for 26 years, wishes to become an alderman and, to quote him, "Fight for what is right."

Mr. Mullins says: "Just a few months ago, a big group of citizens of the Helotes area dug into their savings and purchased shares in a new bank in, by and for the Helotes area. My understanding is that the local stockholders constitute 60-plus percent of the total. A few persons in this area did a great deal of work and were successful in obtaining a charter for the bank.

"This bank then is owned by the people of Helotes. Any attack on the bank is an attack on the people of Helotes. I believe the people will be resentful!"

"Ex-Colonel Beatty and current Colonel Demski called bank board members and THREATENED REPRISALS against the bank unless Mr. Lyon withdrew from the bank board or from the Mayor's race. They directly threatened to:

"1. Try to stop our Federal insurance (which they cannot do).
"2. Withhold half a million dollars of business per year from YOUR BANK.

"Since together they have invested very little in the bank (Col. Beatty, exactly nothing, I understand), this seems an idle threat. It also seems like blackmail and extortion."

Let's ELECT PEOPLE WE KNOW AND CAN TRUST!!!

CHESTER McCARTER FOR ALDERMAN

There was no indication in the invitation to the candidates meeting of Oct. 18, 1981 by the Lions Club of Helotes that if a candidate that could not attend the meeting he might write his speech and have someone else to read it in his absence.

I wrote my speech because I had to work, and I have to work to live first in life.

My speech was not read because of the violent objections of Mr. Tom Beatty. The Lions Club upheld his objections.

CHESTER McCARTER

TO OUR FRIENDS AND NEIGHBORS:

Now, we are a City, by legal action. We still are, by actual fact, a small community in rural northwestern Bexar County.

Becoming a legal city has brought us face to face with some facts not previously our burden nor our blessing. One of our blessings is that we will be able to control our own destinies in some things. Like, for instance, we can limit the amount of services we want, and the amount of city taxes we need to pay for them.

We can stress the fact that law enforcement begins in the home, and is least expensive there. If our children are taught, in the home, not to steal, not to break and enter, not smoke pot, etc., then we don't need a battery of cops at great expense to curtail juvenile crime which later becomes adult crime. Some of the positive things which our group hopes to achieve in making our new City thrive and prosper follow:

1. We desire minimum taxes to supply needed services: Needed services to be determined by the populace, and not by a council and mayor who know all the answers.
2. We do not wish, and will not tolerate, advocates of low cost public housing to infiltrate our community, deflate our property values, and dilute our moral concepts.
3. We do not need 4 or 5 paid policemen—probably \$60,000-\$75,000 per year in 4 or 5 cars—\$30,000 to \$40,000 to police 1700 acres, more details already stated. Law enforcement? Certainly! Waste of taxpayers money? Not! Not! Not!
5. We believe in prohibiting public debt. No bond arrangement without favorable vote of the citizens.
6. We do not want the expense of equipment or personnel for street repair or maintenance. We will contract any such work to lowest bidder.
7. No bureaucratic tax assessing and collecting agency. We will contract such work to and existing agency such as a school district.
8. We believe in tax reduction for the elderly on fixed incomes.
9. Our area Volunteer Fire Department is one of the most efficient we know of. The area supporting it is volunteer, and many times the size of our new City. Let's not reduce or discourage its support base by trying to support it from our 1700 acres alone. Our Fire Department, through its own efficiency, just bought a \$75,000 piece of equipment. Bureaucrats, let it alone.
10. Keep zoning controls to a minimum, but eliminate eyesores!!!
11. Again, enforce law, but not by expensive speed traps. Depend more on home environment and training.
12. We have lost many services thru incorporation. To replace those services has doubled our taxes. Let's be thrifty in the extreme to offset that effect.
13. We must not, under any circumstances try to make a city bureaucracy out of our small, friendly, pastoral community before it is ready.
14. Some of our opposition know all the answers and have publicly stated specific ordinances and laws they will pass upon election. We feel that the Citizens must and will be consulted on any new laws.
15. We hope you will elect persons who have been in the area long enough to know the Area. We have always wondered about a wife who married a husband for the purpose of changing his whole personality. We still do!!!

One of our concepts is LOVE THY NEIGHBOR. Let's don't change that one.

