VOLUME VI—NO. 5

HELOTES, BEXAR COUNTY, TEXAS — 10 CENTS PER COPY

MAY 28, 1971

## Person-to-Person

Oklahoma born, Mrs. Bertha Pinnick this month was honored with a tea marking the close of 25 years of teaching—12 in the Helotes school. She will travel and then work in San Antonio for Siegel's. She was a favorite with her first grade pupils and started many Helotes young ones on the road to knowledge concerning their 3 R's.

The local chapter of Epsilon Sigma Alpha has chosen to help with the financing of the Parrigin Pavilion being built by the Lion's Club. They also provide cultural programs, and stage interesting activities for their families.

Any commercial business in Bexar County injured by the drought may apply for aid through the Small Business Administration, according to Jim Reed, Director, 301 Broadway Bldg., San Antonio, Texas 78205.

All churches in the community will sponsor a vacation Religious Bible Class this summer. . . . Most last two weeks. The Zion Lutheran Church will begin classes June 7 and run through June 18, with Mrs. Ruth Moorman as director. Our Lady of Guadalupe Catholic Church classes will be from June 14 through 25 with first Communion June 27. Teachers will include three Sisters of Notre Dame. Classes will be to the sixth grade plus one class of preschoolers. The Helotes Hills Methodist Church and the Forest Hills Presbyterian Church will hold joint Vacation Bible School the last two weeks of July with Mrs. Dottie Laenger as director. It will be held at the Presbyterian Church. The Helotes Baptist Church will also hold a summer session. All persons interested may contact the pastor of each church for details.

The Scenic Loop Playground Club has an extensive summer program which includes interesting activities for citizens of all ages. Now if only the drought would break-up and give the springs a chance, the champion swimmers of Bexar County will be enjoying the country of 11 full-time springs.

Among graduation parties being planned is one to honor the former Miss Helotes—Mary Jane Logan—given by her Madla cousins.

Don't forget—Boerns will have its Bergesfest on June 19 and 20, and you'll have a big time there.

Special congratulations are due Robert Flores who received his Master's degree in business from St. Mary's University at graduation ceremonies May 16. He and his wife, Elaine, and children reside in Helotes Park Estates. Before completing military service, he also obtained his bachelor's degree from St. Mary's.

MISS HELOTES 1971, Sharon Gorsuch, receives her crown from 1970 Miss Helotes, Jeannette Shoaf. Also in the 1971 Court are, left, Princess Cresia Schenck, and far right, Duchess Debbie Cogill. They are shown during coronation ceremonies which officially opened the Festival.

RIDING ATOP the 116-year-old Wells Fargo Stagecoach are two former Miss Helotes—for 1969, Julie Darnell, and the first one, Kay Spencer, Miss Helotes 1967. Mrs. Carmen Madla, assistant chairman of the Queen's contest, rides shotgun. Inside are candidates for the title. The children are Nicky and Dru-Anne Van Steenberg.

BELOW ARE shown Willie Nelson, parade grand marshal, and the honorary marshal—"Mayor" John T. Floore.

JEANNIE C. RILEY, of Harper Valley fame, will be in Helotes Saturday, May 29, for a one-hour performance at Floore Country Store from 9 to 10 p.m. Appearing with the nationally famous star will be Freddie Parker and the Freeloaders.

## Highway 16 Work Set For August

Contract for widening of Highway 16 into a four-lane divided highway from Loop 410 to Scenic Loop Road in Helotes is expected to be let soon after Austin announces the funding, according to word from the Texas Highway Department here.

Work will begin a week or so after, "We're hoping in August or September," Garrette Wilson, district planning engineer, said.

The project which will cause the route through downtown Helotes to be altered has progressed to where all land purchases along the route have been completed. It will be funded one-half by the State and one-half with federal money, he said, and will cost approximately three-and-a-half million dollars to complete.

T. J. Walthall, supervising resident engineer, will be in charge of the work.

When asked about the effect of the new town here, Mr. Wilson said that it undoubtedly would increase traffic on the Bandera Road. He said that widening of Loop 1604 near the UT/SA would not be imperative until the University gets underway.

After work on Highway 16 begins, it should be completed in about 18 months, he said.

## Ranch Town Gets Okay

The new town near Helotes on the Lytle Ranch moved another step toward reality this month when it was given final clearance by the Alamo Area Council of Government's executive committee.

The developers of the new town may now apply to the U.S. Department of Housing and Urban Development for a loan guarantee. Estimated cost of the project is more than \$1 billion over the next 20 years.

The AACOG executive committee approved the project with two requirements: (1) That thorough environmental impact studies, particularly the effect of storm water runoff on the Edwards Aquifer, and appropriate commitments be required by the Department of Housing and Urban Development; and (2) That the sanitary sewer system of the project be connected with and treated by the City of San Antonio's regional waste water system.

San Antonio plans for a regional sewer system have not been announced. Press mention of it has been made only in connection with the development of the new town.

The new town—currently called "San Antonio Ranch"—would extend from Bandera Road just west of Helotes to Culebra Road. The projected population is 68,000 persons. First unit of the new town is scheduled to be opened in May, 1973.