Let's also continue to love our town, even if somebody thinks it is a Non-entity.

We are basically Helotes businessmen who believe in "VIVA HELOTES".

8. Did not start going to TWO churches and attending Men's Club meetings just 30 days before city election.
9. Has never claimed to "know all the answers." Doesn't even know all the questions
10. Did not "work hard for two years and GIVE US A TOWN." The Kruegers, the Lees, the Cepedas, the Parigins, the Madlas, the Flores, John T. Floore and many, many more worked hard and "gave us a town" many years ago
11. WAS NOT — repeat WAS NOT — a member of the San Antonio Housing Authority or any other advocate of LOW RENT PUBLIC HOUSING — much less Chairman. Mr. Lyon also does not own any kind of business which could contract to build public low rent housing HERE.
12. Mr. Lyon also did not negotiate with any land owner "to de-annex this land owner's property once elected mayor." Another candidate did! The other candidate also then circulated the story that Mr. Lyon did so negotiate. This is dirty politics, and proof exists. It is also a total and complete fabrication, and proof exists. Mr. Lyon does not even know and has never met the land owner. The lie also was circulated that this land owner is paying for Mr. Lyon's campaign. I WOULD LIKE THAT!! Or somebody.
13. Mr. Lyon has supported the children's soccer teams of Helotes by buying uniforms, paying dues, fees, etc. It was a labor of love, but ex-Colonel Beatty and active Colonel Demski do not spread that story!! They use untrue ones.
14. Mr. Lyon was NOT a member of the Green Berets — even after they came into existence, much less TEN YEARS BEFORE!! Mr. Beatty was.
15. Mr. Lyon DID NOT but Mr. Beatty DID loudly oppose the reading of Mr. McCarter's three-minute talk at the Lions Club meeting. His grounds were, "Mr. McCarter probably cannot make a decent public talk, and therefore used work as an excuse not to appear." He said it, out loud! Mr. McCarter is a published author of a book! He can talk! And he will GIVE land for a city hall WHEN NEEDED and to an elected RESPONSIBLE city government. But Mr. Beatty knows all the answers!!!
16. Mr. Lyon advocates many things for our new city, and has enumerated them many times. They will be repeated many times in the future, but the greatest emphasis should be:

HE WANTS AN HONEST MAYOR AND BOARD OF ALDERMEN FOR OUR TOWN... HE WANTS ECONOMY FOR OUR TOWN... HE DOES NOT WANT SLICK IMPORTED POLITICIANS IN OUR TOWN.

N FOR MAYOR!

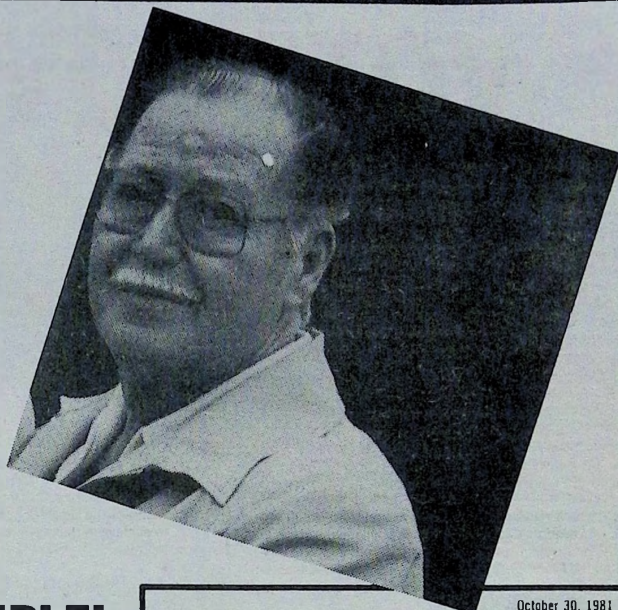

BIGGEST LIES FIRST!!!

1. We have quoted Adolph Hitler — "Tell a lie big enough and often enough, and people will believe it!!" This one has been and is being used here in our little town. I sincerely trust our citizens are as wise as I believe them to be and can see through the lies.

FIRST LIE: Benny Lyon has NEVER said ONE WORD against incorporation. NEVER!! But listen to the fibbers...