## Mr. Sanchez Honored

Mr. Celestino Sanchez, a pioneer of Helotes who was 88 years old May 19, was honored at a family birthday gathering which included a barbecue on his ranch.

A barbecued goat was a gift from W. J. Lytle, Jr. for the celebration held May 22. Mr. Sanchez was born at his family's home near downtown Helotes. He worked on the Gallagher Ranch, and later on the Lytle Ranch, first for W. J. Lytle, Sr. and then for his son. This is the land upon which the new town will be built in the near future.

## Bandera Regulars Ride Again Today

The Bandera Regular Trail Ride, from San Antonio to Bandera, is on its way this weekend. Riders and their welcomed public will have a chance to kick up their heels along the way, according to advance publicity.

Trail Boss is Pat Halpin, with A. C. Zoeller as Assistant Trail Boss and Sonny Hass as Head Scout.

Registration opened the event Thursday, May 27, at Bandera Road and Loop 410. However, anyone who can catch up and pay the \$8 registration fee may join any time along the ride.

Following an 8 a.m. departure Friday, May 28, the riders have a lunch stop in Helotes before going on to their campsite at San Geronimo. This is also the night of the dance at Pete's Place with

Harold Friensenhahn and "The Branded Men" supplying the music. The public is invited to attend the barbecue—and also the dance. Food is free to all registered riders.

Saturday morning's "hit the trail" is at 7 a.m. leaving San Geronimo and heading for lunch at Pipe Creek. Riders are scheduled to arrive in Bandera at 4 p.m. Saturday where they will be served a free barbecue meal behind the New Frontier Hotel and Purple Cow.

Johnny Bush, Honorary Trail Boss, and the Bandoleros will play Saturday night for a dance at the Mayan Dude Ranch from 9 p.m. to 1 a.m.

New as well as regular riders are welcome, according to Trail Boss Halpin.

The Helotes Echo will be moving this month to our new permanent home one-half mile up the Scenic Loop from Bandera Road. We'll be seeing you there.

## Thanks!

Each year more and more homefolks—as well as tourists—take part in the Helotes annual Cornyval. It is a fun time which has become a genuine get-together.

Workers were so legion on the 1971 Cornyval that even if we chose to thank them

individually—the artists, the good cooks, the chairmen, the parade participants, the folks who manned the booths, the reporters and TV men—even if we could call them all, we'd not be able to thank them enough. Come back next year.

## Girl Scout Camp To Open in June

## Mini-Bikes Compete

New attraction on Saturday at the 1971 Conryval was the Mini-Bike Cross Country event with the round trip taking about 15 minutes, a popular special event. The competition was on private property and saw several teenage boys trying the rough track.

Winner of the first-place trophy and helmet—donated by Krumm Cycle Shop on Bandera Road—was Rusty Collier. Second and third place trophies—also donated by Krumm—went to Byron Faust and Ricky Collier, respectively.

Special events chairman for the Festival, Bill Terry, was in charge of the contest.

## Marshall Choir Goes to Houston

Eighty-eight members of the combined Mixed Chorus and Madrigal Choir of John Marshall High School realized a year-long ambition May 22 when they embarked on a trip to Houston for a weekend outing which included two separate singing engagements en route.

To make the trip possible, the choir sold soap, conducted cake sales, and staged a barbecue during the year, in addition to holding eight concert performances.

The Marshall Choir gave a performance at Luling High School and at Columbus High School and visited Astroworld, returning to San Antonio Saturday evening.

The group was accompanied on the trip by Mrs. Linda Wyatt, director, and Mr. Wyatt, and several parents of John Marshall Choir members.

## Lions Pavilion Honors Parrigin

Scheduled to be completed in less than 30 days is a major civic center which will honor the late Alex Parrigin, who at the time of his death Feb. 22 was the oldest living active Lion's Club member in the United States. He had twice served as the local president of the service organization.

The pavilion-type center is being financed by Club projects and donations from many friends and neighbors with the aid of a construction loan. The much-needed center will be located on Lion's Club property at Scenic Loop Road and Bandera Road, beside the present Club Building. Those wishing to contribute may address their checks to the Alex Parrigin Pavilion, Lion's Club, Helotes, Texas.

The Helotes Lions Club has awarded a contract to J & J Construction Company of San Antonio to build the Alex Parrigin Memorial Pavilion, which will accommodate about 600 persons at a gathering according to one estimate.

Jap Jones, president of the Club, said the contract to J & J amounted to \$3,368. Margo Valenzuela of Helotes was awarded the contract for the concrete foundation at a cost of about \$2,400. Electrical work will be donated by the Rev. Lion Collin Furr.

Total construction costs will be about \$7,500.

The pavilion will contain 2,400 square feet and will be open air. Jones said the building will be made of steel and will have a vinyl backed Deccapanel roof. Separate restrooms also will be housed in the structure, Jones said.

Lion George Bowman of Bowman Construction Co. is acting as overseer. Bowman also will donate his own equipment for landscaping and improving roads to the club facilities, Jones said.

The loan was secured through Travis Savings and Loan Associ-

ation of San Antonio by the finance committee. Chaired by Lion

Homer Taylor, members of the committee are Lions Tom Buel, Bill Barker and Jones.