Bennie said, "DON'T STIR UP SAN ANTONIO TO ANNEX US. They are 12 or 15 miles away, except for the fingers which close around the University. Let's just not provoke them." We provoked them and almost got caught! LYON TALKED FOR INCORPORATION THEN, AND VOTED YES — YES — YES!! But only once.

DON'T BELIEVE THE LIES. "Let sleeping dogs lie" does NOT mean "Lyon is against incorporation." IT MEANS WHAT IT SAYS.

Helotes, Texas
October 21, 1981

The Honorable
Secretary of State
P.O. Box 12887
Austin, Texas 78711

Attn: Elections Division

Dear Sir:

Bennie H. Lyon, Candidate for Mayor of the new City of Helotes, Texas to be held on November 3, 1981, at the Helotes Hills Methodist Church, 13222 Bandera Road, Helotes, Texas 78023, from 7:00 a.m. to 7:00 p.m.

Herewith states that: The Election Judge, Mrs. Barbara Galland, just by chance happens to be a very close political ally and backer of principal opponent, Ex-Lt. Col. Thomas Beatty. Since this campaign has unfortunately become a particularly vicious name-calling and vitriolic affair, the undersigned petitioner hereby formally requests that an extremely capable State Elections Inspector be appointed for the purpose of monitoring the polls for the election. Mrs. Galland is hostess for a completely partisan "tea" to be given at her home "only" for the backers of Ex-Lt. Col. Beatty. Mrs. Galland has made several phone calls in which she has advised citizens such things as "Ex-Col. Beatty is the only possible Mayor for our town—Mr. Lyon is a dangerous radical who will cause untold trouble if elected." If it is possible, we would naturally prefer that, Mrs. Galland, totally incapable of acting as an impartial Election Judge in this instance, be completely replaced. Also, Mrs. Galland, a relative newcomer to the area, would have extreme difficulty in determining whether voters may be resident inside or outside the newly defined City Limits.

Thank you very much,

Bennie H. Lyon

October 30, 1981

Dear Fellow Citizens:

As you know, we have long had an independent Helotes. We also know that the threat of incorporation of Helotes, by a handful of well-meaning but misguided persons in one area here, brought about the spectre of engulfment by San Antonio. This is happening many years before the natural progression would have brought the big city out to an area it could not service.

But everyone must realize that the hardest work is yet before us. We must now raise the money to pay for the services we will no longer receive free. We will still continue to pay everything as we did in the past, but must now tax ourselves extra in order to stand still. Somehow it does not seem intelligent, but we have it!

I have learned much in the last 50 years that would be extremely valuable in just everyday living. One is that if you buy an extra car, it costs you extra money, and another is that if you add an extra level of government, it costs you extra taxes!

I am conservative, also a realist. To support our new tax needs (self-inflicted) we must set up a realistic tax budget. Not to include street maintenance equipment and personnel - but chughole by chughole repairs by competitive bid - and full, continuing support by individuals for our extremely efficient Area Fire Department as a totally separate and independent entity.

I also feel a proper and civic minded gesture for the erstwhile and no longer needed Incorporation Committee would be to turn the \$1,650-plus remaining in their custody, over to the new City as seed money or possible to help fight an attempt to bring low rent public housing into our area.

I earnestly solicit your support and your vote.

Thank you,
Bennie H. Lyon

NOCTURNAL TELEPHONING

At about 10 p.m., ex-Colonel Beatty's campaign manager, Colonel Demski, called me, Bennie Lyon, candidate for Mayor, and asked, "What are you going to do about our continuing efforts to get you off the board of the bank or out of the Mayor's race?"

I suggested that I would be stupid to reveal my strategy, except that I would try to give maximum publicity to the two men who were threatening BLACKMAIL and EXTORTION to try to destroy the bank which belongs to Helotes citizens.

This call lasted one hour and fifteen minutes — from Colonel Demski on active duty and also on the job at the hospital. Could be easily tax money of as much as \$30,000 wasted. Could also be violation of the Hatch Act. Also could have been recorded on government equipment.

My wife was listening to the entire conversation on an extension, and heard Demski introduce a racial issue into the campaign FOR THE FIRST TIME, to my knowledge, by ACCUSING ME OF IT. That is as dirty as you can get and as low.

My reply was very explicit, and unfortunately, profane.

(Signed) **Bennie H. Lyon**

**MRS. THOMPSON??
...OH!**

Mrs. Verna Thompson says on Oct. 23, 1981, that, "We can replace the EMS and street maintenance, lost through annexation, for a rate of 4.3 cents per hundred dollars." On a \$50,000,000 tax base, that makes about \$21,000 total.

Since we have been quoted \$15.00 per resident for EMS — 2,200 residents at \$15.00 equals \$33,000 for EMS alone, nothing for roads. I am confused. How do the streets get fixed? And at 72 cents on fifty millions we are wasting the \$360,000 tax we pay the county and for which these services have been stopped!!! What — Where — Why — and When???

(Political advertisement paid for by the Committee to Elect Bennie H. Lyon, Kay Kennedy, Treasurer, 12916 Bandera Road, Helotes, Texas 78023.)

FACT: TOM BEATTY PROMISED TO RECOMMEND HELOTES LAND GIVEAWAY

The owner of the land on the opposite side of Bandera Road from the Helotes Shopping Center objected to having part of it included in the boundary agreed upon by the city of San Antonio. As a member of the Helotes Incorporation Committee, Mr. Beatty promised this land owner that HE WOULD RECOMMEND WE DE-ANNEX ALL OR PART OF THAT LAND to the first Helotes City Council. He publicly stated his position to the Incorporation Committee in the presence of witnesses including members of the press.

As Helotes' first Mayor, Mr. Beatty would be in the impossible position of either:

1. Keeping his promise and acting AGAINST the interests of Helotes, or...
2. Violating his promise and thus go on record as a man who can't be believed!

WHICH IS BETTER? Remember, Mr. Beatty made his promise in the presence of reliable witnesses, but persistent rumors have tried to link the names of his mayoral opponents to the land owner in question. It is MR. BEATTY, not his opponents, who ADVISES THE HELOTES LAND GIVEAWAY.

QUESTION: Is the land Mr. Beatty proposes to give away important?

ANSWER: All land is important. Helotes had to fight San Antonio for what little we got. Let's not give any of it away. We have only 1,700 acres to start with.

FACT: TOM BEATTY IS IN THE CONSTRUCTION BUSINESS AND WAS COMMISSIONER OF HOUSING FOR THE SAN ANTONIO HOUSING AUTHORITY

The San Antonio Housing Authority is dedicated to building the low-income tax-subsidized housing that many San Antonio residents have vigorously opposed because they have experienced what these projects to do crime rates and property values in their neighborhoods. One attempt has already been made to locate subsidized housing in the Helotes area.

QUESTION: IS MR. BEATTY'S CONSTRUCTION BUSINESS AND PAST ASSOCIATION WITH THE SAN ANTONIO HOUSING AUTHORITY IN POTENTIAL CONFLICT WITH THE BEST INTERESTS OF HELOTES RESIDENTS?

ANSWER: Decide for yourself, but think about it carefully! And ask yourself: "Can Mr. Beatty be trusted on anything?"

Hultz - Cook wed in October

Mr. and Mrs. Kyle Hultz at their wedding reception.

In a garden setting beside the pool, Vivian Cook, daughter of Mr. and Mrs. Joseph Morency of San Antonio, and Kyle Hultz, son of Mr. and Mrs. Harvey Hultz of Quincy, Illinois were married in Helotes with Rev. Watts of Grey Forest Chapel officiating. The ceremony took place at 3 o'clock in the afternoon on Saturday, October 17, 1981.

The bride was given in marriage by her father who escorted her into the garden as Rev. Watts played the guitar and sang "Annie," a ballad selected for the occasion.

The bride, who wore a light pink formal gown with matching cape, had for her Maid of Honor her sister, Gail Mingo. The bridegroom's son, Mark Hultz served as Best Man.

Here for the wedding were friends and relatives of the couple from Helotes, San Antonio, Houston, and California.

Following a garden reception, the couple left for a Caribbean Cruise to Nassau, Puerto Rico and the Virgin Islands.

They will reside in Helotes where they own and operate a business.

The Salvation Army in San Antonio has announced it will begin registering families in need of Christmas toys, food baskets and other assistance Monday, Nov. 2 at the Social Service Center, 226 Nolan St.

Scheduled from 9 am to 3 pm Mondays through Fridays, the screening process will continue through Nov. 30, Major Robert B. Swyers, Salvation Army city coordinator, said.

In 1977 the Salvation Army, a United Way agency, was designated as the official Christmas Clearing Bureau for San Antonio, Major Swyers pointed out. All groups involved in Christmas aid to families are therefore urged to clear their client cases through the bureau, he said.

Homecoming at Marshall

The John Marshall Homecoming activities will be held the weekend of Oct. 30-31. The annual event is sponsored by the Marshall Student Council. Homecoming chairperson this year is senior Laurie Johnson.

The Homecoming game will be held at 7:30 p.m., Friday, Oct. 30 at Northside Stadium, where the Marshall Rams will take on the Memorial Minutemen. The halftime show will include the crowning of a Homecoming queen. The queen will have been voted upon, by students at Marshall, from 6 court members who were selected from the 1982 senior class. These nominees

are Jill Anderson, Tina Denning, Disa De Los Santos, Iris Hall, Stephanie Smith, and Shelly Stromboe.

The Homecoming dance entitled "Masquerade Ball" will be held on Saturday, Oct. 31, from 8 p.m. until 12 p.m. in the Coronado Ballroom at El Tropicano Hotel. Masks will be handed out at the door. The dress is semi-formal to formal, no costumes, please. The bids are now on sale at John Marshall for \$16.

Any Marshall alumni wishing to attend should contact Ms. Lu Pochelski, Student Council Advisor, at 681-3060, extension 66, between 8 a.m. and 4 p.m.

Oak Decline Aid Coming

Congressman Tom Loeffler received assurances this week that the Department of Agriculture will take action to combat the spread of oak wilt and oak decline through the Hill County.

The promise came from Texas Congressman Kika de la Garza, chairman of the House Agriculture Committee, during a discussion of the problem on the floor of the House.

Loeffler had introduced an amendment during debate on

the Farm Bill calling for a formal study of the incidence of oak wilt and oak decline and evaluating methods of controlling spread of the disease.

The Texas Republican said heavy losses may eventually have an impact on more than three million acres of trees in nine states from Texas to Virginia. Oak decline is associated with oak wilt - the most destructive disease of oaks in the upper Mississippi Valley.

An Open Letter From An Old Friend

Dear Friends in Helotes,

Helotes is now a city! In the face of deep skepticism and strong opposition the citizens of historic Helotes persevered and insured its place on the Texas map for generations to come.

Now you must elect a mayor to provide real leadership for the beginning of Helotes' life as an organized city. Tom Beatty is the man you need! And I hope and pray you will vote for him and support him as Mayor of Helotes.

Why do I ask you to support Tom Beatty? Simply because he has the experience and knowledge and commitment to be the best mayor Helotes could hope for. I hope that you have not forgotten me already or that I served as Chairman of the Helotes Incorporation Committee for over two years. During that time, Tom worked beside me and fought with me for Helotes. I grew to deeply appreciate Tom as a friend and I was always thankful to be on his side of our negotiations with San Antonio - for he was always a determined, informed, articulate, and effective spokesman for Helotes. And it should be said that because of Tom's long involvement and close ties in San Antonio we gathered crucial votes on the San Antonio City Council. Only the influence of Frank Madla and Don Rains gained us additional votes.

Much work was necessary for the incorporation efforts to succeed. There is still more to be done to insure a good, strong beginning for Helotes. Tom Beatty has shown intelligent, responsive leadership in the recent past. I urge you, for Helotes' sake, to trust your vote and support to him in the coming days and months.

VIVA HELOTESI!

Roadrunner Needed

Who will be the UTSA roadrunner?

The University of Texas at San Antonio is seeking a full-time student to serve as the university's official mascot. This person, dressed in a custom-made roadrunner suit, will work with university cheerleaders to promote school spirit at pep rallies, games and other athletic events.

Applications are available in the office of the Dean of Students, Room 1.03.58 of the Science Building, and in the Athletics Office, Room 2.01.02, of the Physical

Education Building. They must be completed and returned to either office no later than 5 p.m. Nov. 6.

All applicants must have a grade-point average of 2.5 or higher on a four-point scale. They also should have gymnastics or tumbling experience and an outgoing personality.

Prospective roadrunners will try out in November.

For more information on becoming the UTSA roadrunner, phone the Office of the Dean of Students, 691-4150, or the Athletics Office, 691-4161.

HELOTES PIONEER

Shown teaching Sunday school is Mrs. Amalie (Mueller) Boegal, a staunch Lutheran, and the second postmaster of Helotes. She succeeded her first husband who was appointed first postmaster in 1873. They operated a stagecoach stop also, and much of their land is in Helotes Ranch Acres. Mrs. Boegal died in 1925 at about 90.

New Arrival

Justin Scott Holden, who weighed in at 7 pounds, 9½ ounces, was born at Methodist Hospital in San Antonio on Monday, October 26, 1981. He is the son of Mr. and Mrs. Scott V. Holden of Helotes. He is grandson of Mr. and Mrs. Arch C. Holden, also of Helotes.

His maternal grandparents are Mrs. Charlotte Mullins of Richmond, Texas and Don Mullins of Simonton, Texas.

He is also being welcomed by his great grandparents. His paternal great grandmother is Mrs. Carl Holden of Ardmore, Okla. and his maternal great grandmothers are Mrs. Margaret Mullins of Rosenberg, Texas and Mrs. Tina Tucker, also of Rosenberg.

The proud parents are receiving congratulations from their many friends in the community on this happy occasion.

Milton James, Jr., 23, son of Mr. and Mrs. Milton James, Sr., of Grey Forest was injured in the leg when a .22 calibre rifle he was removing from his automobile accidentally fired. He was taken to Wilford Hall where he is making an excellent recovery. The accident took place on Monday, Oct. 26.

TO THE VOTERS OF HELOTES

Almost everyone is campaigning as a conservative.

Almost everyone is interested in the same things, but the question is... Just how conservative and how interested are they?

How much police protection do we need and how much are we willing to pay for?

How many and what type of ordinances do we truly need?

Studies must be made to answer these questions prior to being acted upon.

Without a doubt everyone is interested in keeping their taxes as low as possible.

With these things in mind we should strive to elect a Mayor and City Council who are conservative and willing to study the situation prior to passing ordinances that all the citizens will have to live with for years to come.

There are those who will disagree with my ideas, and I'm sure I will object to some of theirs but if elected, I pledge to work with the Council so as to bring about good government, low taxes, adequate police protection, street repair as needed and continuance of EMS. Many other items will surface and should be studied prior to being acted upon.

It is my hope and desire that after Nov. 3, the citizens of Helotes will be able to put their differences aside and help the new Mayor and Council form a city government that can work together and bring about ordinances that we all can live with.

I earnestly solicit your vote for Alderman on Nov. 3.

AN APPEAL to the Voters of Helotes

From Kaye & H. A. (Butch) Daughtry, Jr.

We are ten-year residents who know many of you and share your interest in elections and candidates who will put the interests of Helotes first. We have considered the issues and the following candidates are our choice. We urge you to vote for them also, but — above all — VOTE!

For Mayor: BENNIE H. LYON He is the only candidate who does not have real estate or construction interests and that means he doesn't have to deal with the city of San Antonio for his livelihood. Bennie can put Helotes' interests first in dealing with San Antonio or any other governmental agency.

He is opposed to de-annexation of any part of Helotes and committed to simple, cost-effective city government.

For Aldermen: GUY BURNETT, Architect

HENRY DAUGHTRY, SR., Retired and
former Mayor of Leon Valley

RUDY LOEFFLER, Electrical Engineer, Civil Service

LEONARD HILL, Electrical Engineer, CPSB

PAT WOOTTON, Employee, White Mines, Master's
Degree in Public Administration

The above Alderman candidates are not on any organized ticket but are simply people whom we believe are best qualified by virtue of integrity, experience, and education. They are committed to working with whoever is elected mayor and whoever else are elected as Aldermen.

They are not part of any clique or special interest group.

WE URGE YOU TO LEARN ABOUT THEIR INDIVIDUAL QUALIFICATIONS,
IF YOU HAVEN'T ALREADY.
